therapeutic value of hearing these things said aloud in a public place is part of our essential healing process and proves, once again, that art has the ability to go where angels fear to tread." Daily News, Durban

The Emergency
Aurora Metro Publications Ltd.

Did you believe writing was a safe pastime? It was not the first time bestselling author Sheila Armstrong had died on

stage, but it would most certainly be the last. DCI Alex Warren and his girlfriend, D.I. Sandra McKinnon, return from a short holiday, but hardly manage to step from the plane before they're called to investigate the suspicious death. Sheila, a member of Eastfarm Writers, has been stabbed to death on stage during a rehearsal of a play she'd written. Her death mimics the plot. Within hours, Sandra is

roped into investigating a separate series of crimes, which appears to be mob-related. As the enquiries run parallel, they struggle to make progress while supporting each other. But can there be a connection? This is a standalone mystery, and can be enjoyed even if you haven't read other books in the series.

Threat Unleashed

When Tigo

Garcia's new navigation app starts behaving oddly in his freshly-serviced car, he has to wonder where it's taking him. He doesn't know that eventually it will lead him to the love of his life: a man he's long admired, but never for a minute imagined he would end up with after his less than stellar experience with relationships. Fortunately, there's an app for that! Auto Mate is a gay

romance novella, sans the smut. *New South African Plays* Lulu.com
 A TAUTLY NARRATED POLICE PROCEDURAL, WITH PLENTY OF TWISTS AND TURNS
 Two victims—a woman lying dead on her bed, a man hanging from the ceiling fan. A suicide note cum murder confession. And a name—Shaunak Sodhi. When the case comes their way, Senior Inspector

Saralkar has just been diagnosed with hypertension and PSI Motkar is busy rehearsing for an amateur play. What appears, at first, to be a commonplace crime by a debt-ridden, cuckolded husband, who has killed his unfaithful wife and then hung himself, soon begins to unfold as a baffling mystery. As clues point to a seven-year-old unsolved murder in Bangalore and other leads emerge closer

home, Saralkar and Motkar find themselves investigating shady secrets, bitter grudges, fishy land deals, carnal desires, the dead woman's sinister obsession with past life regression and her husband's links to a suspicious, small-time god-man, Rangdev Baba. And then, suddenly, the murderer resurfaces and yet another life is in grave danger Can Saralkar and Motkar get to

the bottom of the shocking motive and stop the killer from committing the fourth murder? Emerging Infectious Diseases Penguin UK Torn between family and duty, Sanjay is home in Farashtar at the behest of his father. He resents deferring his career as a knight to obey royal obligation, but he's powerless to escape his father's influence. Sanjay soon discovers that the duke's pet

project is more than aristocratic fancy, though, and the corruption lurking within the palace walls could shatter the very foundation of Sehaann. Sanjay isn't perfect. He's a fighter, a strategist, deadly with a blade and master of his magic. He's a knight, not a saint. Despite his dishonorable past, he'd rather be remembered for his morality and not for his many

transgressions . Yet, with his conscience at war with his responsibility, it's maddeningly difficult to decide where his loyalty should lie. He'll lose, no matter what he does. Mired in endless uncertainty, only one truth remains—ending up on the wrong side will cost him everything. Only barely considered part of the Farashtaran aristocracy, Josha is used to being overshadowed by the influence and

privilege of his peers. But as a knight and elite fighter of Sehaann, he wields his sword in protection of the realm, rejecting the voracious, divisive ambition that he despises. Back home for the first time in years, though, Josha comes face-to-face with the demons of his past. Someone is pulling him away from Sanjay and Josha must choose between his best friend and the fate of his country.

Sanjay and Josha have never known life without the other in it. But much has changed since the simplicity of their youth, and the pressure of political conspiracy just might tear them apart forever. If they can thwart the burgeoning treachery without succumbing to it in the process, then perhaps they can begin to right the grievous injustice threatening to topple the Sehaannian throne. And if

the rampant betrayal proves too difficult to fight, then they may be forced to abandon honor just to survive. This work is intended for a mature audience and contains mature content. For a more comprehensive list of content tags, please see this book's information page at the author's website.

