The Real Story Dial Press
 Drawing on previously unavailable material and never-before-opened archives, *An Unfinished Life* is packed with revelations large and small -- about JFK's health, his love affairs, RFK's appointment as Attorney General, what Joseph Kennedy did to help his son win the White House, and the path JFK would have taken in the Vietnam entanglement had he survived. Robert Dallek succeeds as no other biographer has done in striking a critical balance -- never shying away from JFK's weaknesses, brilliantly exploring his

strengths -- as he offers up a vivid portrait of a bold, brave, complex, heroic, human Kennedy.

A Novel Random House Trade Paperbacks
 "We appreciate Roger Stone, he is one tough cookie." - President Trump
 The sensational New York Times bestseller, now in paperback. Find out how and why LBJ had JFK assassinated. *The Man Who Killed Kennedy: The Case Against LBJ* hit the New York Times bestseller list the week of the 50th Anniversary of the assassination of President John F. Kennedy. Consummate political insider Roger Stone makes a compelling case that Lyndon Baines Johnson had the motive, means, and opportunity to orchestrate the murder of JFK. Stone maps out the case that LBJ blackmailed his way on the ticket

in 1960 and was being dumped in 1964 to face prosecution for corruption at the hands of his nemesis attorney Robert Kennedy. Stone uses fingerprint evidence and testimony to prove JFK was shot by a long-time LBJ hit man—not Lee Harvey Oswald. President Johnson would use power from his personal connections in Texas, from the criminal underworld, and from the United States government to escape an untimely end in politics and to seize even greater power. President Johnson, the thirty-sixth president of the United States, was the driving force behind a conspiracy to murder President Kennedy on November 22, 1963. In *The Man Who Killed Kennedy*, you will find out how and why he did it. Legendary political operative and strategist Roger Stone has

gathered documents and uses his firsthand knowledge to construct the ultimate tome to prove that LBJ was not only involved in JFK's assassination, but was in fact the mastermind. Skyhorse Publishing, as well as our Arcade imprint, are proud to publish a broad range of books for readers interested in history--books about World War II, the Third Reich, Hitler and his henchmen, the JFK assassination, conspiracies, the American Civil War, the American Revolution, gladiators, Vikings, ancient Rome, medieval times, the old West, and much more. While not every title we publish becomes a national bestseller, we are committed to books on subjects that are sometimes overlooked and to authors whose work might not otherwise find a home.

Chesapeake Twelve

"A multilayered, inspiring portrait of RFK . . . [the] most in-depth look at an extraordinary figure whose transformational story shaped America."—Joe Scarborough, *The Washington Post* **NEW YORK TIMES BESTSELLER** • Soon to be a Hulu original series starring Chris Pine. Larry Tye appears on CNN's *American Dynasties: The Kennedys*. "We are in Larry Tye's debt for bringing back to life the young presidential candidate who . . . almost half a century ago, instilled hope for the future in angry, fearful Americans."—David Nasaw, *The New York Times Book Review* Bare-knuckle operative, cynical White House insider, romantic visionary—Robert F. Kennedy was all of these things at one time or another, and each of these aspects of his personality emerges in the pages of this powerful and perceptive biography. History remembers RFK as a racial healer, a tribune for the poor, and the last progressive knight of a bygone era of American politics. But Kennedy's enshrinement in the liberal pantheon was actually the final stage of a journey that began with his service as counsel to the red-baiting senator Joseph McCarthy. In *Bobby Kennedy*, Larry Tye peels away layers of myth and misconception to capture the full arc of his subject's life. Tye draws on unpublished memoirs, unreleased government files, and fifty-eight boxes of papers that had been under lock and key for forty years. He conducted hundreds of interviews with RFK intimates, many of whom have never spoken publicly, including Bobby's widow, Ethel, and his sister, Jean. Tye's determination to sift through the tangle of often contradictory opinions means that Bobby Kennedy will stand as the definitive biography about the most complex and

controversial member of the Kennedy family. Praise for Bobby Kennedy "A compelling story of how idealism can be cultivated and liberalism learned . . . Tye does an exemplary job of capturing not just the chronology of Bobby's life, but also the sense of him as a person."—*Los Angeles Review of Books* "Captures RFK's rise and fall with straightforward prose bolstered by impressive research."—*USA Today* "[Tye] has a keen gift for narrative storytelling and an ability to depict his subject with almost novelistic emotional detail."—Michiko Kakutani, *The New York Times* "Nuanced and thorough . . . [RFK's] vision echoes through the decades."—*The Economist*

