 Why this book: Death is a fact of life. Lord Yama is known as the God of death. We are providing powerful mantra to invoke the blessings of lord Yamraj so that premature or untimely death can be averted. Savitri wrote this Yamashtakam mantra to invoke Lord Yamraj and saved the life of her husband Satyavan, who died only a year after her marriage. This Mantra is taken from Brahma Vaivarta Purana, ancient sacred texts. Yamraj was moved

by the devotion of Savitri returned the life of her husband Satyavan. We are providing same original Sanskrit mantra with English to invoke the blessing of Lord Yama for avoiding hell, preventing accidents and early death, for longevity and good health without any sufferings. We all know how Lord Yama hears the prayer of the Righteous. We are also providing most powerful Gayatri mantra because it's in Gayatri meter. Gayatri Meter is the shortest and most sacred of Vedic meters. It consists of: 24 syllables; 3 verses of 8 syllables. Original Sanskrit Text with English Translation. Most of the books only give you the transliteration of Mantra in English only. We have provided Sanskrit words in Devanagari script (a syllabic script used in writing Sanskrit) and transliterated into Roman script, so it is

much easier to pronounce these mantras. These affirmations Mantras have to be chanted in Sanskrit to stimulate the positive energy related to the objective you need to accomplish. In Vedic religion, Vedic Sanskrit was considered the language of the gods. A Sanskrit word represents sound of the desired object. Devanagari = Deva (god) + Nagari (city) = City of the Gods. Symbolic meaning of the city is the body itself also there is multiple layers of symbolism associated with each Word and sound. Symbolic meaning of the city is the body itself also there is multiple layers of symbolism associated with each Word and sound. So when you Chant or meditates on the specific sounds of the Devanagari alphabet, the written Form Also Appear in the Mind. It is believed that all the

devotees nearing death and those who wants to live longer Yama, the God of death will bless you.

Started in 1958, Sanathana Sarathi is a monthly magazine devoted to Sathya (Truth), Dharma (Righteousness), Shanti (Peace) and Prema (Love) - the four cardinal principles of Bhagawan Baba's philosophy. It is published from Prasanthi Nilayam (the Abode of Highest Peace) and acts as a mouthpiece of Baba's Ashram as it speaks of the important events that take place in His sacred Abode, besides carrying Divine Messages conveyed through Divine Discourses of Bhagawan Sri Sathya Sai Baba. The word meaning of Sanathana Sarathi is the 'Eternal Charioteer'. It signifies the presence of the Lord in every being as the atma guiding their lives like a charioteer. It implies that he who places his life, the body being likened to a chariot, in an attitude of surrender in the hands of the Lord, will be taken care of by the Lord even as a charioteer would take the occupant of his chariot safely to its destination. The magazine is an instrument to disseminate spiritual knowledge for the moral, physical and mental uplift of humanity without any discrimination as the subject matter discussed therein is always of common interest and of universal appeal. The fifteen Vahinis - streams of sacredness - known as the Vahini Series comprising annotation and interpretation of the Upanishads and other scriptures, Itihasas like the Ramayana, the Bhagavatha and the Mahabharata, and authentic explanations on Dhyana, Dharma, Prema, etc., have been serially published in this magazine as and when they emanated from the Divine pen of Bhagawan Baba. This magazine is published in almost all Indian languages, English and Telugu from Prasanthi Nilayam and others from respective regions. Every year Sanathana Sarathi comes out with a special issue in November commemorating the Divine Birthday. The English and Telugu magazines are posted on the 10th and 23rd respectively, of every month, from Prasanthi Nilayam. This magazine has wide, ever increasing circulation in India as well as abroad, as the study of it brings the reader closer to the philosophy of the Avatar in simple understandable language THUS SPAKE SAI... Discoursing during the launch of Sanathana Sarathi... From this day, our Sanathana Sarathi will lead to victory the cohorts of truth - the Vedas, the Sastras and similar scriptures of all faiths, against the forces of the ego such as injustice, falsehood, immorality and

cruelty. This is the reason why it has emerged. This Sarathi will fight in order to establish world prosperity. It is bound to sound the paean of triumph when universal Ananda is achieved.

