NOVAK WILLIAMSON

The Metaphysics of John Stuart Mill Editora Appris

"There is no writer quite like Dolly Alderton working today and very soon the world will know it."-- Lisa Taddeo, author of #1 New York Times bestseller Three Women "Dolly Alderton has always been a sparkling Roman candle of talent. She is funny, smart, and explosively engaged in the wonders and weirdness of the world. But what makes this memoir more than mere entertainment is the mature and sophisticated evolution that Alderton describes in these pages. It's a beautifully told journey and a thoughtful, important book. I loved it."--Elizabeth Gilbert, New York Times bestselling author of Eat, Pray, Love and City of Girls The wildly funny, occasionally heartbreaking internationally bestselling memoir about growing up, growing older, and learning to navigate friendships, jobs, loss, and love along the ride When it comes to the trials and triumphs of becoming an adult, journalist and former Sunday Times columnist Dolly Alderton has seen and

tried it all. In her memoir, she vividly recounts falling in love, finding a job, getting drunk, getting dumped, realizing that Ivan from the corner shop might just be the only reliable man in her life, and that absolutely no one can ever compare to her best girlfriends. Everything I Know About Love is about bad dates, good friends and—above all else— realizing that you are enough. Glittering with wit and insight, heart and humor, Dolly Alderton’s unforgettable debut weaves together personal stories, satirical observations, a series of lists, recipes, and other vignettes that will strike a chord of recognition with women of every age—making you want to pick up the phone and tell your best friends all about it. Like Bridget Jones’ Diary but all true, Everything I Know About Love is about the struggles of early adulthood in all its terrifying and hopeful uncertainty.

A Backstage Tour of What the Music Industry Can Teach Us about Economics and Life Saraiva Educação S.A.

Há 15 anos foi criado o Sistema Brasileiro de Televisão Digital (SBTVD) e até os dias atuais continua sendo implementado. O objetivo do presente livro é analisar o uso da licença Creative Commons no SBTVD. O compartilhamento de conteúdo digital por meio de licenças Creative

Commons pode potencializar a educação e o desenvolvimento local no âmbito do SBTVD, com características de inovação social. Fruto de pesquisa bibliográfica e documental, juntamente com observações e experiências perceptivas, o livro recomenda o uso da licença Creative Commons como forma de socializar conteúdos na TV Digital, propiciando a educação e o desenvolvimento local. A tecnologia digital é um caminho sem volta e está sendo implementada, independentemente das dificuldades, pelo que se faz necessário refletir sobre os novos modelos de negócios decorrentes das novas tecnologias, bem como sobre os direitos autorais das obras audiovisuais que trafegam em nossas telas. O livro apresenta uma solução criativa para o compartilhamento de conteúdo, respeitando-se a legislação autoral e acompanhando a celeridade do mundo moderno e suas inúmeras possibilidades.

Making movies is no different than any other creative work - don't wait to be told you're good enough, just pick up a camera and start! Use this book to find out the essentials that work for most people, then go ahead and add your own ideas. Stand-Out Shorts is a distillation of the basics you

need to know, packed into a small space. Road-tested by emerging filmmakers like you, this book offers real experience, real interviews and tried and tested ideas and techniques to offer the simplest, most direct way to get started making movies. Loaded with check lists, tools, handy reference charts, this book covers just what you need to know to start: nothing more, nothing less.

Cosmos: Possible Worlds Univ. Press of Mississippi

“A refreshing and unique coming-of-age story...a beautiful and necessary meditation on finding strength in one’s culture.” —Entertainment Weekly, Top Pick of the Month “A YA marvel that will shock breath into your lungs. If you loved *The Wrath and the Dawn* and *Children of Blood and Bone*, *Mirage* will captivate you.” —The Christian Science Monitor “This debut fantasy has what it takes to be the next big thing in sci-fi/fantasy.” —SLJ, starred review “Immersive, captivating.” —ALA Booklist, starred review In a world dominated by the brutal Vathek empire, eighteen-year-old Amani is a dreamer. She dreams of what life was like before the occupation; she dreams of writing poetry like the old-world poems she adores; she dreams of receiving a sign from Dihya that one day, she, too, will have adventure, and travel beyond her isolated home. But when adventure comes for Amani, it is not what she expects: she is kidnapped by the regime and taken in secret to the royal palace, where she discovers that she is nearly identical to the cruel half-Vathek Princess Maram. The princess is so hated by her conquered people that she requires a body double, someone to appear in public as Maram, ready to die in her place. As Amani is forced into her new role, she can’t help but enjoy the palace’s beauty—and her time with the princess’ fiancé, Idris. But the glitter of the royal court belies a world of violence and fear. If Amani ever wishes to see her family again, she must play the princess to perfection...because one wrong move could lead to her death.