Kennedy's Avenger Little, Brown

The *New York Times* bestselling and extraordinary true story of the critical events leading up to and following the assassination of President John F. Kennedy, as told by the Secret Service agents who were firsthand witnesses to one of America's greatest tragedies. The Secret Service. An elite team of men who share a single mission: to protect the president of the United States. On November 22, 1963, these men failed—and a country would never be the same. Now, for the first time, a member of JFK's Secret Service detail reveals the inside story of the assassination, the weeks and days that led to it and its heartrending aftermath. This extraordinary book is a moving, intimate portrait of dedication, courage, and loss. Drawing on the memories of his fellow agents, Jerry Blaine captures the energetic, crowd-loving young president, who banned agents from his car and often plunged into raucous crowds with little warning. He describes the careful planning that went into JFK's Texas swing, the worries and concerns that agents, working long hours with little food or rest, had during the trip. And he describes the intensely private first lady making her first-ever political appearance with her husband, just months after losing a newborn baby. Here are vivid scenes that could come only from inside the Kennedy detail: JFK's last words to his tearful son when he left Washington for the last time; how a sudden change of weather led to the choice of the open-air convertible limousine that day; Mrs. Kennedy standing blood-soaked outside a Dallas hospital room; the sudden interruption of six-year-old Caroline's long-anticipated sleepover with a friend at home; the exhausted team of agents immediately reacting to the president's death with a shift to LBJ and other key governmental figures; the agents' dismay at Jackie's decision to walk openly from

the White House to St. Matthew's Cathedral at the state funeral. Most of all, this is a look into the lives of men who devoted their entire beings to protecting the presidential family: the stress of the secrecy they kept, the emotional bonds that developed, the terrible impact on agents' psyches and families, and their astonishment at the country's obsession with far-fetched conspiracy theories and finger-pointing. A book fifty years in coming, *The Kennedy Detail* is a portrait of incredible camaraderie and incredible heartbreak—a true, must-read story of heroism in its most complex and human form.

Constitutionalism and the Rule of Law Macmillan

The best-selling author of *The Commission: The Uncensored History of the 9/11 Investigation* offers a groundbreaking new history of the Kennedy assassination.

The Case Against LBJ Harvard University Press

A Kirkus Best Book of 2013 A revelatory, minute-by-minute account of JFK's last hundred days that asks what might have been Fifty years after his death, President John F. Kennedy's legend endures. Noted author and historian Thurston Clarke argues that the heart of that legend is what might have been. As we approach the anniversary of Kennedy's assassination, JFK's Last Hundred Days reexamines the last months of the president's life to show a man in the midst of great change, finally on the cusp of making good on his extraordinary promise. Kennedy's last hundred days began just after the death of two-day-old Patrick Kennedy, and during this time, the president made strides in the Cold War, civil rights, Vietnam, and his personal life. While Jackie was recuperating, the premature infant and his father were flown to Boston for Patrick's treatment. Kennedy was holding his son's hand when Patrick died on August 9, 1963. The loss of his son convinced Kennedy to work harder as a husband and father, and there is ample evidence that he suspended his notorious philandering during these last months of his life. Also in these months Kennedy finally came to view civil rights as a moral as well as a political issue, and after the March on Washington, he appreciated the power of Reverend Martin Luther King, Jr., for the first time. Though he is often depicted as a devout cold warrior, Kennedy pushed through his proudest legislative achievement in this period, the Limited Test Ban Treaty. This success, combined with his warming relations with Nikita Khrushchev in the wake of the

Cuban missile crisis, led to a détente that British foreign secretary Sir Alec Douglas-Home hailed as the "beginning of the end of the Cold War." Throughout his presidency, Kennedy challenged demands from his advisers and the Pentagon to escalate America's involvement in Vietnam. Kennedy began a reappraisal in the last hundred days that would have led to the withdrawal of all sixteen thousand U.S. military advisers by 1965. JFK's Last Hundred Days is a gripping account that weaves together Kennedy's public and private lives, explains why the grief following his assassination has endured so long, and solves the most tantalizing Kennedy mystery of all—not who killed him but who he was when he was killed, and where he would have led us.

