Making Sense of Sex Jessica Kingsley Publishers

Why do we get so embarrassed when a colleague wears the same shirt? Why do we eat the same thing for breakfast every day, but seek out novelty at lunch and dinner? How has streaming changed the way Netflix makes recommendations? Why do

people think the music of their youth is the best? How can you spot a fake review on Yelp? Our preferences and opinions are constantly being shaped by countless forces - especially in the digital age with its nonstop procession of "thumbs up" and "likes" and "stars." Tom Vanderbilt, bestselling author of *Traffic*, explains why we like the things we like, why we hate the things we hate, and what all this tell us about ourselves. With a voracious curiosity, Vanderbilt stalks the elusive beast of taste, probing research in psychology, marketing, and neuroscience to answer myriad complex and fascinating questions. If you've ever

wondered how Netflix recommends movies or why books often see a sudden decline in Amazon ratings after they win a major prize, Tom Vanderbilt has answers to these questions and many more that you've probably never thought to ask.

Sexuality and Safety with Tom and Ellie

Every Child Can be a Reading Star Kids like to play and draw and sing and dance. They all like different things and they all like each other. I Like is part of the Reading Stars series. Reading Star books are for kids at the very beginning of a lifetime love of reading. Each book features less than 50 words and uses repetition to build confidence. I Like is 24 pages long and features 16 different words for your child to master. The words are: be, dance, draw, friends, go, laugh, like, make, music, play, run, school, sing, tennis, to, we

Tom notices that his body is changing. Tom's voice is different and hair is growing in new places. There are other changes happening too. Tom learns that he has started growing into a man. Following Tom as he begins to notice changes to his body, this simple resource helps parents and carers teach boys with autism or other special needs about puberty. It covers all the changes that they will experience, both emotional such as new feelings and physical such as wet dreams. This fully illustrated positive and entertaining book provides the perfect opportunity to talk about puberty with boys and young men with autism or special needs.

The Abstinence Teacher Penguin

Puberty is a time of huge change in the physical body, in emotional experience and in social relationships. Having an

understanding of these developments and learning how to deal with them is essential, and for people with Asperger's syndrome it can be a challenge to get to grips with the social and emotional aspects of puberty, sex and relationships. This book is ideal for those who need clear, detailed explanations and direct answers to the many questions raised by puberty and sexual maturity. Sarah Attwood describes developments in both the male and female body, and explains how to maintain hygiene and personal care, and to promote general good health. She examines emotional changes, including moods and sexual feelings, and provides comprehensive information on sex, sexual health and reproduction. She looks at the nature of friendship, how it changes from childhood to adulthood and its importance as a basis for sexual encounter. She also offers coping strategies for different social experiences, from bullying to dating, and includes essential tips on the politics of mature behaviour, such as knowing the difference between public and personal topics of conversation. Making Sense of Sex is a thorough guide written in unambiguous language with helpful diagrams, explanations and practical advice for young people approaching puberty and beyond.

The Growing Up Book for Boys Bantam

INSTANT NEW YORK TIMES BESTSELLER The only definitive book authored by Wim Hof on his powerful method for realizing our physical and spiritual potential. "This method is very simple, very accessible, and endorsed by science. Anybody can do it, and there is no dogma, only acceptance. Only freedom." —Wim Hof Wim Hof has a message for each of us: "You can literally do the impossible. You can overcome disease, improve your mental

health and physical performance, and even control your physiology so you can thrive in any stressful situation.” With *The Wim Hof Method*, this trailblazer of human potential shares a method that anyone can use—young or old, sick or healthy—to supercharge their capacity for strength, vitality, and happiness. Wim has become known as “The Iceman” for his astounding physical feats, such as spending hours in freezing water and running barefoot marathons over deserts and ice fields. Yet his most remarkable achievement is not any record-breaking performance—it is the creation of a method that thousands of people have used to transform their lives. In his gripping and passionate style, Wim shares his method and his story, including:

