MATHEWS SNYDER

Trusting Ourselves to Raise Good Kids Macmillan

A story about being your truest self—and trusting your truest friends—from bestselling author Terri Libenson. Perfect for fans of Raina Telgemeier and Shannon Hale. Cliques. Crushes. Comics. Middle school. Ever since Tyler

started getting into art and hanging out with Emmie, his friends and teammates have been giving him a hard time. He wonders why can't he nerd out on drawing and play ball? Emmie is psyched that she gets to work on a comics project with her crush, Tyler. But she gets the feeling that his friends don't think she's cool enough. Maybe it's time for a total reinvention. . . . Don't miss the rest of the

Emmie & Friends series: Invisible Emmie, Positively Izzy, Just Jaime, Becoming Brianna, and You-Niquely You: An Emmie & Friends Interactive Journal!

The Tea Party in the Woods Scholastic Inc.

Catrina and her family have moved to the coast of Northern California for the sake of her little sister, Maya, who has cystic fibrosis--and Cat is even less happy about the move when she is told that her new home is

haunted, and Maya sets her heart on meeting a ghost.

Ghosts HarperCollins

Tensors, matrices, symmetry, and structure-property relationships form the main subjects of the book. While tensors and matrices provide the mathematical framework for understanding anisotropy, on which the physical and chemical properties of crystals and textured materials often depend, atomistic arguments are also needed to qualify the property coefficients in

various directions. The atomistic arguments are partly based on symmetry and partly on the basic physics and chemistry of materials.

Six original one-act plays for middle graders written by six Newbery winning authors.

The Bad Guys in Attack of the Zittens (The Bad Guys #4) HarperCollins

Raina Telgemeier's #1

New York Times

bestselling, Eisner Award-winning companion to

Smile! Raina can't wait to be a big sister. But once

Amara is born, things aren't quite how she expected them to be.

Amara is cute, but she's also a cranky, grouchy baby, and mostly prefers

to play by herself. Their relationship doesn't

improve much over the years, but when a baby

brother enters the picture and later, something

doesn't seem right between their parents,

they realize they must figure out how to get along. They are sisters, after all. Raina uses her signature humor and charm in both present-day narrative and perfectly placed flashbacks to tell the story of her relationship with her sister, which unfolds during the course of a road trip from their home in San Francisco to a family reunion in Colorado.

History of a Pleasure Seeker Houghton Mifflin Harcourt
From Raina Telgemeier,

the #1 New York Times bestselling, multiple Eisner Award-winning author of *Smile* and *Sisters!* Callie loves theater. And while she would totally try out for her middle school's production of *Moon over Mississippi*, she can't really sing. Instead she's the set designer for the drama department's stage crew, and this year she's determined to create a set worthy of Broadway on a middle-school budget. But how can she, when she doesn't know much about

carpentry, ticket sales are down, and the crew members are having trouble working together? Not to mention the onstage AND offstage drama that occurs once the actors are chosen. And when two cute brothers enter the picture, things get even crazier!

 Abandon your insecurities. Trust your instincts. Enjoy raising a happy, considerate child.
 SMART CHILDREARING
 SENSE FROM THE
 FOUNDING EDITOR-IN-CHIEF OF BABBLE.COM
 What's the right way to parent? Any playground or online message board will supply as many opinions as there are adults. Every subject—from sleep training to time-outs to pacifiers—has its supporters and detractors, and every

viewpoint can be backed up by a truckload of research and statistics. It's enough to reduce any new parent to tears, but you can end the madness. Ada Calhoun—a young mother as well as the founding editor-in-chief of Babble .com—provides a complete and completely reassuring guide that will calm your fears and make those precious early years a source of joy. Her simple yet profound advice: find what works for you and your family and ditch the anxiety and judgment. Despite what

other parenting books—and other parents—might have you believe, there is no universal “best.” Whether you start solids at four months or eight, whether you co-sleep or Ferberize, whether Junior's mac 'n' cheese is Day-Glo orange or 100 percent organic is not nearly as important as providing the few absolute essentials (love, food, shelter) while teaching your little one how to be a kind, responsible human being. With its compelling mixture of entertaining,

hilarious firsthand accounts and refreshing common sense, *Instinctive Parenting* will show you how to do that—and even show you how to retain your sanity, your friends, your sense of humor, and your personal life in the process.

