### DALE KIDD

Harper Collins

Brinkley's American History, a comprehensive U.S. History program, transforms the learning experience through proven, adaptive technology helping students better grasp the issues of the past while providing instructors greater insight on student performance. Known for its clear, single voice and balanced scholarship, Brinkley asks students to think historically about the many forces shaping and re-shaping our dynamic history. Connect is the only integrated learning system that empowers students by continuously adapting to deliver precisely what they need, when they need it, and how they need it, so that your class time is more engaging and effective.

America is the leading narrative history because students love to read it. Additional coverage of immigration enhances the timeliness of the narrative. New Chapter Opener videos, History Skills Tutorials, and Norton's adaptive learning tool, InQuizitive, help students develop history skills, engage with the reading, and come to class prepared. What hasn't changed? Our unmatched affordability. Choose from Full, Brief (15% shorter), or The Essential Learning Edition--featuring fewer chapters and additional pedagogy.

[Give Me Liberty! An American History](#) Princeton Review

For the past three decades, many history professors have allowed their biases to distort the way America's past is taught. These intellectuals have searched for instances of racism, sexism, and bigotry in our history while downplaying the greatness of America's patriots and the achievements of "dead white men." As a result, more emphasis is placed on Harriet Tubman than on George Washington; more about the internment of Japanese Americans during World War II than about D-Day or Iwo Jima; more on the dangers we faced from Joseph McCarthy than those we faced from Josef Stalin. A Patriot's History of the United States corrects those doctrinaire biases. In this groundbreaking book, America's discovery, founding, and development are reexamined with an appreciation for the elements of public virtue, personal liberty, and private property that make this nation uniquely successful. This book offers a long-overdue acknowledgment of America's true and proud history.

Examines the causes of the financial crisis that began in 2008 and reveals the weaknesses found in financial regulation, excessive borrowing, and breaches in accountability.

[American History](#) Perfection Learning

"My favorite historical novel . . . a superb re-creation of the Battle of Gettysburg, but its real importance is its insight into what the war was about, and what it meant."—James M. McPherson In the four most bloody and courageous days of our nation's history, two armies fought for two conflicting dreams. One dreamed of freedom, the other of a way of life. Far more than rifles and bullets were carried into battle. There were memories. There were promises. There was love. And far more than men fell on those Pennsylvania fields. Bright futures, untested innocence, and pristine beauty were also the casualties of war. Michael Shaara's Pulitzer Prize-winning masterpiece is unique, sweeping, unforgettable—the dramatic story of the battleground for America's destiny.

**America: A Narrative History (Ninth Edition)** The Capitol Net Inc

AP U.S. History Premium Prep, 2021, previously titled *Cracking the AP U.S. History Exam, Premium Edition*, provides students with an in-depth review of key terms and concepts organized by time period, including the seventeenth and eighteenth centuries, the creation of government and early democracy, the Civil War and Reconstruction, the Machine Age, the early twentieth century, post-World War America, and more. It also includes winning strategies to help students crack the multiple-choice section and detailed coverage of both essay types-DBQ (document-based question) and free-response. This Premium edition includes 6 total full-length practice tests (4 in the book and 2 online), including one brand-new exam created for this edition

*U.S. History* Princeton Review

An intersectional history of the shared struggle for African American and Latinx civil rights. Spanning more than two hundred years, *An African American and Latinx History of the United States* is a revolutionary, politically charged narrative history, arguing that the "Global South" was crucial to the development of America as we know it. Scholar and activist Paul Ortiz challenges the notion of westward progress as exalted by widely taught formulations like "manifest destiny" and "Jacksonian democracy," and shows how placing African American, Latinx, and Indigenous voices unapologetically front and center transforms US history into one of the working class organizing against imperialism. Drawing on rich narratives and primary source documents, Ortiz links racial segregation in the Southwest and the rise and violent fall of a powerful tradition of Mexican labor organizing in the twentieth century, to May 1, 2006, known as International Workers' Day, when migrant laborers—Chicana/os, Afrocubanos, and immigrants from every continent on earth—united in resistance on the first "Day Without Immigrants." As African American civil rights activists fought Jim Crow laws and Mexican labor organizers warred against the suffocating grip of capitalism, Black and Spanish-language newspapers, abolitionists, and Latin American revolutionaries coalesced around movements built between people from the United States and people from Central America and the Caribbean. In stark contrast to the resurgence of "America First" rhetoric, Black and Latinx intellectuals and organizers today have historically urged the United States to build bridges of solidarity with the nations of the Americas. Incisive and timely, this bottom-up history, told from the interconnected vantage points of Latinx and African Americans, reveals the

radically different ways that people of the diaspora have addressed issues still plaguing the United States today, and it offers a way forward in the continued struggle for universal civil rights. 2018 Winner of the PEN Oakland/Josephine Miles Literary Award

*AP Us Hist 2016* W. W. Norton

Published by OpenStax College, U.S. History covers the breadth of the chronological history of the United States and also provides the necessary depth to ensure the course is manageable for instructors and students alike. U.S. History is designed to meet the scope and sequence requirements of most courses. The authors introduce key forces and major developments that together form the American experience, with particular attention paid to considering issues of race, class and gender. The text provides a balanced approach to U.S. history, considering the people, events and ideas that have shaped the United States from both the top down (politics, economics, diplomacy) and bottom up (eyewitness accounts, lived experience).
