HINTON CANTRELL

The Little Black Songbook: Acoustic Hits Hal Leonard Corporation
 When RockWiz, the hugely popular SBS TV rock trivia show, look for questions, there is one resource they continually turn to Toby Creswell's 1001 Songs. The stories behind the great songs of all time from Gershwin to Missy Elliott, from Bob Dylan to Alicia Keys, Sinatra to Offspring, Leonard Cohen to Pulp are all in there. RockWiz 1001 Songs tells the stories behind the best and most popular songs of the last century. It reveals background facts that will fascinate and intrigue, biographical

information on each performer and also boasts a guide to the definitive and the oddball covers of songs. The book also features over 400 showstopping photographs and album covers. Not bound by ranking, era or album, RockWiz 1001 Songs is presented just like an iPod on random. Discover how Ike and Tina Turner stole River Deep, Mountain High, how matching Body Shop shampoo inspired Courtney Love to write a song after the death of Kurt Cobain, and just who the other members of Sheryl Crow's Tuesday Night Music Club actually were. RockWiz 1001 Songs provides endless entertainment and insider information on over a thousand artists and songs, right up to the minute the perfect book for music

buffs, keen listeners, and anyone who's ever had a song stuck in their head. [Bruce Springsteen: All the Songs](#) Oxford University Press
 "Much more than a page-turner. It's the first essential work of cultural history of the new decade." —Charles Kaiser, The Guardian One of Publishers Weekly's best books of 2021 The Pulitzer Prize-winning journalist and New York Times–bestselling author of the behind-the-scenes explorations of the classic American Westerns High Noon and The Searchers now reveals the history of the controversial 1969 Oscar-winning film that signaled a dramatic shift in American popular culture. Director John Schlesinger's Darling was nominated for

five Academy Awards, and introduced the world to the transcendently talented Julie Christie. Suddenly the toast of Hollywood, Schlesinger used his newfound clout to film an expensive, Panavision adaptation of *Far from the Madding Crowd*. Expectations were huge, making the movie's complete critical and commercial failure even more devastating, and Schlesinger suddenly found himself persona non grata in the Hollywood circles he had hoped to conquer. Given his recent travails, Schlesinger's next project seemed doubly daring, bordering on foolish. James Leo Herlihy's novel *Midnight Cowboy*, about a Texas hustler trying to survive on the mean streets of 1960's New York, was dark and transgressive. Perhaps something about the book's unsparing portrait of cultural alienation resonated with him. His decision to film it began one of the unlikelier convergences in cinematic history, centered around a city that seemed, at first glance, as unwelcoming as Herlihy's novel itself. Glenn Frankel's *Shooting Midnight Cowboy* tells the story of a modern classic that, by all accounts, should never have become one in the first place. The film's boundary-pushing subject matter—homosexuality, prostitution, sexual assault—earned it an X rating when it first appeared in cinemas in 1969. For *Midnight Cowboy*, Schlesinger—who had never made a film in the United States—enlisted Jerome Hellman, a producer coming off his own recent flop and smarting from a failed marriage, and Waldo Salt, a formerly blacklisted screenwriter with a tortured past. The decision to shoot on location in New York, at a time when the city was approaching its gritty nadir, backfired when a sanitation strike filled Manhattan with garbage fires and fears of dysentery. Much more than a history of Schlesinger's film, *Shooting Midnight Cowboy* is an arresting glimpse into the world from which it emerged: a troubled city that nurtured the talents and ambitions of the pioneering Polish cinematographer Adam Holender and legendary casting director Marion Dougherty, who discovered both Dustin Hoffman and Jon Voight and supported them for the roles of "Ratso" Rizzo and Joe Buck—leading to one of the most intensely moving joint performances ever to appear on screen. We follow Herlihy himself as he moves from the experimental confines of Black Mountain College to the theatres of Broadway, influenced by close relationships with Tennessee Williams and Anaïs Nin, and yet unable to find lasting literary success. By turns madcap and serious, and enriched by interviews with Hoffman, Voight, and others, *Shooting*