Ghostopolis Graphix
From the acclaimed author of *The Drowning People* (“A literary sensation” —The New York Times Book Review) and *Natural Elements* (“A magnum opus” —The New Yorker), an opulent,

romantic coming-of-age drama set at the height of Europe’s belle époque, written in the grand tradition with a lightness of touch that is wholly modern and original. The novel opens in Amsterdam at the turn of the last century. It moves to New York at the time of the 1907 financial crisis and proceeds onboard a luxury liner headed for Cape Town. It is about a young man—Piet Barol—with an instinctive appreciation for pleasure and a gift for finding it. Piet’s father is an austere

administrator at Holland’s oldest university. His mother, a singing teacher, has died—but not before giving him a thorough grounding in the arts of charm. Piet applies for a job as tutor to the troubled son of Europe’s leading hotelier: a child who refuses to leave his family’s mansion on Amsterdam’s grandest canal. As the young man enters this glittering world, he learns its secrets—and soon, quietly, steadily, finds his life transformed as he in turn transforms the lives

of those around him. *History of a Pleasure Seeker* is a brilliantly written portrait of the senses, a novel about pleasure and those who are in search of it; those who embrace it, luxuriate in it, need it; and those who deprive themselves of it as they do those they love. It is a book that will beguile and transport you—to another world, another time, another state of being.

A Marvel Heroines Novel
Scholastic Inc.

Raina wakes up one night with a terrible upset

stomach. Her mom has one, too, so it's probably just a bug. Raina eventually returns to school, where she's dealing with the usual highs and lows: friends, not-friends, and classmates who think the school year is just one long gross-out session. It soon becomes clear that Raina's tummy trouble isn't going away... and it coincides with her worries about food, school, and changing friendships. What's going on? Raina Telgemeier once again brings us a thoughtful,

charming, and funny true story about growing up and gathering the courage to face and conquer your fears.

[Jupiter's Legacy: Requiem #1 \(of 5\)](#) Penguin

With contributions by: Eti Berland, Rebecca A. Brown, Christiane Buuck, Joanna C. Davis-McElligatt, Rachel Dean-Ruzicka, Karly Marie Grice, Mary Beth Hines, Krystal Howard, Aaron Kashtan, Michael L. Kersulov, Catherine Kyle, David E. Low, Anuja Madan, Meghann Meeusen, Rachel L.

Rickard Rebellino, Rebecca Rupert, Cathy Ryan, Joe Sutliff Sanders, Joseph Michael Sommers, Marni Stanley, Gwen Athene Tarbox, Sarah Thaller, Annette Wannamaker, and Lance Weldy. One of the most significant transformations in literature for children and young adults during the last twenty years has been the resurgence of comics. Educators and librarians extol the benefits of comics reading, and increasingly, children's and YA comics

and comics hybrids have won major prizes, including the Printz Award and the National Book Award. Despite the popularity and influence of children's and YA graphic novels, the genre has not received adequate scholarly attention. *Graphic Novels for Children and Young Adults* is the first book to offer a critical examination of children's and YA comics. The anthology is divided into five sections, structure and narration; transmedia; pedagogy;

gender and sexuality; and identity, that reflect crucial issues and recurring topics in comics scholarship during the twenty-first century. The contributors are likewise drawn from a diverse array of disciplines-- English, education, library science, and fine arts. Collectively, they analyze a variety of contemporary comics, including such highly popular series as *Diary of a Wimpy Kid* and *Lumberjanes*; Eisner award-winning graphic novels by Gene Luen Yang, Nate Powell, Mariko