- **Breath**—Wim’s unique practices to change your body chemistry, infuse yourself with energy, and focus your mind
- **Cold**—Safe, controlled, shock-free practices for using cold exposure to enhance your cardiovascular system and awaken your body’s untapped strength
- **Mindset**—Build your willpower, inner clarity, sensory awareness, and innate joyfulness in the miracle of living
- **Science**—How users of this method have redefined what is medically possible in study after study
- **Health**—True stories and testimonials from people using the method to overcome disease and chronic illness
- **Performance**—Increase your endurance, improve recovery time, up your mental game, and more
- **Wim’s Story**—Follow Wim’s inspiring personal journey of discovery, tragedy, and triumph
- **Spiritual Awakening**—How breath, cold, and mindset can reveal the beauty of your soul

Wim Hof is a man on a mission: to transform the way we live by reminding us of our true power and purpose. “This is how we will change the world, one soul at a

time,” Wim says. “We alter the collective consciousness by awakening to our own boundless potential. We are limited only by the depth of our imagination and the strength of our conviction.” If you’re ready to explore and exceed the limits of your own potential, *The Wim Hof Method* is waiting for you.

Ellie Needs to Go Simon and Schuster

Ellie likes lots of different things. She likes listening to music and making pizza. There are also things that Ellie enjoys doing in private, like touching her vagina. This accessible and positive resource helps parents and carers teach girls and young women with autism or related conditions about masturbation. It covers when and where it is appropriate and helps to establish boundaries surrounding privacy more generally. With simple but explicit illustrations, this book provides the perfect platform to talk about sexuality with girls and young women with autism or related conditions.

Firegirl Macmillan

When Tom is out shopping, he needs to go to the toilet. Tom knows that public toilets are different to his toilet at home. There are urinals and cubicles and he has to decide which to use. This visual resource helps parents and carers teach boys and young men with autism or other special needs about how to use public toilets safely. It covers the subtleties of social etiquette including where to stand and look, as well as practicalities such as remembering to lock the cubicle door. With simple and effective illustrations throughout, the book is the perfect starting point for teaching independence when using public toilets.

Not Like the Movies Running Press Kids

From Tom Segura, the massively successful stand-up comedian

and co-host of chart-topping podcasts “2 Bears 1 Cave” and “Your Mom’s House,” hilarious real-life stories of parenting, celebrity encounters, youthful mistakes, misanthropy, and so much more. Tom Segura is known for his twisted takes and irreverent comedic voice. But after a few years of crazy tours and churning out podcasts weekly, all while parenting two young children, he desperately needs a second to himself. It’s not that he hates his friends and family — he’s not a monster — he’s just beat, which is why his son’s (ruthless) first full sentence, “I’d like to play alone, please,” has since become his mantra. In this collection of stories, Tom combines his signature curmudgeonly humor with a revealing look at some of the ridiculous situations that shaped him and the ludicrous characters who always seem to seek him out. The stories feature hilarious anecdotes about Tom’s time on the road, including some surreal encounters with celebrities at airports; his unfiltered South American family; the trials and tribulations of parenting young children with bizarrely morbid interests; and, perhaps most memorably, experiences with his dad who, like any good Baby Boomer father, loves to talk about his bowel movements and share graphic Vietnam stories at inappropriate moments. All of this is enough to make anyone want some peace and quiet. I’D LIKE TO PLAY ALONE, PLEASE will have readers laughing out loud and nodding in agreement with Segura’s message: in a world where everyone is increasingly insane, sometimes you just need to be alone.

There’s an Elf in Your Book Jessica Kingsley Publishers

What happens when your life is a rom-com . . . but you don’t even believe in true love? Chloe Sanderson is an optimist, and not because her life is easy. As the sole caregiver for her father, who has early-onset Alzheimer’s, she’s pretty much responsible for everything. She has no time—or interest—in getting swept up in some dazzling romance. Not like her best friend, Annie, who literally wrote a rom-com that’s about to premiere in theaters across America . . . and happens to be inspired by Chloe and her cute but no-nonsense boss, Nick Velez. As the buzz for the movie grows, Chloe reads one too many listicles about why Nick is the perfect man, and now she can’t see him as anything but Reason #4: The scruffy-bearded hunk who’s always there when you need him. But unlike the romance Annie has written for them, Chloe isn’t so sure her own story will end in a happily-ever-after.