Mantra Chanted by Savitri to Invoke Yama, the God of Death to Save the Life of Her Husband: Sanskrit Mantras with English for Avoiding Hell, Untimely- CALYX Books

'Spirituality' is a word that is used increasingly these days yet it is often ill-defined. What exactly is spirituality? Is it distinct from religion and can we separate it from beliefs and traditions? Does spirituality mainly focus on spiritual experiences and practices or is it something more? This book suggests that, while there may be common features in the use of the word, 'spirituality' is not a single reality. Different 'spiritualities' reflect particular religious or philosophical viewpoints, as well as the cultural contexts in which they arise and develop.

Spirituality: A Guide for the Perplexed provides students and general readers with a reliable and comprehensive guide to 'spirituality' as an area of study, religiously, historically, philosophically and in the social sciences. It explores the tools that are used to study the subject and to interpret spiritual classics (whether these are written texts or other forms such as art) from different times and cultures. Attention is paid to spirituality in a variety of religious and non-religious forms in their own terms and comparatively. However, for the sake of simplicity greatest attention is given to the study of spirituality within a religious perspective with illustrations drawn from texts, personalities and themes associated with five major world religions, Judaism, Christianity, Islam, Hinduism and Buddhism. The book concludes with an exploration of spirituality in contemporary perspective - in particular how spirituality is currently employed in areas such as health-care, education and business among other examples.

Hollywood to the Himalayas is the enlightening memoir of a reluctant spiritual seeker who finds much more than she bargained for when she travels to India. As a Stanford grad in the midst of getting her PhD in Psychology, Sadhvi Sarawati was comfortable with her life. Despite years of grappling with an eating disorder and trauma from her early childhood, she felt as if she was successfully navigating her way through early adulthood. When she agreed to travel to India to appease her

husband—and because she loved the food—Sadhvi would have never imagined that she would be embarking on a journey of healing and awakening. Hollywood to the Himalayas describes Sadhvi's odyssey towards divine enlightenment and inspiration through her extraordinary connection with her guru and renewed confidence in the pleasure and joy that life can bring. Now one of the preeminent female spiritual teachers in the world, Sadhvi recounts her journey with wit, honesty, and clarity and, along the way, offers teachings to help us all step onto our own path of awakening and discover the truth of who we really are—embodiments of the Divine. "Sadhviji models for us, at the deepest level, that in the true teaching of the spiritual traditions, healing and grace are always possible." —Prince Ea, in the foreword to Hollywood to the Himalayas "Vivid and poetic...her journey is a river of love, compelling in its authenticity and unflinching honesty. ...a must for anyone who is interested in exploring different paths to fulfilment and to the Creator."

—Jane Goodall "Sadhvi Bhagawati Saraswati is a great teacher of spirituality and consciousness. Her inspiring wisdom illuminates the path to healing, happiness, and inner peace." —Deepak Chopra "For so many of us, the road to the Divine sometimes begins with deep trauma. And, then Grace is bestowed upon us and we blossom in the holiness of love. Hollywood to the Himalayas is filled with wisdom and truth about the powerful revelations that unfold on the path to a deeper relationship to the divine. This is a beautiful book." —Rev. Iyanla Vanzant, executive producer, Iyanla, Fix My Life

In the beginning there was the word and the word was "God" and the word was "One." These are the famous words of the Bible that describes what a mantra is. In the temptation of Jesus Christ by Satan, when asked to bow to the devil, Christ replied, "Man does not live by bread alone by every WORD that is spoken" Every word that is spoken creates reality. Mantras are words of power that have a specific vibration to help you in different areas of your life from your love life, marriage, pregnancy, success, prosperity, health to anything you need to change to have a better life. This science handed down from the Vedas and the wise men of India has been summarized in this easy to use book written and accompanied with English and Spanish translation by Swami Ram Charran. Change your words, change your life!

are no showers, but a flood. Bhagawan in
His compassion and boundless love
covered the whole gamut of truths,
esoteric and explicit, contained in the
Vedas in His discourses. While unfolding
the esoteric content and explaining the
technical terms, He dispelled many
misconceptions in the minds of students
and pundits, particularly about the term
'Brahman', which He established by
drawing from scriptural texts, as also His
own testimony as Eternal and Universal.
He explained the term Bharath as
embracing the whole world and not
confined to the geographic entity now
called 'India'. Bhagawan has made a
loving and passionate appeal to all
students to take His teachings to heart
and practice Dharma all the while. In fact,
it can be, without exaggeration, renamed
'The Sathya Sai Gita'.

