RAMOS KAILEY

"*Trail of the Unicorn*" Farrar Straus & Giroux

What fun children have looking at these precious animal babies in their natural habitats around the world. The baby animals featured in this nonfiction book from Our Amazing World Series, Advanced, appear with their mothers keeping a watchful eye on them. The narrative fosters fluency in early readers, promoting independent reading. Each crystal-clear snapshot is accompanied by fun facts, such as the information that a baby kangaroo is as small as a grain of rice when born, to engage children in lively discussions.

"*The Pixilated Parrot*" Scholastic Inc.

Read, dance, and sing along to this favorite classic song featuring a baby shark, mama shark, daddy shark, grandma shark, and more underwater pals!

"Thank you for the copy of Carl Barks and the Art of the Comic Book by Michael Barrier, which we are thrilled to see finally in published form. It was worth the years of waiting, and we hope will supply the answers to the myriad of questions which Carl must answer thousands of times over. Now he can just say buy the Barrier book published by M.M. Lilien..." --Gare Barks (Mrs. Carl Barks) "Carl Barks and the Art of the Comic Book is the very long-awaited biography/bibliography/critique of the Good Artist's work by Michael Barrier. It is published in a handsome, sturdy, well-designed hardcover edition by M. Lilien of New York, with a lovely dust jacket featuring a self-caricature of Barks on the front and a color photo of the Duck Man on the back side. Inside you will find a detailed account of Barks' life and career, with each story discussed and highlighted. There are many photos of Barks as a young man, sketches and cartoons he did for the Calgary Eye Opener and as inter-office gags at the Disney Studios ... If you are a fan of Carl Barks, you simply, absolutely, positively and unquestionably must have this book and right now. If you are a comic-book student, you must have this book to see how thoroughly and well comics can and should be studied" --Don and Maggie Thompson *The Buyer's Guide For Comic Fandom*. " ... Barrier covers not only the life of Barks but his particular thematic preoccupations (the "rescue theme") in what parent/child roles are reversed is documented with considerable wisdom, for instance). The photos of Barks, his house, and other people he worked with are precious glimpses on an important period in comic book history, and the many drawings by Barks and others constitute a real treasure trove for both fans and scholars..." --Catherine Yronwode. *The Buyer's Guide For Comic Fandom* This beautifully illustrated book captures the essence of Carl Barks, the man who brought Donald Duck into the hearts of a generation of Americans. Only Michael Barrier, who is uniquely familiar with both Bark's life and works, could assemble this definitive introduction to Barks' creations. Barrier traces Barks' life as a young cartoonist who eventually joined the Walt Disney Studios during the depression. Upon joining the Western Publishing Company in 1942, Barks produced vivid tales which captured comic book readers' imaginations for the following two decades. Barks brought to life such unforgettable characters as Uncle Scrooge, the Beagle Boys, and the other zany inhabitants of Duckburg. Although Barks' art was readily accessible to children, his stories contained satire aimed at the foibles of a nation immersed in the Cold War and new-found material success. In addition to chronicling Barks' life, this book provides a definitive bibliography of Barks' works. The bibliography is enhanced by quotations from Barks on specific works as well as comments from Kim Weston. Cost \$90.00 plus shipping and handling.

In this hysterical #1 New York Times bestseller, one kid has to wrangle gators, snakes, bats that bite, and a reality show host gone rogue! This is Carl Hiaasen's Florida—where the creatures are wild and the people are wilder! When Wahoo Cray's dad—a professional animal wrangler—takes a job with a reality TV show called Expedition Survival!, Wahoo figures he'll have to do a bit of wrangling himself to keep his father from killing Derek Badger, the show's inept and egotistical star. But the job keeps getting more complicated: Derek Badger insists on using wild animals for his stunts; and Wahoo's acquired a shadow named Tuna—a girl who's sporting a shiner courtesy of her father and needs a place to hide out. They've only been on location in the Everglades for a day before Derek gets bitten by a bat and goes missing in a storm. Search parties head out and promptly get lost themselves. And then Tuna's dad shows up with a gun . . . It's anyone's guess who will actually survive Expedition Survival. . . "Only in Florida—and in the fiction of its native son Carl Hiaasen—does a dead iguana fall from a palm tree and kill somebody." —New York Post "Chomp is a delightful laugh-out-loud sendup of the surreality of TV that will be enjoyed by readers of all ages." —Los Angeles Times
