The Ancestry of Nathan Lewis Harrison Lulu.com

An update and revised guide by the host of National Public Radio's Performance Today recommends the best recordings of the three hundred most important classical works, and provides background information on each composer. Original.

Literature Connections to World History, K-6 OUP Oxford

Just twenty-six when the electrifying premiere of his *Cavalleria Rusticana* at the Teatro Costanzi in Rome catapulted the impoverished musician into sudden fame and fortune, Pietro Mascagni (1863-1945) went on to write fifteen more operas, including *L'Amico Fritz*, *Guglielmo Ratcliff*, *Iris*, *Parisina*, and *Il Piccolo Marat*. With privileged access to extensive primary sources, including Mascagni's 4,200 letters to Anna Lolli, his mistress for more than three decades, author Alan Mallach provides a compelling portrait of a flamboyant, combative, and emotional man who was passionately devoted to the Italian opera tradition and committed to innovation in musical language and dramatic form. Deftly combining serious biography with critical commentary, Mallach begins with the captivating story of Mascagni's rags-to-riches adventure, from his birth in Livorno in Tuscany, to his musical studies first with Alfredo Soffredini and later at the Milan Conservatory, to his years as a vagabond musician, to the worldwide success of his breakthrough opera. He then traces Mascagni's private and professional life after *Cavalleria*, examining a prolific yet controversial career that was forever overshadowed by the work that unexpectedly thrust him into the limelight. Mallach provides a full analysis of Mascagni's oeuvre and discusses his complex relationships with such Italian cultural and political figures as Edoardo Sonzogno, Giacomo Puccini, Gabriele D'Annunzio, Luigi Illica, and Benito Mussolini. He also thoroughly chronicles Mascagni's bouts with manic depression, his marriage to Lina and devotion to their three children, his grueling schedule of concert and operatic tours, his patriotism and bitter opposition to Italy's involvement in both world wars, and his passionate love affair with Anna Lolli. This richly textured biography will appeal to fans of the still beloved and popular *Cavalleria*, and it will introduce opera enthusiasts to the power, intensity, and melodic beauty of the brilliant composer's many other significant works.

Schwann Compact Disc Catalog Libraries Unlimited

Rock music of all varieties has been influenced by classical music and vice versa, both in the form of direct quotes and in the form of borrowings of style, composition, and instrumentation. The average listener may be unaware of the many links between rock music and the classics. One might remember a few examples, such as Walter Murphy's chart-topping "A Fifth of Beethoven" or Eric Carmen's "All by Myself," but pass them off as interesting anomalies. However, the influence of the classics on rock music is pervasive and grows from a long line of precedents. This second supplement to Janell R. Duxbury's original 1985 discography, *Rockin' the Classics and Classicizin' the Rock*, brings the earlier work and first supplement up-to-date with hundreds of new entries documenting recently released or newly discovered examples of the interconnection between these musical genres. Duxbury details nearly 700 new examples of recorded rock instrumentals and songs that borrow musical themes from the classics. Variations range from contemporary renditions of complete classical works to brief classical quotes or phrases subtly incorporated into rock compositions. Duxbury also gives additional examples of recorded orchestral versions of songs originally composed and/or written by rock artists. In these examples, the musical style varies from strict classical interpretations to pop-style orchestral renditions. The second supplement then expands Duxbury's original compilation of sound recordings and live performances of rock groups performing with established orchestras and choruses, selected samples of recorded rock music that simulate baroque or classical sound/structure, examples of the manifest influence of rock on classical music, and instances of rock artists and classical artists switching roles. Lastly, this discography updates the 1985 version and the first supplement with new information, expanded details, and minor corrections to the earlier works. An extended list of selected non-rock background examples is included in several new appendixes. The Preface is updated. A general index includes the names of classical composers, rock artists and groups, orchestras, choruses, orchestra conductors, sound recording producers, and song or instrumental titles. With its incomparable scope and content, this supplement, together with Duxbury's previous discography, and its first supplement will be appreciated by students, researchers, record collectors, trivia buffs, music industry employees, and fans of rock music and the classics.

Magifunmusic Bradt Travel Guides

A new edition of the most comprehensive guide to Ukraine, featuring practical information and in-depth culture and history.

