The story of the murder of Thomas à Becket as seen through the eyes of the great poet.

**Murder In The Cathedral** McClelland & Stewart

A play in verse form dramatizes the murder of Archbishop Thomas Becket by four knights of Henry II's court

**Supremacy and Survival** Random House

In January 1888, workmen excavating in the eastern crypt of Canterbury Cathedral discovered the bones of a skeleton many believed to be that of the martyred archbishop, Thomas Beckett.

This book traces the full history of `Beckett's bones', from their alleged destruction by Henry VIII's commissioners during the Reformation to the present day. Includes fascinating observations, such as the unexpected discovery by workmen in 1865 of Dante's bones concealed in a wooden box a short distance from his empty tomb.

**Letters in a Bruised Cosmos** Pearson Education India Contrasting the civilization that produced the starkly modernist "cube" of the Great Arch of La Defense in Paris with the civilization that produced the "cathedral" Notre Dame, Weigel argues that Europe's embrace of a narrow secularism has led to a crisis of morale that is eroding Europe's soul.

Death at St. Patrick's Cathedral Houghton Mifflin Harcourt A searing exploration of girlhood in the pre- and post- #MeToo eras from the acclaimed novelist. CBC Best Canadian Poetry of 2020 What keeps a kind girl alive in the wild? The men in town are crapshoots, sawbucks, coins striking heads and tails. Nancy Lee's searing collection of poems confronts how socially ingrained violence and sexual power dynamics distort and dislocate girlhood, womanhood, and relationships. Startling and visceral, the poems in *What Hurts Going Down* deconstruct a lifetime of

survival, hover in the uneasy territory of pre- and post- #MeToo, and scrutinize the changing wagers of being female.

The Nobel Prize-winning author created the words for this unique play about religion in the twentieth century. The choruses in this pageant play represent a new verse experiment on Mr. Eliot's part; and taken together make a sequence of verses about twice the length of "The Waste Land." Mr. Eliot has written the words; the scenario and design of the play were provided by a collaborator, and the purpose was to provide a pageant of the Church of England for presentation on a particular occasion. The action turns upon the efforts and difficulties of a group of London masons in building a church. Incidentally, a number of historical scenes, illustrative of church-building, are introduced. The play, enthusiastically greeted, was first presented in England, at Sadler's Wells; the production included much pageantry, mimetic action, and ballet, with music by Dr. Martin Shaw. Immediately after the production of this play in England, Francis Birrell wrote in *The New Statesman*: "The magnificent verse, the crashing Hebraic choruses which Mr. Eliot has written had best be studied in the book. *The Rock* is certainly one of the most interesting artistic experiments to be given in recent times." *The Times*

Literary Supplement also spoke with high praise: “The choruses exceed in length any of his previous poetry; and on the stage they prove the most vital part of the performance. They combine the sweep of psalmody with the exact employment of colloquial words. They are lightly written, as though whispered to the paper, yet are forcible to enunciate . . . . There is exhibited here a command of novel and musical dramatic speech which, considered alone, is an exceptional achievement.”

What Hurts Going Down Englewood Cliffs, N.J. : Prentice-Hall

From the bestselling author of *Meetings With Remarkable Manuscripts*, a captivating account of the last surviving relic of

Thomas Becket The assassination of Thomas Becket in Canterbury Cathedral on 29 December 1170 is one of the most famous events in European history. It inspired the largest pilgrim site in medieval Europe and many works of literature from Chaucer's *Canterbury Tales* to T. S. Eliot's *Murder in the Cathedral* and Anouilh's *Becket*. In a brilliant piece of historical detective work, Christopher de Hamel here identifies the only surviving relic from Becket's shrine: the Anglo-Saxon Psalter which he cherished throughout his time as Archbishop of Canterbury, and which he may even have been holding when he was murdered. Beautifully illustrated and published to coincide with the 850th anniversary of the death of Thomas Becket, this is an exciting rediscovery of one of the most evocative artefacts of medieval England.

