Masnavi i Ma'navi OUP Oxford

The selections in this book are sparkling drops from the ocean of Rumi's spiritual masterpiece, the Mathnawi -- six volumes of rhymed verse, drawing on favorite stories from the Qur'an, tales of Sufi saints and masters, the sayings of Muhammed, folklore, and popular humor. The excerpts presented here are rendered in free-verse style and emphasize the teaching stories and spiritual fables. Also included are seventeen personal letters, in which Rumi offers spiritual counsel to disciples and family members.

As Barks writes in his introduction to this collection, "Silence is a deeper way that lovers have found." Rumi's silence is that of the chef who hands you a spoon to let you taste, now that the recipe-reading is over. The silence becomes an inward communion, an experience beyond any doctrinal description. Somehow, in these poems, Rumi uses words to take us over into that silence.

Over 100 of Rumi's most passionate lyrics include "The Children of Light," "The Man Who Looked Back on His Way to Hell," "The Pear-Tree of Illusion." Translated by R. A. Nicholson.

A Year with Rumi Harper Collins

The bestselling poet in America today, thirteenth-century Sufi mystic Jalalu'ddin Rumi has inspired and enlightened thousands with his playful, passionate work celebrating the sacred in everyday life. Now the spiritual wealth of Rumi's stories and poetry in translation are accompanied by rare and wonderful art in the Sufi tradition. This fresh rendering brings new life to these incomparable parables, which have transcended time, place, culture, and religion to speak directly to the hearts and souls of contemporary readers. With a foreword by Huston Smith, these selections of the inimitable mystic's prose and poetry have been taken from all of the master's works. Each parable, such as The King and the Handmaiden, The Grocer and the Parrot, The Ugly Old Woman, and The Man Who Was Always Being Swindled, is related as Rumi might have presented it to his fascinated audiences, as he whirled in meditation and trance. But each story also has a spiritual message, a holy essence that applies across all faiths, uttered from the heart of Islam. Each of these messages is provided here in a modern rendering that keeps the flavor of this unique period of history, of culture, and of inspired, passionate beauty.

Tales from the Masnavi Harper Collins

Nonfiction. Rumi is one of the great mystics of Islam. He founded in the XIIIth century a brotherhood in the Turkish city of Konya, famous for the use of music in the context of spiritual experience. To understand Rumi is to enter the world of Islam in its true sense: known as a "Sufi," Rumi is on par with the spiritual Masters of all great religious traditions. Written by Eva de Vitray-Meyerovitch, a French scholar who became a believer in Islam through her works on Sufism, this book is the best initiation not only to Rumi, but to Islamic thought: it is clear, elegant, scholarly, beautiful. It is an excellent tool for serious students of Islam as well as for the general public who wants to approach Islamic civilization with the respect and competence it requires. It should be on the program of any studies dealing with Islam, comparative studies of religions, the values and politics of the Islamic world. It is a key to the underlying world-view which it is impossible to understand without comprehending its spiritual roots. But this book is also about the life and writings of one of the great poets of the world.

Born Jalal ad-Din Mohammed Balkhi in Persia early in the thirteenth century, the poet known as Rumi expressed the deepest feelings of the heart through his poetry. This volume consists of new translations edited by Deepak Chopra to evoke the rich mood and music of Rumi's love poems. Exalted yearning, ravishing ecstasy, and consuming desire emerge from these poems as powerfully today as they did on their creation more than 700 years ago. 'These poems reflect the deepest longings of the human heart as it searches for the divine. They celebrate love. Each poetic whisper is urgent, expressing the desire that penetrates human relationships and inspires intimacy with the self, silently nurturing an affinity for the Beloved. Both Fereydoun Kia, the translator, and I hope that you will share the experience of ravishing ecstasy that the poems of Rumi evoked in us. In this volume we have sought to capture in English the dreams, wishes, hopes, desires, and feelings of a Persian poet who continues to amaze, bewilder, confound, and teach, one thousand years after he walked on this earth' - Deepak Chopra

The Death of a Prophet Hampton Roads Publishing

The Masnavi I Ma'navi of Rumi is one of the most influential works of Sufism, commonly called "the Quran in Persian". It has been viewed by many commentators as the greatest mystical poem in world literature. Its diversity, complexity and profoundness, the timeless themes of power, God, love and fidelity, together make the MASNAVI one of the most compelling and memorable spiritual works of world literature. Its author, the Persian poet and Sufi mystic, Maulana Jalalu-'d-din Muhammad Rumi (1207-1273), found his own religious order, the Whirling Dervishes. To many modern Westerners, this series of six books of poetry, translated by E. H. Whinfield, is one of the best introductions to the philosophy and practice of Sufism. These poems are plenty of very profound thought, and you will not leave this fantastic work without spiritual growth. Large print edition, easy to read layout, complete footnotes.

Publisher description

Me & Rumi Courier Corporation

The oldest Islamic biography of Muhammad, written in the mid-eighth century, relates that the prophet died at Medina in 632, while earlier and more numerous Jewish, Christian, Samaritan, and even Islamic sources indicate that Muhammad survived to lead the conquest of Palestine, beginning in 634-35. Although this discrepancy has been known for several decades, Stephen J. Shoemaker here writes the first systematic study of the various traditions. Using methods and perspectives borrowed from biblical studies, Shoemaker concludes that these reports of Muhammad's leadership during the Palestinian invasion likely preserve an early Islamic tradition that was later revised to meet the needs of a changing Islamic self-identity. Muhammad and his followers appear to have expected the world to end in the immediate future, perhaps even in their own lifetimes, Shoemaker contends. When the eschatological Hour failed to arrive on schedule and continued to be deferred to an ever more distant point, the meaning of Muhammad's message and the faith that he established needed to be fundamentally rethought by his early followers. The larger purpose of *The Death of a Prophet* exceeds the mere possibility of adjusting the date of Muhammad's death by a few years; far more important to Shoemaker are questions about the manner in which Islamic origins should be studied. The difference in the early sources affords an important opening through which to explore the nature of primitive Islam more broadly. Arguing for greater methodological unity between the study of Christian and Islamic origins, Shoemaker emphasizes the potential value of non-Islamic sources for reconstructing the history of formative Islam.

Faces of Love: Hafez and the Poets of Shiraz Routledge

The Soul of Rumi collects the poetry of the thirteenth century Persian mystic that explores the divine from the teachings of Sufism. Rumi's masterpieces have inspired countless people throughout the centuries, and Coleman Barks's exquisite renderings are widely considered the definitive versions. His translations capture the inward exploration and intensity that characterize Rumi's poetry, making this unique voice of mysticism and desire contemporary while remaining true to the original poems. In this volume readers will encounter the essence of Sufism's insights into the experience of divine love, wisdom, and the nature of both humanity and God. Rumi's voice leaps off these pages with a rapturous power, expressing our deepest yearning for the transcendent connection with the source of the divine: there are passionate outbursts about the torment of longing for the beloved and the sweet delight that comes from union; stories of sexual adventures and of loss; poems of love and fury, sadness and joy; and quiet truths about the beauty and variety of human emotion. For Rumi, soul and body and emotion are not separate but are rather part of the great mystery of mortal life, a riddle whose solution is love. Above all else, Rumi's poetry exposes us to the delight that comes from being fully alive, urging us always to put aside our fears and take the risk of discovering our core self. Barks's fresh, original translations magnificently convey Rumi's insights into the human heart and its longings with his signature passion and daring, focusing on the ecstatic experience of the inseparability of human and divine love.