THE GREAT GATSBY Jessica Kingsley Publishers

“Some people enjoy it.” That was all Ruth had said. Even now, when she’d had months to come to terms with the fallout from

this remark, she still marveled at the power of those four words, which she'd uttered without premeditation and without any sense of treading on forbidden ground. (p. 11) Thanks to an off-hand remark made during a class discussion of oral sex, sex-ed teacher Ruth Ramsey finds herself a target of the Christian evangelicals who are increasingly influencing the schoolboard of suburban Stonewood Heights. Forced to attend remedial sessions with a smug "Virginity Consultant," Ruth is isolated and alone, caught in the polarized red-versus-blue landscape of present-day American suburbia. It's like "living in a horror movie," she thinks, "The Invasion of the Body Snatchers, or something. You never knew who they were going to get to next." Divorced and sharing custody of her daughters with her ex, and sometimes attempting a futile date, Ruth spends many a lonely weekend wondering how her bleak existence came to be. Then one morning at her daughter's soccer game, Ruth meets Tim Mason, a cute forty-something volunteer coach. Ruth feels an instant attraction to Tim, but when he draws the girls together for a spontaneous prayer circle after the game, she angrily yanks her daughter away from the proceedings, placing herself once again in the sights of the evangelicals. But Ruth has another unexpected problem: she can't seem to get a handle on Tim, her supposed adversary, who keeps appearing at her front door. A recovering addict whose bottoming-out cost him his home and his marriage, Tim found his way to the Tabernacle of the Gospel Truth through the intervention of Pastor Dennis, the charismatic preacher who put Tim's shattered life back together in an approximation of happiness. Thanks to Pastor Dennis, Tim is now married to Carrie, a fellow Tabernacler who is attractive and attentive, if robotic. He

plays guitar at the weekly prayer sessions in a sanitized reenactment of his days in a Grateful Dead cover band. He holds a respectable if unfulfilling job as a loan officer, well aware of the irony of the post for a man with his history. He is grateful for the help he has received from his church community and Pastor Dennis. But he can't shake the yearning for something more, and a nagging attraction to that troublesome sex-ed teacher.... With *The Abstinence Teacher*, Tom Perrotta wades into the murky waters of contemporary American suburbia, fully deploying his proven gift for describing the panic lurking beneath its seemingly placid surface. Already widely known to book and movie audiences for his scathing satire mixed with remarkable compassion in works including *Election* and *Little Children* (both adapted for film, *Little Children* garnering Perrotta an Oscar nomination), this novel once again proves, as declared by the Los Angeles Times, "Perrotta's balance of humor and pathos has no equal."

[There's a Witch in Your Book](#) Jessica Kingsley Publishers
OH LOOK! The cutest baby DRAGON has hatched inside YOUR book! Get ready for another lively, interactive read-aloud in the Who's In Your Book series! This infectious read-aloud invites kids to use their powers of imagination--along with some stamping, blowing, and flapping--to save their book from an adorable baby dragon's flammable sneezes! First, you'll see there's an egg in your book. Then, a darling little dragon hatches from it! But whatever you do, don't tickle its nose, because you don't want it to sneeze. ACHOO! UH-OH! Bestselling author and musician Tom Fletcher and illustrator Greg Abbott have once again created a creature that readers will fall in love with--and want to play with--

again and again! Don't miss a single story in the Who's In Your Book series • There's a Monster In Your Book • There's a Dragon In Your Book • There's an Elf In Your Book • There's an Alien in Your Book ...and more books to come!

How To Win Friends and Influence People Jessica Kingsley Publishers

A collection of seventeen wonderful short stories showing that two-time Oscar winner Tom Hanks is as talented a writer as he is an actor. A gentle Eastern European immigrant arrives in New York City after his family and his life have been torn apart by his country's civil war. A man who loves to bowl rolls a perfect game--and then another and then another and then many more in a row until he winds up ESPN's newest celebrity, and he must decide if the combination of perfection and celebrity has ruined the thing he loves. An eccentric billionaire and his faithful executive assistant venture into America looking for acquisitions and discover a down and out motel, romance, and a bit of real life. These are just some of the tales Tom Hanks tells in this first collection of his short stories. They are surprising, intelligent, heartwarming, and, for the millions and millions of Tom Hanks fans, an absolute must-have!