The End of Camelot Diversion Books
Suggests that John F. Kennedy was assassinated because military leaders feared his dedication to peace would result in the United States falling to Russia *Blood, Money, & Power* Scholastic Inc. On two consecutive days in June 1963, in two lyrical speeches, John F. Kennedy pivots dramatically and boldly on the two greatest issues of his time: nuclear arms and civil rights. In language unheard in lily white, Cold War America, he appeals to Americans to see both the Russians and the "Negroes" as human beings. His speech on June 10 leads to the Limited Nuclear Test Ban Treaty of 1963; his speech on June 11 to the Civil Rights Act of 1964. Based on new material -- hours of recently uncovered documentary film shot in the White House and the Justice Department, fresh interviews, and a rediscovered draft speech -- Two Days in June captures Kennedy at the high noon of his presidency in startling, granular detail which biographer Sally Bedell Smith calls "a seamless and riveting narrative, beautifully written, weaving together the consequential and the quotidian, with verve and authority." Moment by moment, JFK's feverish forty-eight hours unspools in cinematic clarity as he addresses "peace and freedom." In the tick-tock of the American presidency, we see Kennedy facing down George Wallace over the integration of the University of Alabama, talking obsessively about sex and politics at a dinner party in Georgetown, recoiling at a newspaper photograph of a burning monk in Saigon, planning a secret diplomatic mission to Indonesia, and reeling from the midnight murder of Medgar Evers. There were 1,036 days in the presidency of John F. Kennedy. This is the story of two of them.

The Death of a President Sourcebooks Incorporated Media Fusion

The Memoirs of John F. Kennedy: A Novel brings to life the tantalizing possibilities of "what might have been" had JFK remained president after November 22, 1963. This book imagines an America where progressive leadership takes hold during the 1960s, where President Kennedy, after a grueling fight for his life in a Dallas hospital, survives his chest wounds and returns to the presidency. He is elected for a second term. He does not mount a ground war in Vietnam. Foreign relations with Cuba, the Soviet Union, South America, and our allies and adversaries around the world follow a very different path. This novel interweaves a two-track story. One takes place in 1963 at Parkland Medical Center and follows Attorney General Robert F. Kennedy, Jackie Kennedy, Lyndon Johnson and J. Edgar Hoover as they cope with the explosive events of the assassination attempt while the wounded president hovers near death. The other more lighthearted fictional story-line unfolds through the eyes of Patrick Hennessey, the memoirist appointed by JFK during the approaching end of his second term in 1968. Through in-depth talks at the White House, Camp David, Hyannisport, on Air Force One, and golfing on Kennedy's private course at Glen Ora, Patrick gets to know the president as he reviews his decisions regarding the difficult path toward a peaceful resolution of world crises. This well researched alternate history will strike a chord with readers worldwide—those fascinated with the Kennedy mystique and those interested in the potential for politics to be "done right" during challenging times. Considering the current period—and the 50th anniversary of JFK's election—re-imagining a more positive past may enable us to collectively envision a more enlightened future.

The Man Who Killed Kennedy Rowman & Littlefield Publishers

Rule of law and constitutionalist ideals are understood by many, if not most, as necessary to create a just political order. Defying the traditional division between normative and positive theoretical approaches, this book explores how political reality on the one hand, and constitutional ideals on the other, mutually inform and influence each other. Seventeen chapters from leading international scholars cover a diverse range of topics and case studies to test the hypothesis that the best normative theories, including those regarding the role of constitutions, constitutionalism and the rule of law, conceive of the ideal and the real as mutually regulating.

An Unfinished Life Bloomsbury

Publishing USA

What if Kennedy were not killed that fateful day? What would the 1964 campaign have looked like? Would changes have been made to the ticket? How would Kennedy, in his second term, have approached Vietnam, civil rights, the Cold War? With Hoover as an enemy, would his indiscreet private life finally have become public? Would his health issues have become so severe as to literally cripple his presidency? And what small turns of fate in the days and years before Dallas might have kept him from ever reaching the White House in the first place? The answers Greenfield provides and the scenarios he develops are startlingly realistic, rich in detail, shocking in their projections, but always deeply, remarkably plausible. If *Kennedy Lived* is a tour de force of American history from one of the country's most brilliant and illuminating political commentators.