How do the films of Kubrick communicate mental events of characters in a purely visual manner? And how does the music in his films express meaning when music in essence is an abstract and non-representational art form? Drawing on state-of-the-art discoveries within embodied cognitive science, this book sets out to address these and other questions by revealing Kubrick as a genuine artist of embodied meaning-making, a filmmaker who perhaps more than any other director, uses all the resources of filmmaking in such a controlled and dense manner as to elicit the embodied tools necessary to achieve a level of conceptual clarity.

Using Boomwhackers, colorful tubes tuned to different musical notes, students learn to play ten classic themes by great composers. Includes teaching suggestions and reproducible visuals.

Theatrical Costume, Masks, Make-Up and Wigs Workman Publishing

First published in 2000. Routledge is an imprint of Taylor & Francis, an informa company.

Rockin' the Classics and Classicizin' the Rock: OUP Oxford

This book, which contains more than 40 pieces, is intended for those guitarists who have broad interests. Based mainly in the traditional "classical" guitar style exemplified by Andres Segovia, the book also explores a variety of other genres, from the syncopated Brazilian rhythms of Bossa Nova to American blues, ragtime, and jazz. It is intended to give the student a systematically presented technical foundation, while also building an enjoyable repertoire of attractive musical selections in a variety of traditional and contemporary styles. Titles include: Pomp and Circumstance * Habanera * The Can Can * Carcassi Nova * Romance of the Roses * The Trumpet Voluntary * Winter (from Vivaldi's Four Seasons) * Danny Boy * Pavane * South Beach Rumba, Part 1 * Chromatic Rag * Telemann Canon and many more. All titles in the book are also included on the CD.

Heritage Rare Stamps Auction #1109 Ateneo De Manila University Press

More than twenty years in the making, Country Music Records documents all country music recording sessions from 1921 through 1942. With primary research based on files and session logs from record companies, interviews with surviving musicians, as well as the 200,000 recordings archived at the Country Music Hall of Fame and Museum's Frist Library and Archives, this notable work is the first compendium to accurately report the key details behind all the recording sessions of country music during the pre-World War II era. This discography documents--in alphabetical order by artist--every commercial country music recording, including unreleased sides, and indicates, as

completely as possible, the musicians playing at every session, as well as instrumentation. This massive undertaking encompasses 2,500 artists, 5,000 session musicians, and 10,000 songs. Summary histories of each key record company are also provided, along with a bibliography. The discography includes indexes to all song titles and musicians listed.

Wilhelm Tell ABC-CLIO

Guide to the Euphonium Repertoire is the most definitive publication on the status of the euphonium in the history of this often misunderstood and frequently under-appreciated instrument. This volume documents the rich history, the wealth of repertoire, and the incredible discography of the euphonium. Music educators, composers/arrangers, instrument historians, performers on other instruments, and students of the euphonium (baritone horn, tenor tuba, etc.) will find the exhaustive research evident in this volume's pages to be compelling and comprehensive. Contributors are Lloyd Bone, Brian L. Bowman, Neal Corwell, Adam Frey, Marc Dickman, Bryce Edwards, Seth D. Fletcher, Carroll Gotcher, Atticus Hensley, Lisa M. Hocking, Sharon Huff, Kenneth R. Kroesche, R. Winston Morris, John Mueller, Michael B. O'Connor, Eric Paull, Joseph Skillen, Kelly Thomas, Demondrae Thurman, Matthew J. Tropman, and Mark J. Walker.

William Tell UPNE

This book is about teaching the joy and understanding of classical music to young children. It is about enhancing intelligence and building self-confidence through music. It is about leading the child into a journey of self-discovery and many joyful experiences, through music, that should last a lifetime. The book is full of practical ideas, methods, techniques, and lesson plans for school teachers, parents, hospital caregivers, and musicians at every level who could obtain wonderful results through teaching, sharing, and living this timeless art. It is aimed at finding a way to retain this beautiful art in our education system. It is aimed at possibly creating loving work for parents, grandparents, caregivers, and young students. It is aimed at spreading love and communication through an art that has been around for centuries and is so readily available to all through modern technology. It is aimed at teaching the world to sing, love, laugh, communicate, and play through classical music! This book addresses the concepts, theories, and performance aspects of music, like many other books written, but with detailed lesson plans and stories so a person, with a short course of music training, could get straight to work and start teaching a music class. The book is written with step-by-step processes that are fun for children. The activities and ideas in this book have been practised with countless children by the author for the past twenty-two years.