 A broken heart spells danger for Cassia and all that she holds dear. After the close call with Kasper, high school teacher and oracle Cassia Reid deals with the

consequences of her mistake that put the lives of her friends and herself in jeopardy. With her visions compromised and her heartbroken, she seeks the company of Adrienne, a charming young maiden who Cassia soon learns there's more to than meets the eye. As Adrienne's ulterior motive unfolds, Cassia is forced to look inward to keep herself from facing a fate worse than death. Can she figure

out how to save herself? Or will she lose the little that she has left?

With her recording career on the slide, Deanna Hart heads home to Cleveland to search for new inspiration. What she finds is a man who has never stopped thinking about her. Eric Bell is now the principal at their former school, and he's never

been shy about trying to get her attention. Down-to-earth and downright sexy, Eric is about to open Deanna up to new possibilities. But just as soon as they find each other, a crushing Hart family secret could end Deanna's dream of starting over. Will she be able to capture the kind of love she has never believed in, the kind that lasts forever?

M for Murder

Leah Ross
Who Says Bullies Rule?: Common Sense Tips to Help Your Kids Cope gives parents practical bully prevention tips for their elementary and middle school children. It helps parents empower their children to stop bullying before it veers out of control and teaches parents to navigate their

school systems' channels to stop bullies from bothering their children. Additionally, the book arms parents with workable suggestions they can offer their children for dealing with different types of bullies, such as teasers, excluders, intimidators, and cyber bullies. The most important feature of Who Says Bullies Rule?, and what sets it apart from other books, is that it

underscores the importance of having children use their common sense to anticipate and deal with bullies' actions. No child should ever have to tolerate physical or mental abuse at the hands of a bully. Parents are the first line of defense against bullying. Using a conversational tone with myriad examples, Who Says Bullies Rule? shows parents what they

need to do to help keep their children safe.

 Everyone speaks about Ramarajya the perfect society as per people's imagination but nobody has seen the Ramrajya how it was. This book is based on that terminology how can we achieve Ramarajya the ideal state or society. The story revolves around a character named Seetha she accidentally becomes the

prime minister of the country she's not from any political background, she's a doctor by profession and suddenly a responsibility of a nation is given to her. the rest of the story revolves how will she be able to solve the problems we face in our daily life of the public.
Methods in Systems Biology
 Anchor Atlas of Epilepsies is a landmark, all-encompassing , illustrated reference work and

hands-on guide to the diagnosis, management and treatment of epilepsy in all its forms and across all age groups. The premier text in the field with over one thousand images, the Atlas's highly illustrative approach tackles the difficult subject of epileptic seizures and epileptic syndromes, accompanied by sequential photographs of each management step. Intraoperative photographs

are accompanied by detailed figure legends describing nuances, subtleties, and the thought processes involved in each step, providing a fuller understanding of each procedure. The Atlas draws on the expertise of over 300 internationally-renowned experts, and is liberally interspersed with clinical insights and personal vignettes that offer helpful tips, technical advice and

critical knowledge to the clinician and scholar. The thorough and complete table of contents includes dedicated sections or chapters on important topics such as neonatal and pediatric seizures; imitators of epilepsy; EEG and neuroimaging; psychiatric and quality of life aspects of epilepsy; and a complete guide to treatment options including current and up-to-date

chapters on pharmaceuticals, surgical procedures, and additional and alternative treatments. No other publication addresses epilepsies as thoroughly and completely as the Atlas of Epilepsies. Exhaustive and illustrative, convenient and current, this reference is sure to be the premier text on epilepsy for many years to come.

Nothing at the Superior Thinking and Advanced Research Academy is as it seems — and Amanda Forsythe, its newest, brightest student, is about to discover why. Amanda Forsythe, an independent-minded eleven-year-old with a stratospheric intellect, enters her school's science fair with a project on interstellar travel. Despite its brilliance, the project loses and Amanda is

humiliated — that is, until she is approached by two scientists from the STAR Academy. The Academy is an elite boarding school with a simple but ambitious mandate: to cultivate the greatest scientists of tomorrow. They offer Amanda a full scholarship. After taking up residence at the remote, fortress-like Academy, Amanda settles into an exciting life of new friends and supportive