Deriving inspiration from Swami
Vivekananda's exhortation that the
highest philosophy must be put in
concrete moral forms so that anyone can
grasp, Swami Vimurtananda, under the
pseudonym of Bhamathimaindan, had
written several stories that were published
in Sri Ramakrishna Vijayam, the Tamil
monthly published from Sri Ramakrishna
Math, Chennai. This book is a collection of
English translation of twenty-five such
stories. It offers eternal messages
packaged in imaginative stories of real-life
significance under the title Speaking Flute
that conjures up visions of Sri Krishna from
whose mystic flute divine music issues
forth in recurring waves. The slender
volume is a good example of impeccable
story-telling. It is ideal for non-detailed
study by school students.

An Eternal Love Letter to the Girls of

Freakie Fries is a book about a letter that
Don Jyovi Saraswati Di Morgese wrote.

Don Jyovi Saraswati Di Morgese is a name
that I give to that part of me from

1972/73, when I was nineteen, that came
back to my forefront mind in 1987/88 and

has been with me ever since. Actually, I go
by the name of Joseph Morgese and I am,

at this writing, a forty-seven year old
truck-driver. In this letter, I have

something worth sharing with the reader.
It is a meditation technique that I received

from using a certain gizmo called 'The
Magnetic Pendulum', which, I think, has

allowed me to communicate with Spirits
from whom I received this. Having enjoyed

meditation and various other spiritual
practices for twenty five years now, I feel

qualified to say that the knowledge that I
received shows great promise. But, even

more than this, this letter is a testimonial
to something supernatural that has been

going on now since some time. I call it
'God's Algorithm' because, like an

algorithm for a computer program, it
makes me do things that I wouldn't

ordinarily do, and from it so far, I have
drawn up a design for 'God's Perpetual

Motion See-Saw', and various other tid-bits
all of which you may see if you visit my

web-site at www.make-luck-business.com
and now, this meditation technique. May

this meditation technique bring the entire
world to supreme enlightenment! Thank

You Sincerely and Lovingly Don Jyovi

We are providing Mantra to invoke the
blessings of Goddess Saraswati for
success at studies, speech, wisdom,
knowledge, education, arts, music and
sciences. Saraswati mantra helps in
bringing order out of chaos. Most of the
books give you the transliteration of
Mantra and Shlokas in English only. Here
we are offering Saraswati mantras in
original text & English translation. English
is the predominant language. So we have
provided Sanskrit words in Devanagari
script (a syllabic script used in writing
Sanskrit) and transliterated into Roman
script, a Sanskrit word represents sound of
the desired object. So when you Chant or
meditate on the specific sounds of the
Devanagari alphabet, the written form of
energy also appears in the mind.

Devanagari = Deva (god) + Nagari (city) =

City of the Gods Sanskrit Mantras are pure
vibration sound representing God so it's

important to fully read, see the Sanskrit
Text and understand them. Swami

Vivekananda was initially nervous for his
speech at the World Parliament of

Religions, Chicago, and September 11,
1893. So before his speech he prayed to

Saraswati and what came from his mouth
is a history. To date he is best known for

that inspiring speech. It is believed that
praying to Saraswati before going for an

interview, speech or a performance
ensures success. If Saraswati places words

on the devotees tongue, then what human
being can debate with him?

Camille Gardner is trapped in the middle when a unique Southern town collides with the 'outside world' and big oil. A talented negotiator, Camille Gardner agrees to take on one last field assignment for her uncle before she settles down to pursue her real passion---working at an art gallery. But she'd rather be anywhere than Samford, Louisiana, the small southern town where

she once spent the worst weeks of her life. To fulfill the obligation she feels to her uncle, Camille needs to entice a group of rural landowners to sell their mineral rights---and allow use of their precious water for the drilling of natural gas. Instead, she finds herself drawn to the local folk art created by those same landowners and attracted to Marsh Cameron, the attorney representing the landowners. The charming residents and

the traditions of this small community leave Camille conflicted about her family obligations---and her own plans for the future. Perhaps she needs to give Samford a second chance.' Christie populates her story with a varied cast of Southern small-town characters. Her tendency for unresolved suspense is occasionally unsettling, but, overall, her stories have enough warmth and humor to keep her readers coming back for more.' --- CBA Retailers + Resources