RBC Bronwen Wallace Award winner Noor Naga's bracing debut, a novel-in-verse about a young woman's romantic relationship with a married man and her ensuing crisis of faith. 2021 Arab American Book Award - George Ellenbogen Poetry Award, Winner Pat Lowther Memorial Award, Winner Gerald Lampert Memorial Award, Longlist Fred Cogswell Award For Excellence In Poetry, Second Place Winner CBC Best Canadian Poetry of 2020 *Coocoo* is a young immigrant woman in Toronto. Her faith is worn threadbare after years of bargaining with God to end her loneliness and receiving no answer. Then she meets her mirror-image; Muhammad is a professor and father of two. He's also married. Heartbreaking and hilarious, this verse-novel chronicles *Coocoo's* spiraling descent: the transformation of her love into something at first desperate and obsessive, then finally cringing

and animal, utterly without grace. Her best friend, Nouf, remains by her side throughout, and together they face the growing contradictions of Coocoo's life. What does it mean to pray while giving your body to a man who cannot keep it? How long can a homeless love survive on the streets? These are some of the questions this verse-novel swishes around in its mouth.

Magna Carta Sourcebooks, Inc.

A revisionist new biography reintroducing readers to one of the most subversive figures in English history—the man who sought

to reform a nation, dared to defy his king, and laid down his life to defend his sacred honor NEW YORK TIMES BESTSELLER • NAMED ONE OF THE BEST BOOKS OF THE YEAR BY KANSAS CITY STAR AND BLOOMBERG Becket's life story has been often told but never so incisively reexamined and vividly rendered as it is in John Guy's hands. The son of middle-class Norman parents, Becket rose against all odds to become the second most powerful man in England. As King Henry II's chancellor, Becket charmed potentates and popes, tamed overmighty barons, and even personally led knights into battle. After his royal patron elevated him to archbishop of Canterbury in 1162, however, Becket clashed with the King. Forced to choose between fealty to the crown and the values of his faith, he repeatedly challenged Henry's authority to bring the church to heel. Drawing on the full panoply of medieval sources, Guy sheds new light on the relationship between the two men, separates truth from centuries of mythmaking, and casts doubt on the long-held assumption that the headstrong rivals were once close friends. He also provides the fullest accounting yet for Becket's seemingly radical transformation from worldly bureaucrat to devout man of God. Here is a Becket seldom glimpsed in any previous biography, a man of many facets and faces: the skilled warrior as comfortable unhorsing an opponent in single combat as he was negotiating terms of surrender; the canny diplomat "with the appetite of a wolf" who unexpectedly became the spiritual paragon of the English church; and the ascetic rebel who waged a high-stakes contest of wills with one of the most volcanic monarchs of the Middle Ages. Driven into exile, derided by his enemies as an ungrateful upstart, Becket returned to Canterbury in the

unlikeliest guise of all: as an avenging angel of God, wielding his power of excommunication like a sword. It is this last apparition, the one for which history remembers him best, that will lead to his martyrdom at the hands of the king's minions—a grisly episode that Guy recounts in chilling and dramatic detail. An uncommonly intimate portrait of one of the medieval world's most magnetic figures, Thomas Becket breathes new life into its subject—cementing for all time his place as an enduring icon of resistance to the abuse of power.

#### *Murder at the Cathedral* Facts On File

A collection of ethereal stories from the last of the great Francophone Belgian fantasists First published in French in 1983, *The Cathedral of Mist* is a collection of stories from the last of the great Francophone Belgian fantasists: distilled tales of distant journeys, buried memories and impossible architecture.

Described here are the emotionally disturbed architectural plan for a palace of emptiness; the experience of snowfall in a bed in the middle of a Finnish forest; the memory chambers that fuel the marvelous futility of the endeavor to write; the beautiful woodland church, built of warm air currents and fog, scattering in storms and taking renewed shape at dusk, that gives this book its title. *The Cathedral of Mist* offers the sort of ethereal narratives that might have come from the pen of a sorrowful, distinctly

Belgian Italo Calvino. It is accompanied by two meditative essays on reading and writing that fall in the tradition of Marcel Proust and Julien Gracq. Paul Willems (1912-97) published his first novel, *Everything Here Is Real*, in 1941. Three more novels and, toward the end of his life, two collections of short stories bracketed his career as a playwright.

T.S. Eliot's 'Murder in the Cathedral' is both a fascinating retelling of the 12th-century assassination of Archbishop Thomas Becket and a compelling call for resistance in the face of intimidation. Written against the backdrop of rising Fascism in 20th-century Europe, the classic verse play is as relevant now as it ever was.