Midnight Cowboy: Art, Sex, Loneliness, Liberation, and the Making of a Dark Classic is not only the definitive account of the film that unleashed a new wave of innovation in American cinema, but also the story of a country—and an industry—beginning to break free from decades of cultural and sexual repression. [Entertainment World](#) Rowman & Littlefield All of Me * Always on My Mind * Black Rose * Comin' Back to Texas * Crazy * Good Times * Heartaches of a Fool * I Am the Forest * I'm a Memory * It's My Lazy Day * Me and Paul * Mona Lisa * Moon River * On the Road Again * Take It to the Limit * To Each His Own * Uncloudy Day * What a Wonderful World * Will You Remember Mine * Yesterday's Wine and more. [Rock and Roll](#) Hal Leonard Corporation At last, the authorized biography of Townes Van Zandt (1944-1997), who wrote such unforgettable songs as "Pancho & Lefty" and "If I Needed You." Born to a wealthy oil family in Ft. Worth, Texas, hounded by alcoholism and depression, Van Zandt pursued a nomadic existence following his muse, whatever the cost to himself, friends, and relatives. Based on exclusive interviews with those close to Van Zandt, including his best friend Guy Clark and colleagues like Steve Earle and John Prine, *To Live's to Fly* captures all the humor, hijinks, poetry, and heartbreak of this revered, genuinely outlaw country artist. [American Troubadours](#) Rowman & Littlefield This book is the essential Dylan companion. In his seventh decade and still going strong, Bob Dylan is the ultimate singer-songwriter - hugely revered, bafflingly idiosyncratic, an enigma and a music legend responsible for a staggering number of classic songs. This new Rough Guide clarifies the mysteries surrounding the man and the music, looking at the lyrics, the influences, the legends, and the musicians he worked with. Features include: The Life: from Minnesota to Manchester, from the Albert Hall to the Never Ending Tour. The Music: 50 essential Dylan songs and the stories behind them; the albums, the bootlegs and the compilations; covers, comic songs and curiosities. Dylanology: the movies and the sayings; books and websites. -- Publisher description [Ultimate Ukulele Songbook](#) Black Dog & Leventhal An updated edition of the most comprehensive account of Bob Dylan's Nobel Prize-winning work yet published, with the full story of every recording session, every album, and every single released during his nearly 60-year career.

Bob Dylan: All the Songs focuses on Dylan's creative process and his organic, unencumbered style of recording. It is the only book to tell the stories, many unfamiliar even to his most fervent fans, behind the more than 500 songs he has released over the span of his career. Organized chronologically by album, Margotin and Guesdon detail the origins of his melodies and lyrics, his process in the recording studio, the instruments he used, and the contribution of a myriad of musicians and producers to his canon. **CD Review** Hardie Grant Publishing Offers discographies and reviews of recordings by hundreds of folk artists, with suggestions on what to buy and what to avoid [The Very Best of Electric Light Orchestra - All Over the World \(Songbook\)](#) Routledge Each chapter of *Chord Progressions For Songwriters* provides a comprehensive self-contained lesson on one of twenty-one popular chord progressions that every songwriter should know inside and out. Lessons cover ascending, basic (I-IV), blues, circle (VI-II-V-I), classic rock (I-bVII-IV), combination, descending, doo-wop (I-VIm-IV-V), ending, flamenco (Im-bVII-bVI-V), folk (I-V), introduction, jazz (IIIm-V-I), minor blues, one-chord, pedal point, rock and roll (I-IV-V), standard (I-VIm-IIIm-V), and turnaround progressions as well as rhythm and Coltrane changes. You will learn how key, duration, substitution, variation (adding or subtracting chords), and displacement (rearranged chord orders) are used to vary the sound of each progression. You will also take a look at the author's songwriter's notebook and work through exercises to reinforce key chapter concepts and get you started building your own progressions. *To Live's to Fly* Best of Harry Nilsson For voice and piano, with guitar diagrams and chord symbols. *How to Write Songs on Guitar* A Guitar-Playing and Songwriting Course Rob Sheffield, the Rolling Stone columnist and bestselling author of *Love Is a Mix Tape* offers an entertaining, unconventional look at the most popular band in history, the Beatles, exploring what they mean today and why they still matter so intensely to a generation that has never known a world without them. *Dreaming the Beatles* is not another biography of the Beatles, or a song-by-song analysis of the best of John and Paul. It isn't another exposé about how they broke up. It isn't a history of their gigs or their gear. It is a collection of essays telling the story of what this ubiquitous band means to a generation who grew up with the Beatles music on their parents'

stereos and their faces on T-shirts. What do the Beatles mean today? Why are they more famous and beloved now than ever? And why do they still matter so much to us, nearly fifty years after they broke up? As he did in his previous books, *Love is a Mix Tape*, *Talking to Girls About Duran Duran*, and *Turn Around Bright Eyes*, Sheffield focuses on the emotional connections we make to music. This time, he focuses on the biggest pop culture phenomenon of all time—The Beatles. In his singular voice, he explores what the Beatles mean today, to fans who have learned to love them on their own terms and not just for the sake of nostalgia. *Dreaming the Beatles* tells the story of how four lads from Liverpool became the world's biggest pop group, then broke up—but then somehow just kept getting bigger. At this point, their music doesn't belong to the past—it belongs to right now. This book is a celebration of that music, showing why the Beatles remain the world's favorite thing—and how they invented the future we're all living in today.