Hearings Before Subcommittee No. 3 Editora Insular

A New York Times Notable Book for 2011 A Washington Post Notable Fiction Book for 2011 A USA Today 10 Books We Loved Reading in 2011 Title One of NPR’s 10 Best Novels of 2011 What if—whoosh, right now, with no explanation—a number of us simply vanished? Would some of us collapse? Would others of us go on, one foot in front of the other, as we did before the world turned upside down? That’s what the bewildered citizens of Mapleton, who lost many of their neighbors, friends and lovers in the event known as the Sudden Departure, have to figure out. Because nothing has been the same since it happened—not marriages, not friendships, not even the relationships between parents and children. Kevin Garvey, Mapleton’s new mayor, wants to speed up the healing process, to bring a sense of renewed hope and purpose to his traumatized community. Kevin’s own family has fallen apart in the wake of the disaster: his wife, Laurie, has left to join the Guilty Remnant, a homegrown cult whose members take a vow of silence; his son, Tom, is gone, too, dropping out of college to follow a sketchy prophet named Holy Wayne. Only Kevin’s teenaged daughter, Jill, remains, and she’s definitely not the sweet “A” student she used to be. Kevin wants to help her, but he’s distracted by his growing relationship with Nora Durst, a woman who lost her entire family on October 14th and is still reeling from the tragedy, even as she struggles to move beyond it and make a new start. With heart, intelligence and a rare ability to illuminate the struggles inherent in ordinary lives, Tom Perrotta’s *The Leftovers* is a startling, thought-provoking novel about love, connection and loss.

Eleven Twenty-two Sixty-three Flatiron Books

Teen TV explores the history of television’s relationship to teens as a desired, but elusive audience, and the ways in which television has embraced youth subcultures, tracing the shifts in American and global televisual and teen media. Organized chronologically to cover each generation since the inception of the medium in the 1940s, the book examines a wide range of historical and contemporary programming: from the broadcast bottleneck, multi-channel era that included youth-targeted spaces like MTV, the WB, and the CW, to the rise of streaming platforms and global crossovers. It covers the thematic concerns and narrative structure of the coming-of-

age story, and the prevalent genre formations of teen TV and milestones faced by teen characters. The book also includes interviews with creators and showrunners of hit network television teen series, including Degrassi’s Linda Schuyler, and the costume designer that established a heightened turn in the significance of teen fashion on the small screen in *Gossip Girl*, Eric Daman. This book will be of interest to students, scholars, and teachers interested in television aesthetics, TV genres, pop culture, and youth culture, as well as media and television studies.

APPLYING UML & PATTERNS 3RD EDITION UNC Press Books

#1 New York Times Bestseller - Winner of the Pulitzer Prize - Winner of the National Book Award - Winner of the Andrew Carnegie Medal for Excellence in Fiction - Longlisted for the Man Booker Prize One of the Best books of the Year: The New York Times, The Washington Post, NPR, The Boston Globe, The Seattle Times, HuffPost, Esquire, Minneapolis Star Tribune Look for Whitehead’s acclaimed new novel, *The Nickel Boys*, available now Cora is a young slave on a cotton plantation in Georgia. An outcast even among her fellow Africans, she is on the cusp of womanhood--where greater pain awaits. And so when Caesar, a slave who has recently arrived from Virginia, urges her to join him on the Underground Railroad, she seizes the opportunity and escapes with him. In Colson Whitehead’s ingenious conception, the Underground Railroad is no mere metaphor: engineers and conductors operate a secret network of actual tracks and tunnels beneath the Southern soil. Cora embarks on a harrowing flight from one state to the next, encountering, like Gulliver, strange yet familiar iterations of her own world at each stop. As Whitehead brilliantly re-creates the terrors of the antebellum era, he weaves in the saga of our nation, from the brutal abduction of Africans to the unfulfilled promises of the present day. The Underground Railroad is both the gripping tale of one woman’s will to escape the horrors of bondage--and a powerful meditation on the history we all share.

Stand-Out Shorts Ediciones Paraninfo, S.A.

Always daring Hollywood censors’ limits on content, Billy Wilder directed greats such as Marilyn Monroe, Jack Lemmon, Ginger Rogers, Marlene Dietrich, Kirk Douglas, Audrey Hepburn, and Gary Cooper. Billy Wilder: Interviews follows the filmmaking career of one of Hollywood’s most honored and successful writer-directors and spans over fifty years. Wilder, born in 1906, fled from Nazi Germany and established himself in America. Starting with a celebrated 1944 *Life* magazine profile, the book traces his progress from his Oscar-winning heyday of the 1940s to the 1990s, in which he is still witty, caustic, and defiant. Often playful and sometimes outrageous, but just as often very serious, Wilder details his rise as a Berlin cub reporter to a fledgling screenwriter in Hollywood’s “Golden Age.” He tells the stories behind his brilliant direction of such classics as *Double Indemnity* (1944), *The Lost Weekend* (1945), *Sunset Boulevard* (1950), *Stalag 17* (1953), *Sabrina* (1954), *The Seven-Year Itch* (1955), *Some Like It Hot* (1959), and *The Apartment* (1960), among others. A dazzling raconteur, Wilder gives the scoop on the royalty of cinema, from the maddening magic of Monroe to the uncanny empathy of frequent alter ego Lemmon. Though his natural tendency is to spin marvelous anecdotes on the subject of show business, Wilder also delivers penetrating and instructive observations on his craft. On screen, his special blend of cynicism and romanticism was always expressed in a style that avoided showiness. Billy Wilder: Interviews includes in-depth profiles, spirited Q&A’s, and on-the-set glimpses of the director at work. Taken together, the interviews form an unofficial memoir of a sophisticated artist once described by a colleague as the most unusual and amusing man in Hollywood. Robert Horton is the film critic for *The Herald* in Everett, Washington. His work has been published in *Film Comment*, *New York Newsday*, *American Film*, and the *Seattle Weekly*.

