NEW YORK TIMES BESTSELLER • "A simply elegant memoir."—Newsweek In this exquisitely written memoir, Mia Farrow takes us on a journey into her remarkable life. As the daughter of actress Maureen O'Sullivan and film director John Farrow, she lived what was by all appearances a charmed and

privileged childhood. But below the surface, money troubles, marital tensions, drinking, and occasionally violence marred the Hollywood illusion. And when Mia was nine, she would be forever wrenched from childhood by the terrible isolation of a bout with polio. Her father's death propelled her out into the world, where she embarked onto an acting career that included television, theater, and film—from her debut in *Peyton Place* to her first starring role in *Rosemary's Baby*, and on to her thirteen films with Woody Allen. Here is a luminous memoir of childhood and motherhood, a thoughtful exploration of a spiritual journey, and a candid examination of her marriages to Frank Sinatra and André Previn and her close but troubled twelve-year relationship with Woody Allen. Told with grace and deep understanding, as well as humor, *What Falls Away* is an unforgettable book, an extraordinary record of an extraordinary life.

In this State Standards-aligned Literature Kit™, we divide the novel by chapters or sections and feature reading comprehension and vocabulary questions. In every section, we include Before You Read and After You Read questions. The Before You Read activities prepare students for reading by setting a purpose for reading. They stimulate background knowledge and experience, and guide students to make connections between what they know and what they will learn. The After You

Read activities check students' comprehension and extend their learning. Students are asked to give thoughtful consideration of the text through creative and evaluative short-answer questions and journal prompts. Also included are writing tasks, graphic organizers, comprehension quiz, test prep, word search, and crossword to further develop students' critical thinking and writing skills, and analysis of the text. About the Novel: The Great Gatsby, written by F. Scott Fitzgerald, is a story about a man prospering from the Jazz Age, and his inevitable downfall. Told through the eyes of Nick Carraway, we are introduced to his mysterious neighbor—Jay Gatsby—who spends every evening throwing lavish parties. One such night, Nick is extended an invitation. There, we learn of Gatsby's intention of using Nick to facilitate a reunion between Gatsby and his lost love, Daisy Buchanan.. Daisy, who lives across the lake in the house with the green light at the end of the dock, also happens to be Nick's cousin. Daisy and Gatsby reunion leads to a tragic love affair that changes the lives of each character forever. The Great Gatsby is a classic tale of the rise and fall, and perseverance of mankind. All of our content is aligned to your State Standards and are written to Bloom's Taxonomy.