Tamaki, and Jillian Tamaki; as well as volumes frequently challenged for use in secondary classrooms, such as Raina Telgemeier's *Drama* and Sherman Alexie's *The Absolutely True Diary of a Part-Time Indian*. *Sisters: A Graphic Novel* Kids Can Press Ltd A brand-new full-color graphic novel adapted by USA Today bestselling author Gale Galligan! *Ever the Hunted* Knopf Books for Young Readers A debut YA novel-in-verse by Amber McBride, Me

(Moth) is about a teen girl who is grieving the deaths of her family, and a teen boy who crosses her path. Moth has lost her family in an accident. Though she lives with her aunt, she feels alone and uprooted. Until she meets Sani, a boy who is also searching for his roots. If he knows more about where he comes from, maybe he'll be able to understand his ongoing depression. And if Moth can help him feel grounded, then perhaps she too will discover the history she carries in her bones. Moth and Sani take

a road trip that has them chasing ghosts and searching for ancestors. The way each moves forward is surprising, powerful, and unforgettable. Here is an exquisite and uplifting novel about identity, first love, and the ways that our memories and our roots steer us through the universe. *Truly Tyler* Xlibris Corporation Laney Keating's senior year of high school sucked. It began with one moment of weakness, one stupid gesture for a

hopeless crush. Then the rumors started. Slut, they called her. Queer. Pillhead. Psycho. Mentally ill, messed up, so messed up even her own mom decided she wasn't worth sticking around for.

Drama (Spanish Edition)

Simon and Schuster

This is how a family keeps a secret...and how that secret ends up keeping them. This is how a family lives happily ever after...until happily ever after becomes complicated. This is how children change...and then change the world.

When Rosie and Penn and their four boys welcome the newest member of their family, no one is surprised it's another baby boy. At least their large, loving, chaotic family knows what to expect. But Claude is not like his brothers. One day he puts on a dress and refuses to take it off. He wants to bring a purse to kindergarten. He wants hair long enough to sit on. When he grows up, Claude says, he wants to be a girl. Rosie and Penn aren't panicked at first. Kids go through phases,

after all, and make-believe is fun. But soon the entire family is keeping Claude's secret. Until one day it explodes. Laurie Frankel's *This Is How It Always Is* is a novel about revelations, transformations, fairy tales, and family. And it's about the ways this is how it always is: Change is always hard and miraculous and hard again; parenting is always a leap into the unknown with crossed fingers and full hearts; children grow but not always according to plan. And families with

secrets don't get to keep them forever.

Acting Out Simon and Schuster

Is your knowledge of The Crusades less than tip-top? Maybe you're curious about Columbus, or you're desperate to read about the Black Death in all its gory detail? Whatever your starting point, this expert guide has it all - from kings, knights and anti-Popes, to invasion, famine, the Magna Carta and Joan of Arc (and a few rebellious peasants thrown in for good measure!). A meticulously researched history of Western fashion shares authoritative insights into everything from suits and sportswear to high heels and blue jeans while assessing the contributions of revolutionary designers.
Instinctive Parenting Pan Macmillan
 **Check out the Doug Unplugs animated series on Apple TV!
 ** It's easy being a robot, if you play by all the rules—but when Doug gets curious, he decides to unplug and forge his own path. And he discovers a whole

world of what's possible. Doug is a robot. His parents want him to be smart, so each morning they plug him in and start the information download. After a morning spent learning facts about the city, Doug suspects he could learn even more about the city by going outside and exploring it. And so Doug . . . unplugs. What follows is an exciting day of adventure and discovery. Doug

learns amazing things by doing and seeing and touching and listening—and above all, by interacting with a new friend. Dan Yaccarino's funny story of robot rebellion is a great reminder that sometimes the best way to learn about the world is to go out and be in it. Praise for Doug Unplugged: "A gentle robotic rebellion." —USA Today A sweet tale . . . Yaccarino [is]

especially good at slipping in the small, nourishing details that are savored upon repeated readings."

—The New York Times

The Art of the Turnaround Simon and Schuster

We've all heard of the Midas touch. You know, the Greek myth about the man who did a number on himself by wishing for everything he touched to turn to gold? Well, you haven't heard everything.
