The critically acclaimed, award-winning, modern classic *Speak* is now a stunning graphic novel. "Speak up for yourself—we want to know what you have to say." From the first moment of her freshman year at Merryweather High, Melinda knows this is a big fat lie, part of the nonsense of high school. She is friendless—an outcast—because she busted an end-of-summer party by calling the cops, so now nobody will talk to her, let alone listen to her. Through her work on an art project, she is finally able to face what really happened that night: She was raped by an

upperclassman, a guy who still attends Merryweather and is still a threat to her. With powerful illustrations by Emily Carroll, Laurie Halse Anderson's *Speak: The Graphic Novel* comes alive for new audiences and fans of the classic novel. This title has Common Core connections.

A classic tale first published in December 1844. It is the story of a young student of medicine who suffers the consequences of ignoring the warning of his adviser and falls in love with the beautiful Beatrice, confined to a locked garden by her father. "Rappaccini's Daughter" has all the attributes of Hawthorne's fiction: allegory, symbolism, ambiguity and fantasy. Spell-

Read throughout the world, admired by Dostoevsky and translated by Baudelaire, Edgar Allan Poe has become a legendary figure, representing the artist as obsessed outcast and romantic failure. His nightmarish visions, shaped by cool artistic calculation, reveal some of the dark possibilities of human experience. But his enormous popularity and his continuing influence on literature depend less on legend or vision than on his stylistic accomplishments as a writer. The tales in this volume include Poe's best-known and most representative works as well as his masterly "The Narrative of Arthur Gordon Pym." For the first time, the authoritative editions of works by major American novelists, poets, scholars, and essayists collected in the hardcover volumes of The Library of America are being published singly in a series of handsome paperback books. A distinguished writer has contributed an introduction for each volume, which also includes a chronology of the author's life and career, an essay on the text, and notes.

How Boston radio station WBCN became the hub of the rock-and-roll, antiwar, psychedelic solar system. While San Francisco was celebrating a psychedelic Summer of Love in 1967, Boston stayed buttoned up and battened down. But that changed the following year, when a Harvard Law School graduate student named Ray

Riepen founded a radio station that played music that young people, including the hundreds of thousands at Boston-area colleges, actually wanted to hear. WBCN-FM featured album cuts by such artists as the Mothers of Invention, Aretha Franklin, and Cream, played by announcers who felt free to express their opinions on subjects that ranged from recreational drugs to the war in Vietnam. In this engaging and generously illustrated chronicle, Peabody Award-winning journalist and one-time WBCN announcer Bill Lichtenstein tells the story of how a radio station became part of a revolution in youth culture. At WBCN, creativity and countercultural politics ruled: there were no set playlists; news segments anticipated the satire of *The Daily Show*; on-air interviewees ranged from John and Yoko to Noam Chomsky; a telephone "Listener Line" fielded questions on any subject, day and night. From 1968 to Watergate, Boston's WBCN was the hub of the rock-and-roll, antiwar, psychedelic solar system. A cornucopia of images in color and black and white includes concert posters, news clippings, photographs of performers in action, and scenes of joyousness on Boston Common. Interwoven through the narrative are excerpts from interviews with WBCN pioneers, including Charles Laquidara, the "news dissector" Danny Schechter, Marsha Steinberg, and Mitchell Kertzman. Lichtenstein's documentary *WBCN and the American Revolution* is available as a DVD sold separately.

 "'Thou and thine, Hester Prynne, belong to me.' With these chilling words a husband claims his wife after a two-year absence. But the child she clutches is not his, and Hester must wear a scarlet 'A' upon her breast, the sin of adultery visible to

all. Under an assumed name her husband begins his search for her lover, determined to expose what Hester is equally determined to protect. Defiant and proud, Hester witnesses the degradation of two very different men, as moral codes and legal imperatives painfully collide." "Set in the Puritan community of seventeenth-century Boston, *The Scarlet Letter* also sheds light on the nineteenth century in which it was written, as Hawthorne explores his ambivalent relations with his Puritan forebears. The text of this edition is taken from the Centenary Edition of Hawthorne's works, the most authoritative critical edition."--

SparkNotes

Now in print for almost 40 years, The New Lifetime Reading Plan provides readers with brief, informative, and entertaining introductions to more than 130 classics of world literature. From Homer to Hawthorne, Plato to Pascal, and Shakespeare to Solzhenitsyn, the great writers of Western civilization can be found in its pages. In addition, this new edition offers a much broader representation of women authors, such as Charlotte Bronte, Emily Dickinson, and Edith Wharton, as well as non-Western writers such as Confucius, Sun-Tzu, Chinua Achebe, Mishima Yukio, and many others. This fourth edition also features a simpler format that arranges the works chronologically in five sections (The Ancient World; 300-1600; 1600-1800; 1800-1900; and The 20th Century), making them easier to look up than ever before. It deserves a place in the libraries of all lovers of literature.

*The Scarlet Letter and Other Writings* Random House Digital, Inc.

There is a certain church, in the city of New York which I have always regarded with peculiar interest on account of a marriage there solemnized under very singular circumstances in my grandmother's girlhood. That venerable lady chanced to be a spectator of the scene, and ever after made it her favorite narrative. Whether the edifice now standing on the same site be

the identical one to which she referred I am not antiquarian enough to know, nor would it be worth while to correct myself, perhaps, of an agreeable error by reading the date of its erection on the tablet over the door. It is a stately church surrounded by an enclosure of the loveliest green, within which appear urns, pillars, obelisks, and other forms of monumental marble, the tributes of private affection or more splendid memorials of historic dust. With such a place, though the tumult of the city rolls beneath its tower, one would be willing to connect some legendary interest.