The Memoirs of John F. Kennedy: A Novel Simon and Schuster

A riveting historical narrative of the shocking events surrounding the assassination of John F. Kennedy, and the follow-up to mega-bestselling author Bill O'Reilly's *Killing Lincoln* More than a million readers have thrilled to Bill O'Reilly's *Killing Lincoln*, the page-turning work of nonfiction about the shocking assassination that changed the course of American history. Now the iconic anchor of *The O'Reilly Factor* recounts in gripping detail the brutal murder of John Fitzgerald Kennedy—and how a sequence of gunshots on a Dallas afternoon not only killed a beloved president but also sent the nation into the cataclysmic division of the Vietnam War and its culture-changing aftermath. In January 1961, as the Cold War escalates, John F. Kennedy struggles to contain the growth of Communism while he learns the hardships, solitude, and temptations of what it means to be president of the United States. Along the way he acquires a number of formidable enemies, among them Soviet leader Nikita Khrushchev, Cuban dictator Fidel Castro, and Allen Dulles, director of the Central Intelligence Agency. In addition, powerful elements of organized crime have begun to talk about targeting the president and his brother, Attorney General Robert Kennedy. In the midst of a 1963 campaign trip to Texas, Kennedy is gunned down by an erratic young drifter named Lee Harvey Oswald. The former Marine Corps sharpshooter escapes the scene, only to be caught and shot dead while in police custody. The events leading up to the most notorious crime of the twentieth century are almost as shocking as the

assassination itself. Killing Kennedy chronicles both the heroism and deceit of Camelot, bringing history to life in ways that will profoundly move the reader. This may well be the most talked about book of the year.

Bobby Kennedy Simon and Schuster

This is a book about Courage and Patriotism. It tells the dramatic stories of a number of American politicians of various political and regional allegiances whose one overriding loyalty was to the United States and to the right as God gave them to see it. They range from born aristocrats to self-made men. Some are well-known, some almost forgotten. But all of them, in the face of dreadful consequences, exhibited a special kind of greatness. These stories about them remind us sharply that there is, in addition to a courage with which men die, a courage by which men must live. —Print Ed.

Profiles In Courage Harlequin

The Virtual JFK DVD is now available! For more information on the film companion to the book, visit <http://www.virtualjfk.com/> It Matters Who Is President—Then and Now At the heart of this provocative book lies the fundamental question: Does it matter who is president on issues of war and peace? The Vietnam War was one of the most catastrophic and bloody in living memory, and its lessons take on resonance in light of America's current devastating involvement in Iraq. Tackling head-on the most controversial and debated "what if" in U.S. foreign policy, this unique work explores what President John F. Kennedy would have done in Vietnam if he had not been assassinated in 1963. Drawing on a wealth of recently declassified documents, frank oral testimony of White House officials from both the Kennedy and Johnson administrations, and the analysis of top historians, this book presents compelling evidence that JFK was ready to end U.S. involvement well before the conflict escalated. With vivid immediacy, readers will feel they are in the president's war room as the debates raged that forever changed the course of American history—and continue to affect us profoundly today as the shadows of Vietnam stretch into Iraq.

The First and Second Terms of President John F. Kennedy: an Alternate History Signal

Shares an assessment of Kennedy's administration as it might have evolved had he not been assassinated, covering such topics as the 1964 campaign, his private life issues, and his approaches to Vietnam, civil rights, and the Cold War.

Killing Kennedy Penguin

A breathtaking and dramatic account of the JFK assassination by the NEW YORK TIMES bestselling author of CHASING LINCOLN'S KILLER! In his new young-adult book on the Kennedy assassination, James Swanson will transport readers back to one of the most shocking, sad, and terrifying events in American history. As he did in his bestselling Scholastic YA book, CHASING LINCOLN'S KILLER, Swanson will deploy his signature "you are there" style -- a riveting, ticking-clock pace, with an unprecedented eye for dramatic details and impeccable historical accuracy -- to tell the story of the JFK assassination as it has never been told before. The book will be illustrated with archival photos, and will have diagrams, source notes, bibliography, places to visit, and an index.

