*Understanding and Addressing Commuter Student Needs* DIANE  
 Publishing  
 Since it was first published in 1980, *Student Services: A Handbook*  
 for the Profession has become a classic reference in the field. In  
 the fourth edition of this important resource the contributors'—a  
 stellar panel of student affairs scholars—examine the changing  
 context of the student experience in higher education, the  
 evolution of the role of student affairs professionals, and the  
 philosophies, ethics, and theories that guide the practice of  
 student affairs work. Comprehensive in scope, this book covers a  
 broad range of relevant topics including the development of  
 student affairs, legal and ethical foundations of student affairs  
 practice, student development, learning and retention theories,  
 organizational theory, dynamics of campus environments,  
 strategic planning and finance, information technology in student  
 affairs, managing human resources, multiculturalism, teaching,  
 counseling and helping skills, assessment and evaluation, and  
 new lessons from research on student outcomes.

**Student Services** John Wiley & Sons  
 TCRP Report 87: Strategies for Increasing the Effectiveness of  
 Commuter Benefits Programs will be of interest to transportation  
 agencies, such as transit providers, metropolitan planning  
 organizations, and transportation management associations, that  
 want to increase the effectiveness of their commuter benefits and  
 related outreach programs. The report is designed to help  
 transportation agencies improve their commuter benefits

offerings to better meet employer needs and increase  
 participation through more effective marketing.

 RailCommuter Rail Issues Should Be Considered in Debate Over

Amtrak

Despite representing a majority of the college student population,  
 a surprising lack of research has focused on the unique issues and  
 needs of commuter students. This volume reviews the  
 contemporary research and thinking about commuters. Topics  
 include: • theoretical perspectives and discussions of foremost  
 topics and issues, • specific examples for applying contemporary  
 research with students of color, students with disabilities, and  
 online students, • perspectives for immediate work and strategic  
 planning, and • practical applications, recommendations, and  
 suggestions for supporting commuter students. The volume has  
 four major sections: theory, profiles and issues, support and  
 services, and general applications. This is the 150th volume of  
 this Jossey-Bass higher education quarterly series. An  
 indispensable resource for vice presidents of student affairs,  
 deans of students, student counselors, and other student services  
 professionals, *New Directions for Student Services* offers  
 guidelines and programs for aiding students in their total  
 development: emotional, social, physical, and intellectual.

### Commuter Rail Issues Should Be Considered in Debate Over Amtrak

John Wiley & Sons  
 Features information on the commuter services provided by  
 Spectrumotion, a nationally recognized private, nonprofit  
 Transportation Management Association (TMA) formed to reduce  
 congestion in the Irvine Spectrum area of California. Discusses  
 alternatives to driving alone, including carpooling, vanpooling,  
 public transit, walking, bicycling, and telecommuting.

*1999 : Updated for Year-end* Nova Publishers  
 Commuter rail agencies provide mobility to millions of people  
 across the country, often using Amtrak infrastructure and  
 services. Given these interactions, an abrupt Amtrak cessation  
 could have a significant impact on commuter rail operations.  
 Amtrak's chronic financial problems and recent budget proposals  
 make such cessation possibility. This book was asked to  
 examine:(1) The extent to which commuter rail agencies rely on  
 Amtrak for access to infrastructure and services,(2) Issues that  
 commuter rail agencies would face if Amtrak abruptly ceased to  
 provide them with services and infrastructure access, and(3) The  
 options available to commuter rail agencies should Amtrak  
 abruptly cease to provide those services and infrastructure  
 access.

*Hearings Before the District Columbia Committee and the Ad Hoc  
 Subcommittee Of..., 93-2, June 27, and July 10, 1974*

Carpool, vanpool, and custom bus service to three employers

outside the Minneapolis/St. Paul central business districts.
