MARQUEZ ISABEL

Ultimate Journaling Book for Gravity Falls, Diarios Gravity Falls 1 2 3
HarperFestival

Perfect for fans new and old, this collection of Gravity Falls stories shares Dipper and Mabel's recollections of the adventures they shared visiting their Uncle Stan's Mystery Shack. The Gravity Falls twist? Each retelling is accompanied by a short "Grunkle Stan version of the same story written from his gruff, humorous perspective. Readers have the choice of reading the Dipper and Mabel version, the Grunkle Stan version. Designed to parody a classic bedtime storybook, fans will love the playful twist on bedtime storytelling delivered by Dipper and Mabel.

You Don't Get to Be Bored
Open Court

Explores the early stages of the development of string theory; essential reading for physicists, historians and philosophers of science.

Although a prolific writer of plays, travelogues, novels, and poems, Andersen is best remembered for his fairy tales. Andersen's popularity is not limited to children; his stories, called "fairy-tales" in English, express themes that transcend age and nationality. Andersen's fairy tales, which have been translated into more than 125 languages, have become culturally embedded in the West's collective consciousness, readily accessible to children, but presenting lessons of virtue and resilience in the face of adversity for mature readers as well. Some of his most famous fairy tales include "The Little Mermaid", "The Ugly Duckling", "The Nightingale", "The Emperor's New Clothes" and many more.

From Dipper's advice on how to handle the supernatural, to unlocking codes and ciphers, this imaginative guide is sure to be a hit with fans of the show!
The Great Reset Simon and Schuster
Created by Kentaro Miura, Berserk is manga mayhem to the extreme - violent, horrifying, and

mercilessly funny - and the wellspring for the internationally popular anime series. Not for the squeamish or the easily offended, Berserk asks for no quarter - and offers none! His name is Guts, the Black Swordsman, a feared warrior spoken of only in whispers. Bearer of a gigantic sword, an iron hand, and the scars of countless battles and tortures, his flesh is also indelibly marked with The Brand, an unholy symbol that draws the forces of darkness to him and dooms him as their sacrifice. But Guts won't take his fate lying down; he'll cut a crimson swath of carnage through the ranks of the damned - and anyone else foolish enough to oppose him! Accompanied by Puck the Elf, more an annoyance than a companion, Guts relentlessly follows a dark, bloodstained path that leads only to death...or vengeance.

At the moment when Mabel wins Waddles the pig at the Mystery Fair, Dipper ruins his chance to impress Wendy. But when Dipper finds a way to travel back in time and changes his fate with Wendy, Mabel's fate also changes—for the worse. Will Dipper and Mabel tweak time so they both leave the fair a winner? Will Mabel ever share a slice of pizza with her beloved Waddles again? Then, when a prehistoric creature snatches up Waddles, it's up to the Gravity Falls gang to save him! Readers will love this chapter book filled with black-and-white art from the show.

Electronic Content
In The Great Reset: Joe Biden and the Rise of Twenty-First-Century Fascism, New York Times bestselling author and nationally syndicated radio host Glenn Beck

argues that the American way of life will not survive the Great Reset and warns us to stop it before it's too late to reverse course. An international conspiracy between powerful bankers, business leaders, and government officials; closed-door meetings in the Swiss Alps; and calls for a radical transformation of every society on earth—the Great Reset sounds like it is one henchman-with-an-eyepatch away from being the plot for the next James Bond movie. But the Great Reset is not a work of fiction. It is a highly influential movement among the world's elite to "reset" the global economy using banks, government programs, and environmental, social, and governance metrics. If they are successful and the Great Reset is finalized, it would put substantially more economic and social power in the hands of large corporations, international institutions, banks, and government officials, including Joe Biden, the United Nations, and many of the members of the World Economic Forum. In The Great Reset: Joe Biden and the Rise of Twenty-First-

Century Fascism, Glenn Beck uses his trademark blend of humor, storytelling, and detailed analysis to reveal for the first time the unbelievable truth about the Great Reset, tying together nearly two decades of groundbreaking research about authoritarian movements and their efforts to fundamentally transform the United States. The roadmap to stopping the Great Reset begins with fully understanding what the free peoples of the world are up against, and no resource provides more information about this radical movement than Glenn Beck's *The Great Reset: Joe Biden and the Rise of Twenty-First-Century Fascism*.

Blendin Blandin is searching for the legendary Time Pirates' Treasure, and he needs Dipper and Mabel's help . . . and yours, too! Journey through time and explore the dragon-infested medieval era, the Weird-and-Wild West, and the laser-and-giant-baby-filled future. YOU choose from multiple paths that lead to different wacky adventures! You might end up finding the greatest treasure ever known, or you could send the twins and Blendin into an abyss from which they will never escape! This all-new Select Your Own Choose-Venture time-travel treasure hunt book features thrilling adventures, original artwork, and an exclusive

double-sided poster! The book's author, Jeffrey Rowe, wrote episodes of Gravity Falls; Alex Hirsch, the creator of the show, provided additional story for the book; and the book's illustrator, Emmy Cicierega, was a storyboard artist for the show.

Disney Gravity Falls Cinestory Comic Vol. 1 DC Comics

AN AUSPICIOUS DEBUT EXAMINING THE CULTURE OF HAIR FROM THE RONA JAFFE FOUNDATION AWARD-WINNING

CARTOONIST Hot Comb offers a poignant glimpse into Black women's lives and coming of age stories as seen across a crowded, ammonia-scented hair salon while ladies gossip and bond over the burn. The titular story "Hot Comb" is about a young girl's first perm—a doomed ploy to look cool and to stop seeming "too white" in the all-black neighborhood her family has just moved to. In "Virgin Hair" taunts of "tender-headed" sting as much as the perm itself. It's a scenario that repeats fifteen years later as an adult when, tired of the maintenance, Flowers shaves her head only to be hurled new put-downs. The story "My Lil Sister Lena" traces the stress

resulting from being the only black player on a white softball team. Her hair is the team curio, an object to be touched, a subject to be discussed and debated at the will of her teammates, leading Lena to develop an anxiety disorder of pulling her own hair out. Among the series of cultural touchpoints that make you both laugh and cry, Flowers recreates classic magazine ads idealizing women's needs for hair relaxers and product. "Change your hair form to fit your life form" and "Kinks and Koils Forever" call customers from the page. Realizations about race, class, and the imperfections of identity swirl through Flowers' stories and ads, which are by turns sweet, insightful, and heartbreaking. Flowers began drawing comics while earning her PhD, and her early mastery of sequential storytelling is nothing short of sublime. Hot Comb is a propitious display of talent from a new cartoonist who has already made her mark.