The Assassination That Defined a Generation Hourly History

What if Kennedy survived Dallas? President John F. Kennedy has lived through the ambush in Dealey Plaza. America holds its collective breath, seeing its president nearly executed in broad daylight. But as the country marches on, the office of the President finds itself under a much more insidious type of fire. Political scandal, an endless war, and a country coming apart at the seams take the 1960's in a terrifying new direction, and both John and his attorney-general brother, Bobby, struggle to stay ahead of their enemies, political and otherwise, and steer America toward a greater future. Bryce Zabel is a master of the cover-up and the conspiracy, creating the Emmy-award winning series DARK SKIES. SURROUNDED BY ENEMIES is the first novel in the new Breakpoint series—each book exploring seminal moments in popular history and taking readers on a journey into a mirror world where events are both unexpected yet startlingly believable. This savvy, fiercely intelligent novel, perfect for readers of Harry Turtledove, brings together elements of political thriller and page-turning history, enthralling readers with a sharply written take on the America that was, and the America that could have been. WINNER OF THE 2013 SIDEWISE AWARD FOR ALTERNATE HISTORY "I have some experience with shattered timelines and altered realities but this one kept me guessing every page."—Damon Lindelof, writer/producer of LOST, STAR TREK INTO DARKNESS "Plausible development, building from what we know about what really did go on, and a whacking good story...SURROUNDED BY ENEMIES delivers on both, big-time. So hold on to your hats, folks. You're in for quite a ride."—Harry

Turtledove, alternative history author, HOW FEW REMAIN

Robert Kennedy Castlefin Press LLC

William Manchester's epic and definitive account of President John F. Kennedy's assassination--now restored to print in a new paperback edition. As the world still reeled from the tragic and historic events of November 22, 1963, William Manchester set out, at the request of the Kennedy family, to create a detailed, authoritative record of the days immediately preceding and following President John F. Kennedy's death.

Through hundreds of interviews, abundant travel and firsthand observation, and with unique access to the proceedings of the Warren Commission, Manchester conducted an exhaustive historical investigation, accumulating forty-five volumes of documents, exhibits, and transcribed tapes. His ultimate objective -- to set down as a whole the national and personal tragedy that was JFK's assassination -- is brilliantly achieved in this galvanizing narrative, a book universally acclaimed as a landmark work of modern history.

Coming of Age in the American Century, 1917-1956 Vintage

What if Lee Harvey Oswald's bullet had missed on that fateful day in Dallas? What if John F. Kennedy had lived to run again in 1964? Find out the answers in All the Way with JFK, which details a history far different than the one we know. Learn what happens when an investigation into the assassination attempt uncovers a direct link between Oswald and Castro's Cuba. A revelation that sets off an international crisis which brings the super powers to the brink of World War III yet again as American forces prepare to invade Cuba while Moscow plots a countermove. Meanwhile racial tensions rise as Black Americans demand their equal rights under the Constitution and an end to segregation as those determined to forever deny them vow to fight a second Civil War. And all the while, Texas oilmen conspire to bring down John F. Kennedy before he can win a second term by exposing his most hidden secrets, including an affair with an East German spy. All the Way with JFK is alternate history at its best and a thriller filled with twists and turns, including the shocking finale where it is revealed just who was really pulling Oswald's strings. For those who love alternate history stories, All the Way with JFK is a must read as it lays out a counterfactual 1960's, where John F. Kennedy returned from that trip to Texas in November of 1963 alive. Told through the eyes of individuals swept up in events

where the history of Vietnam, Cuba, the struggle for Civil Rights, and the Cold War itself is far different than the one we know. Go into the Oval Office and the basement of the White House, the halls of Capital Hill and DC's finest restaurants, Dallas strip clubs and luxury hotel suites, the backrooms of the Kremlin and a Cuban sugar plantation, the Governor's mansion in Alabama and a barbeque joint in Louisiana, where men and women of both good and very bad will make history. And

all with a cast of characters straight out of the six o'clock news: Bobby Kennedy, Lyndon Johnson, Barry Goldwater, Richard Nixon, Martin Luther King, George Wallace, Howard Hughes, Jimmy Hoffa, Chou En Lai, Nikita Khrushchev, Curtis LeMay, Robert MacNamara, Carlos Marcello, Santos Trafficante, Jackie Kennedy, Leonid Brezhnev, Hubert Humphrey, Richard Russell, The Beatles, James Eastland, Ronald Reagan, H.L. Hunt, and a cameo by Angie Dickenson, along with appearances by John Wayne, Stanley Kubrick and Sam

Peckinpah. Towering over them all is John F. Kennedy himself, a master politician and very fallible man.

JFK's Last Hundred Days Pickle Partners Publishing

An all-encompassing analysis of the assassination of JFK and its surrounding conspiracy theories draws on forensic evidence, key witness testimonies, and other sources to explain what really happened and why conspiracy theories have become so popularized.
