 India, 1658.
 History blazes in the pages of Tiger Claws as passion and desire ignite India's Muslim-Hindu conflict. The adventure that began with The Temple Dancer now continues as Maya, the temple dancer, traveling by caravan to her new owner, is kidnapped by the bandit prince Shivaji, and their destinies unite.

Meanwhile, in the jeweled palace of Agra, Aurangzeb---a fanatic warrior-prince with an insatiable lust for power---conspires with the Eunuch Brotherhood to overthrow his own father, the dissolute Mogul Emperor. Shivaji reforges Maya's broken sword, sparking a rebellion that will rage across India and shatter the Mogul Empire. To this day, the names Shivaji and Aurangzeb inspire fierce love and fiercer hatred. Only the vast canvas of an epic novel can truly embody them. In Tiger Claws, a master storyteller breathes new life into their history---a conflict that shaped the face of India, and our world today. With thrilling, sensual prose, John Speed weaves a rich tapestry of intertwining stories---of commoner and king, of

women and the men they love, of Hindu priest and Muslim sheik, of eunuch, farang, and devadasi; a world of violence, passion, and heartbreak; of unexpected wonder and enduring love.

Happy Families

Macmillan
The latest novel from #1 New York Times bestselling author Philippa Gregory features one of the most famous women in history, Lady Jane Grey, and

her two sisters, each of whom dared to defy her queen. Jane Grey was queen of England for nine days. Her father and his allies crowned her instead of the dead king's half-sister Mary Tudor, who quickly mustered an army, claimed her throne, and locked Jane in the Tower of London. When Jane refused to betray her Protestant faith, Mary sent her to the executioner's block, where Jane

transformed her father's greedy power-grab into tragic martyrdom. "Learn you to die," was the advice Jane wrote to her younger sister Katherine, who has no intention of dying. She intends to enjoy her beauty and her youth and fall in love. But she is heir to the insecure and infertile Queen Mary and then to her sister Queen Elizabeth, who will never allow Katherine to

marry and produce a Tudor son. When Katherine's pregnancy betrays her secret marriage, she faces imprisonment in the Tower, only yards from her sister's scaffold. "Farewell, my sister," writes Katherine to the youngest Grey sister, Mary. A beautiful dwarf, disregarded by the court, Mary keeps family secrets, especially her own, while avoiding Elizabeth's

suspicious glare. After seeing her sisters defy their queens, Mary is acutely aware of her own danger, but determined to command her own life. What will happen when the last Tudor defies her ruthless and unforgiving cousin Queen Elizabeth? **Witnesses of Time** The Eagle's Throne A Novel In these spectacular vignettes, the internationally acclaimed author Carlos Fuentes explores

Tolstoy's classic observation that "happy families are all alike; every unhappy family is unhappy in its own way." In "A Family Like Any Other," each member of the Pagán family lives in isolation, despite sharing a tiny house. In "The Mariachi's Mother," the limitless devotion of a woman is revealed as she secretly tends to her estranged son's wounds. "Sweethearts" reunites old lovers

unexpectedly and opens up the possibilities for other lives and other loves. These are just a few of the remarkable stories in *Happy Families*, but they all inhabit Fuentes's trademark Mexico, where modern obsessions bump up against those of the mythic past--and the result is a triumphant display of the many ways we reach out to one another and find salvation

through irrepressible acts of love. **The Eagle's Throne** A&C Black

The Years with Laura Díaz Farrar, Straus and Giroux
If you were one of King Henry VIII's six wives, who would you be? Would you be Anne Boleyn, who literally lost her head? Would you be the subject of rumor and scandal like Catherine Howard? Or would you get away and

survive like Anna of Cleves? Meet them and Henry's other queens--each bound for divorce or death--in this epic and thrilling novel that reads like fantasy but really happened. Watch spellbound as each of these women attempts to survive their unpredictable king as he grows more and more obsessed with producing a male heir. And discover how the power-hungry court fanned the

flames of Henry's passions . . . and his most horrible impulses. Whether you're a huge fan of all things Tudor or new to this jaw-dropping saga, you won't be able to get the unique voices of Henry and his wives--all brought to life by seven award-winning and bestselling authors--out of your head. This is an intimate look at the royals during one of the most treacherous times in

history. Who will you root for and who will you love to hate? ONE OF THE NYPL TOP TEN BEST BOOKS OF THE YEAR "Ambitious and exciting." --Bustle "A clever, feminist reimagining of one of English history's most fascinating moments." --Refinery29 "These stories of love, lust, power and intrigue never fail to fascinate." -- Shelf Awareness, Starred Review Who's Who- M. My Father, a City, and the Conflict That Divided America
Penguin UK
In The Old Gringo, Carlos

Fuentes brings the Mexico of 1916 uncannily to life. This novel is wise book, full of toughness and humanity and is without question one of the finest works of modern Latin American fiction. One of Fuentes's greatest works, the novel tells the story of Ambrose Bierce, the American writer, soldier, and journalist, and of his last mysterious days in Mexico living among Pancho Villa's soldiers,

particularly his encounter with General Tomas Arroyo. In the end, the incompatibility of the two countries (or, paradoxically, their intimacy) claims both men, in a novel that is, most of all, about the tragic history of two cultures in conflict.

