Monster Manual TSR
Sonichu #0 is the first issue of Christian Weston Chandler's

magnum opus. At this initial stage, the comic was almost entirely about Sonichu and Rosechu, although bits of Chris's life still managed to find their way in. The "hand-drawn premiere issue" is a special zero issue. In the comics industry, zero issues are used as either a sales-enhancing gimmick (Image Comics is a notable user of this) or a special preview of work that will not truly begin until issue #1. Given that it previews nothing, which one Chris was going for is probably the former, though given that it's not legally able to be sold, it fails even that. The comic consists of Sonichu's first three adventures. In "Sonichu's Origin", the core cast of the series is introduced as Sonichu and Rosechu are created. Then, in "Genesis of the Lovehogs", the two protagonists meet and immediately fall in love. Finally, in "Sonichu vs. Naitsirhc", our yellow hero does battle with his first real villain, who but foreshadows the challenges awaiting the hedgehogs in the following issue. Bonus material in Sonichu #0 includes various advertisements for imaginary Sonichu products, "classic" Sonichu comic strips drawn outside of the narrative of the main comic book, and the first "Sub-Episode".

[Against the Giants](#) Random House Childrens Books

The Island of Juralsy is an Advanced Dungeons & Dragons (1st Edition) adventure for 4 - 6 player characters of 2nd to 5th levels. Juralsy is the most western of the outer isles and measures

some fifteen miles long by five miles wide. Maintown is the principal settlement but it really little more than village. There are two small fishing hamlets at Bowmere and Askaig. And there is really nothing else on the island of note except for the ruins of Bannock castle. Bannock castle was the ancient seat of the Thanes of Bannock but it has been a ruin for more than two hundred years. The last Thane of Bannock, Ragnost, was murdered by his wife Lady Palatier who had fallen under the influence of dark magic. After she slew her husband she turned Bannock castle into a place of evil and dread. Relatives of the Thane went to war against her and eventually a cousin of Ragnost, Kaladir, Lord of Binas Castle, defeated the forces of the evil Lady Palatier. For years the land was untroubled by evil. There were however rumours that the Lady Palatier lived still, deep under the ruins of Bannock Castle. Fifty years passed and Kaladir, Lord of Binas Castle, died peacefully in his sleep, leaving rule of the island to his son, Kaladron. But within a week Kaladron was dead after his horse hurled itself from the cliffs near Binas Castle and then, the next night, a great fire swept through the Binas castle. As the castle folk fled the conflagration, creatures of evil who had been lying in wait, massacred them. Lady Palatier had returned and to the horror of the islanders, she was not a day older than the day that she had murdered her husband more than half a century previously. The good men of the island, led by Lord Ranold, rallied to give battle again against evil. At the battle of the Grey Hills, the forces of evil were defeated and scattered. Lady Palatier fled to Bannock Castle and took refuge in the dungeon below. Those who had won victory, folk-lore says, had a Warlock and a Druid seal the dungeon entrance with their highest

magic. Binas castle was never rebuilt. The line of the Thanos of Bannock was lost to the mists of time. Bannock castle, a ruin at the end of an over-grown road to nowhere else, became all but forgotten. A few years ago rumours started that the dungeon beneath Bannock castle was no longer sealed by magic and that it was filled with treasure. Since then stories about the dungeon have been mixed. Some say that it holds nothing more than the bones of skeletons and rusted weapons. Others say that it is infested with evil. You have taken passage on a merchant ship bound for the island of Juralsy and your objective is the dungeon of Bannock Castle. This Advanced Dungeons and Dragons adventure has been created by Mark MacDuff who started playing Dungeons and Dragons in the early 1980's. Since then he has become a published author and has now brought his story-telling style to creating a richly woven fabric of mythical adventuring for fearless adventurers willing to journey to the far-flung western Isle of Juralsy. This is classic 1st Edition AD&D adventuring of the highest order where guile and cunning, intelligence and bravado are essential. This module contains over 23,000 words of carefully constructed text; the island is described in considerable detail and there are dozens of fascinating non-player characters who might be encountered along the way before the adventurers reach the dreaded Bannock dungeon. Success will depend not on force of arms but on shrewd planning, team-work and astute perception of what lies just around the next seemingly quiet corner...