teachers, and though everything seems too good to be true, Amanda makes a disturbing discovery. Against almost impossible odds, Amanda must find a way to escape the school and alert the world to what is really going on behind its walls. BESTSELLER • A stunning "portrait of the enduring grace of friendship" (NPR) about the families

we are born into, and those that we make for ourselves. A masterful depiction of love in the twenty-first century. NATIONAL BOOK AWARD FINALIST • MAN BOOKER PRIZE FINALIST • WINNER OF THE KIRKUS PRIZE A Little Life follows four college classmates—broke, adrift, and buoyed only by their friendship and ambition—as they move to New York in search of fame and fortune. While

their relationships, which are tinged by addiction, success, and pride, deepen over the decades, the men are held together by their devotion to the brilliant, enigmatic Jude, a man scarred by an unspeakable childhood trauma. A hymn to brotherly bonds and a masterful depiction of love in the twenty-first century, Hanya Yanagihara's stunning novel is about the families we

are born into, and those that we make for ourselves. Look for Hanya Yanagihara's latest bestselling novel, *To Paradise*. [Atlas of Epilepsies](#) Springer Final Book, to my Crescent Moon saga. Crescent Moon was just your average urban girl, until she moved to New Orleans. Now she is a girl destined for greatness, but can she handle the pressure? From finding Yang and now

searching for Yin, her life has now become busier than ever and her boss, Lance isn't helping either. Not to mention her secret relationship with her knightly-butler. How long can their relationship stay quiet while her friend Sasha comes for a week long visit. New enemies a rise as Lo'Gan finally makes his move on our next Moon Priestess. Crescent must now fight harder than

ever to claim her throne on Halloween night, but will she make it out a live or will the pressure submerge her completely? Contains explicit content as you read!

Auto Mate

Jules Jones
"No Child of Mine is a hauntingly powerful, equal parts a ghost story and a tale of what we are prepared to do for love."
— Darcy Coates, USA Today bestselling author There's something in

the dark. And it's starting to whisper...
Essie Singh has defined herself by her ambitions, a fiercely independent woman whose only soft spot is her husband, Sanjay. She never imagined herself as a mother. It was never a part of the plan. But then she finds out she's pregnant. As her difficult pregnancy transforms her body and life into something she barely recognizes, her husband

spends the nights pacing in the attic, slowly becoming a stranger, and the house begins to whisper. As Essie's pregnancy progresses, both her and Sanjay's lives are warped by a curse that has haunted her family for generations, leaving a string of fatherless daughters in its wake. When she's put on bedrest, Essie trades the last aspects of her carefully planned life for isolation in

what should be a welcoming home, but she isn't alone. There's something here that means to take everything from her...
Lord and Master Embla Books
 Kiki Swinson's bestselling novels burn with extraordinary characters, triple-down twists—and a raw portrait of Southern life only she can deliver. Now she turns up the heat as a young woman cashes in on a sure thing—only to

find some addictions are always killer . . . Break the rules At first, Misty Heiress just wants to help. With her cousin Jillian in constant pain, and the doctor refusing to prescribe, Misty steals opioids from the Virginia Beach pharmacy where she works. But when Jillian starts reselling them to local dealers and gets big money, Misty grabs an unbelievable opportunity to get out of debt—and fulfill all of her

and Jillian’s dreams . . . Live the dream Misty soon realizes that her boss, Sanjay, has the same idea, ordering more drugs than patients need and always being out of stock. And when the new pharmacy owner takes an interest in Misty, she knows that time is running out for her and Jillian to make their plans work . . . Pay the price But

then the Feds come calling . . . and Sanjay’s mafia partners want to increase orders . . . and Jillian’s bringing in partners to rob the pharmacy. It’s all too much for Misty. It’s only a matter of time before everyone’s plans to make money will have them all paying the ultimate price . . . Praise for Kiki Swinson “A well-crafted plot. Pitch-perfect

dialogue, juicy sexual trysts, cold-blooded betrayal, and ruthless violence mark this suspenseful fast-moving tale that is topped off by a shocking epilogue.”
—Library Journal on The Score (Starred Review) “The suspense never stops in this edgy, violent thriller. Readers will be riveted and ready for more.”
—Booklist on The Mark