There's a Dragon in Your Book Scholastic Canada

An Arab and a Jew open a restaurant together across the street from the United Nations... It sounds like the beginning of an ethnic joke, but it's the axis around which spins this gutsy, fun-loving, and alarmingly provocative novel, in which a bean can philosophizes, a dessert spoon mystifies, a young waitress takes on the New York art world, and a rowdy redneck welder discovers the lost god of Palestine--while the illusions that obscure

humanity's view of the true universe fall away, one by one, like Salome's veils. *Skinny Legs and All* deals with today's most sensitive issues: race, politics, marriage, art, religion, money, and lust. It weaves lyrically through what some call the "end days" of our planet. Refusing to avert its gaze from the horrors of the apocalypse, it also refuses to let the alleged end of the world spoil its mood. And its mood is defiantly upbeat. In the gloriously inventive Tom Robbins style, here are characters, phrases, stories, and ideas that dance together on the page, wild and sexy, like Salome herself. Or was it Jezebel?

Exciting News! Mr Fullerman announces that class 5F are going on an 'Activity Break'! Which should be fun. As long as I don't get stuck in a group with anyone who snores or worse still with
. Marcus Meldrew.

What's Happening to Tom? Vintage Canada

The Strange Death of Europe is the internationally bestselling account of a continent and a culture caught in the act of suicide, now updated with new material taking in developments since it was first published to huge acclaim. These include rapid changes in the dynamics of global politics, world leadership and terror attacks across Europe. Douglas Murray travels across Europe to examine first-hand how mass immigration, cultivated self-distrust and delusion have contributed to a continent in the grips of its own demise. From the shores of Lampedusa to migrant camps in Greece, from Cologne to London, he looks critically at the factors that have come together to make Europeans unable to argue for themselves and incapable of resisting their alteration as a society. Murray's "tremendous and shattering" book (The Times)

addresses the disappointing failures of multiculturalism, Angela Merkel's U-turn on migration, the lack of repatriation and the Western fixation on guilt, uncovering the malaise at the very heart of the European culture. His conclusion is bleak, but the predictions not irrevocable. As Murray argues, this may be our last chance to change the outcome, before it's too late.

Sexuality for All Abilities Harper Collins

A man is severely injured in a mysterious accident, receives an outrageous sum in legal compensation, and has no idea what to do with it. Then, one night, an ordinary sight sets off a series of bizarre visions he can't quite place. How he goes about bringing his visions to life—and what happens afterward—makes for one of the most riveting, complex, and unusual novels in recent memory. Remainder is about the secret world each of us harbors within, and what might happen if we were granted the power to make it real.

Eleven Things Tom Likes

Follow cousins on a road trip to *Pride* as they dive into family secrets and friendships in this contemporary novel—perfect for fans of David Levithan and Becky Albertalli. As kids, Mark and his cousin Talia spent many happy summers together at the family cottage in Ontario, but a fight between their parents put an end to the annual event. Living on opposite coasts—Mark in Halifax and Talia in Victoria—they haven't seen each other in years. When their grandfather dies unexpectedly, Mark and Talia find themselves reunited at the cottage once again, cleaning it out while the family decides what to do with it. Mark and Talia are both queer, but they soon realize that's about all they have in

common, other than the fact that they'd both prefer to be in Toronto. Talia is desperate to see her high school sweetheart Erin, who's barely been in touch since leaving to spend the summer working at a coffee shop in the Gay Village. Mark, on the other hand, is just looking for some fun, and Toronto Pride seems like the perfect place to find it. When a series of complications

throws everything up in the air, Mark and Talia—with Mark's little sister Paige in tow—decide to hit the road for Toronto. With a bit of luck, and some help from a series of unexpected new friends, they might just make it to the big city and find what they're looking for. That is, if they can figure out how to start seeing things through each other's eyes.