Latin American Internet Primer Routledge

The first novel in Isaac Asimov’s classic science-fiction masterpiece, the Foundation series THE

EPIC SAGA THAT INSPIRED THE APPLE TV+ SERIES FOUNDATION, NOW STREAMING • Nominated as one of America’s best-loved novels by PBS’s *The Great American Read* For twelve thousand years the Galactic Empire has ruled supreme. Now it is dying. But only Hari Seldon, creator of the revolutionary science of psychohistory, can see into the future—to a dark age of ignorance, barbarism, and warfare that will last thirty thousand years. To preserve knowledge and save humankind, Seldon gathers the best minds in the Empire—both scientists and scholars—and brings them to a bleak planet at the edge of the galaxy to serve as a beacon of hope for future generations. He calls his sanctuary the Foundation. The Foundation novels of Isaac Asimov are among the most influential in the history of science fiction, celebrated for their unique blend of breathtaking action, daring ideas, and extensive worldbuilding. In *Foundation*, Asimov has written a timely and timeless novel of the best—and worst—that lies in humanity, and the power of even a few courageous souls to shine a light in a universe of darkness.

The House on Mango Street Candlewick Press

Este estudo apresenta os resultados de uma investigação acerca dos meios de comunicação étnicos em Portugal. Teve como objectivo principal compreender a dinâmica organizacional desses meios, que funções desempenham e que contribuições positivas oferecem às suas comunidades. Assim, através da elaboração de um “mapping”, foram levantados dados de sistemas e instrumentos de comunicação étnicos que, após análise, permitiram avançar conclusões sobre o seu uso e contribuição para Portugal. De facto, aspectos interessantes detectados pela recolha de dados apontam a importância dos media étnicos enquanto fonte de aproximação com a comunidade de imigrante que representam, informação como uma forma de integração, aproximação com o país e à cultura de origem, ou ainda como meio de reivindicação. Constatamos, portanto, que os media étnicos constituem uma ferramenta fundamental de interacção das redes sociais de imigrantes. Este estudo revela-se importante para os decisores políticos e sociedade civil, no que respeita à aplicabilidade e benefícios de sistemas de comunicação organizados e eficientes ao serviço das comunidades de imigrantes e órgãos que lidam com elas. Esperamos com este trabalho ter contribuído para uma maior compreensão das implicações dos fluxos migratórios em Portugal, através de um melhor conhecimento dos diferentes meios de comunicação étnicos presentes em território nacional.

SISTEMAS DE INFORMAÇÃO Observatório da Imigração, ACIDI, I.P.

An astonishing tale of one man’s search for Utopia.

Inside Black Mirror St. Martin’s Press

Alan Krueger, a former chairman of the president’s Council of Economic Advisers, uses the music industry, from superstar artists to music executives, from managers to promoters, as a way in to explain key principles of economics, and the forces shaping our economic lives. The music industry is a leading indicator of today’s economy; it is among the first to be disrupted by the latest wave of technology, and examining the ins and outs of how musicians create and sell new songs and plan concert tours offers valuable lessons for what is in store for businesses and employees in other industries that are struggling to adapt. Drawing on interviews with leading band members, music executives, managers, promoters, and using the latest data on revenues, royalties, streaming tour dates, and merchandise sales, *Rockonomics* takes readers backstage to show how the music industry really works--who makes money and how much, and how the economics of the music industry has undergone a radical transformation during recent decades. Before digitalization and the ability to stream music over the Internet, rock stars made much of their income from record sales. Today, income from selling songs has plummeted, even for superstars like James Taylor and Taylor Swift. The real money nowadays is derived from concert sales. In 2017, for example, Billy Joel earned \$27.4 million from his live performances, and less than \$2 million from record sales and streaming. Even Paul McCartney, who has written and recorded more number one songs than anyone in music history, today, earns 80 percent of his income from live concerts. Krueger tackles

commonly asked questions: How does a song become popular? And how does a new artist break out in today's winner-take-all economy? How can musicians and everyday workers earn a living in the digital economy?
