Between serving the man his brew at ungodly hours and doing his dirty work, she also has to attend college, ace her exams, and find a way to contact her father and sister who have abandoned her. 'Immersive and affecting...utter bliss.' — Marian Keyes
 Compelling, moving and teeming with feral desire: Elizabeth Haynes's new novel is an intoxicating story of love and redemption, set on a wild and windswept Scottish island. Rachel is at crisis point. A series of disastrous decisions has left her with no job, no home, and no faith in herself. But an unexpected job offer takes her to a remote Scottish island, and it feels like a chance to recover and mend her battered self-esteem. The island's other inhabitants are less than welcoming. Fraser Sutherland is a taciturn loner who is not happy about sharing his lighthouse - or his precious coffee beans - and Lefty, his unofficial assistant, is a scrawny, scared lad who isn't supposed to be there at all. Homesick and out of her depth, Rachel is sure she's made another huge mistake. But, as spring turns to summer, the wild beauty of the island begins to captivate her soul.

Gideon calls me his angel, but he's the miracle in my life. My gorgeous, wounded warrior, so determined to slay my demons while refusing to face his own. The vows we'd exchanged should have bound us tighter than blood and flesh. Instead they opened up old wounds, exposed pain and insecurities, and lured bitter enemies out of the shadows.

Secret aspiring comedian Autumn Reynolds is a girl gone...not wild exactly. More like lazy. Since her boyfriend abandoned her in New York City for a bunch of improv groupies she's had two priorities; sucking the nitrous out of whipped cream cans and making sex comics about her mysterious landlord. Blake hates people-and sunlight-with good reason. Imagine his surprise when he finds himself lusting after his upstairs tenant, a sunny, Australian people pleaser down on her luck. Turns out his ability to terrify with a single scowl comes with an advantage. Autumn seems to like it. A lot. As evidenced by the prisoner-captive comic

Blake was never meant to see. As they embark on a three-date arrangement the rules are clear; filthy, ground breaking sex, no feelings or commitment required. When chemistry is this strong, though, attachment follows. As Blake and Autumn attempt to negotiate their New York romance, their prior histories and secret dreams come to the foreground. How long can these polar opposites remain Captivated, when all signs point to disaster?

Most of us worry that we're not very good negotiators - too quick to concede or too abrupt in our approach. But negotiation is present in almost every social interaction - we cannot avoid it. Neale and Lys present a practical new approach that will help you master this crucial everyday skill in every situation. Instead of focusing on reaching agreement at any cost, Neale and Lys reveal how to overcome our psychological biases and assess the hidden value in any negotiation. They explain how to know what a good deal is; when to negotiate and when to walk away; why keeping a

straight face can prevent you from getting the best deal; when to make the first offer and when to wait; and why meeting in the middle can result in both sides being worse off. Drawing on three decades of ground-breaking research into behavioural economics, psychology and strategic thinking, *Getting (More of) What You Want* will revolutionise the way you approach negotiation.

Whether you're looking for a better deal on your new car, asking for a pay rise, selling your company or just deciding who does the washing up, this book will help you become a more successful, more efficient negotiator - and get more of exactly what you want.