The Story Behind Every Track Wise Publications

George Harrison, Eric Clapton, and Me Hal Leonard Corporation

Musical scored for piano, vocal and guitar. Bob Dylan All the Songs Hachette Books Paul McCartney and John Lennon described him as the Beatles' "favorite group," he won Grammy awards, wrote and recorded hit songs, and yet no figure in popular music is as much of a paradox, or as underrated, as Harry Nilsson. In this first ever full-length biography, Alyn

Shipton traces Nilsson's life from his Brooklyn childhood to his Los Angeles adolescence and his gradual emergence as a uniquely talented singer-songwriter. With interviews from friends, family, and associates, and material drawn from an unfinished autobiography, Shipton probes beneath the enigma to discover the real Harry Nilsson. A major celebrity at a time when huge concerts and festivals were becoming the norm, Nilsson shunned live performance. His venue was the studio, his stage the dubbing booth, his greatest triumphs masterful examples of studio craft. He was a gifted composer of songs for a wide variety of performers, including the Ronettes, the Yardbirds, and the Monkees, yet Nilsson's own biggest hits were almost all written by other songwriters. He won two Grammy awards, in 1969 for "Everybody's Talkin'" (the theme song for *Midnight Cowboy*), and in 1972 for "Without You," had two top ten singles, numerous album successes, and wrote a number of songs—"Coconut" and "Jump into the Fire," to name just two—that still sound remarkably fresh and original today. He was once described by his producer Richard Perry as "the finest white male singer on the planet," but near the end of his life, Nilsson's career was marked by voice-damaging substance abuse and the infamous deaths of both Keith Moon and Mama Cass in his London flat. Drawing on exclusive access to Nilsson's papers, Alyn Shipton's biography offers readers an intimate portrait of a man who has seemed both famous and unknowable—until now.

The Willie Nelson Deluxe Anthology John Wiley & Sons

#1 NEW YORK TIMES BESTSELLER • For the first time, rock music's most famous muse tells her incredible story "A charming, lively and seductive book . . . The appeal of *Wonderful Tonight* is as self-evident as the seemingly simple but brash opening chord of 'A Hard Day's Night.'"—The New York Times Book Review Pattie Boyd, former wife of both George Harrison and Eric Clapton, finally breaks a forty-year silence and tells the story of how she found herself bound to two of the most addictive, promiscuous musical geniuses of the twentieth century and became the most legendary muse in the history of rock and roll. The woman who inspired Harrison's song "Something" and Clapton's anthem "Layla," Pattie Boyd has written a book that is rich and raw, funny and heartbreaking—and totally honest.

The Complete Resource for Every Uke Player! Dawn Publications (CA)

You want to write songs, and you want to write them on guitar. This updated twentieth-anniversary third edition of the bestselling songwriting handbook shows you how. Learn the techniques and tricks used in two thousand great songs by everyone from the Beatles, Bob Dylan, and David Bowie to Kings of Leon, U2, Amy Winehouse, and Ed Sheeran. Explore and understand the four main elements of a song—melody, harmony, rhythm, and lyrics—and learn how to use them in exciting new ways. Master song structure, intros, bridges, chord sequences, and key changes. Make the most of your guitar, with innovative chords, scales, modes, tunings, and recording techniques. Use the skills and insights of the great songwriters to create better, more memorable songs. The book gives many examples of classic chord sequences that can be used straight off the page. It explains the basic architecture of most songs. It contains an effective two-part chord dictionary for guitar, providing a set of basic shapes. A second section provides some chords for altered tunings. There are some examples of finger-picking patterns and strumming rhythms. There are chapters on lyric writing, rhythm, melody, and making a demo recording. There are inspirational quotes from famous songwriters, and a gallery of thirty notable albums from which much can be learned. It is everything you need to get started.

Art, Sex, Loneliness, Liberation, and the Making of a Dark Classic Chicago Review Press

Not only have a breathtaking array of musical giants come from the South—think Elvis Presley, Robert Johnson, Louis Armstrong, Jimmie Rodgers, to name just obvious examples—but so have a breathtaking array of American music genres. From blues to rock & roll to jazz to

country to bluegrass—and areas in between—it all started in the American South. Since its debut in 1996, The Oxford American's more-or-less annual Southern Music Issue has become legendary for its passionate and wide-ranging approach to music and for working with some of America's greatest writers. These writers—from Peter Guralnick to Nick Tosches to Susan Straight to William Gay—probe the lives and legacies of Southern musicians you may or may not yet be familiar with, but whom you'll love being introduced, or reintroduced, to. In one creative, fresh way or another, these writers also uncover the essence of music—and why music has such power over us. To celebrate ten years of Southern music issues, most of which are sold-out or very hard to find, the fifty-five essays collected in this dynamic, wide-ranging, and vast anthology appeal to both music fans and fans of great writing.