Reflections on Spain and the New World Simon and Schuster
 Seventy-one-year-old Mexican financier recalls the turbulent days of his life, as he lies dying.

Stories
 Bloomsbury Publishing
 From time immemorial, Mexico's legendary beauty has been matched by intense historical drama. Mayan mythmakers, Aztec emperors, Spanish conquistadors, Yankee and French invaders, dictators and peasant revolutionaries are still vivid influences on Mexico's present. In this stunning collection of essays, first published in Britain in

1997, Carlos Fuentes examines Mexico as it faces a new time. Torn between tradition and modernity, impatient with an exhausted political system but unsure how and with what to replace it, Mexicans are struggling to make the transition from authoritarian to democratic politics. Fuentes' bold and timely study discusses the origins and nature of the unforeseen events that have transformed Mexico's politics and society: the 1994 rebellion in Chiapas, the subsequent rash of assassinations, the break between Presidents Salinas and Zedillo, and continual traumas for democratic self-rule. *A Novel* Farrar Straus & Giroux

The internationally acclaimed author Carlos Fuentes, winner of the Cervantes Prize and the Latin Civilization Award, delivers a stunning work of fiction about family and love across an expanse of Mexican life, reminding us why he has been called "a combination of Poe, Baudelaire, and Isak Dinesen" (Newsweek). In these masterly vignettes, Fuentes explores Tolstoy's classic observation that "happy families are all alike; every unhappy family is unhappy in its

own way.” In “A Family Like Any Other,” each member of the Pagan family lives in isolation, despite sharing a tiny house. In “The Mariachi’s Mother,” the limitless devotion of a woman is revealed as she secretly tends to her estranged son’s wounds. “Sweethearts” reunites old lovers unexpectedly and opens up the possibilities for other lives and other loves. These are just a few of the

remarkable stories in Happy Families, but they all inhabit Fuentes’s trademark Mexico, where modern obsessions bump up against those of the mythic past, and the result is a triumphant display of the many ways we reach out to one another and find salvation through irrepressible acts of love. In this spectacular translation, the acclaimed Edith Grossman

captures the full weight of Fuentes’s range. Whether writing in the language of the street or in straightforward, elegant prose, Fuentes gives us stories connected by love, including the failure of love-between spouses, lovers, parents and children, siblings. From the Mexican presidential palace to the novels of the poor and the vast expanse of humanity in between, Happy

Families is a magnificent portrait of modern life in all its complicated beauty, as told by one of the world's most celebrated writers. Praise for Carlos Fuentes Winner of the Cervantes Prize The Old Gringo "A dazzling novel that possesses the weight and resonance of myth [and] the fierce magic of a remembered dream." -The New York Times The Death of Artemio Cruz "Remarkable in the scope of the human drama it pictures, the corrosive satire and sharp dialogue." -The New York Times Book Review The Years with Laura Díaz "Reading this magnificent novel is like standing beneath the dome of the Sistine Chapel. . . . The breadth and enormity of this accomplishment is breathtaking." -The Denver Post This I Believe "Engaging, offering surprising conclusions, provocations or turns of phrase . . . Put down the page-turner and dare to drink these full-bodied, red, shining words." -Los Angeles Times Book Review The Eagle's Throne "Dazzling, razor-sharp . . . prescient . . . a feast of political insight." -The Washington Post Book World The Crystal Frontier Vintage In his first book of stories since The Bridegroom,

National Book Award-winning author Ha Jin gives us a collection that delves into the experience of Chinese immigrants in America. A lonely composer takes comfort in the antics of his girlfriend's parakeet; young children decide to change their names so they might sound more "American," unaware of how deeply this will hurt their grandparents; a Chinese

professor of English attempts to defect with the help of a reluctant former student. All of Ha Jin's characters struggle to remain loyal to their homeland and its traditions while also exploring the freedom that life in a new country offers. Stark, deeply moving, acutely insightful, and often strikingly humorous, *A Good Fall* reminds us once again of the storytelling

prowess of this superb writer. Christopher Unborn A&C Black Winner of the Cervantes Prize Carlos Fuentes, one of the world's most acclaimed authors, is at the height of his powers in this stunning new novel—a magnificent epic of passion, magic, and desire in modern Mexico, a rich and remarkable tapestry set in a world where free will fights with the wishes of the

gods. Josué Nadal has lost more than his innocence: He has been robbed of his life—and his posthumous narration sets the tone for a brilliantly written novel that blends mysticism and realism. Josué tells of his fateful meeting as a skinny, awkward teen with Jericó, the vigorous boy who will become his twin, his best friend, and his shadow. Both orphans, the two young men intend to spend their lives in

intellectual pursuit—until they enter an adult landscape of sex, crime, and ambition that will test their pledge and alter their lives forever. Idealistic Josué goes to work for a high-tech visionary whose stunning assistant will introduce him to a life of desire; cynical Jericó is enlisted by the Mexican president in a scheme to sell happiness to the impoverished masses. On his journey

into a web of illegality in which he will be estranged from Jericó, Josué is aided and impeded by a cast of unforgettable characters: a mad, imprisoned murderer with a warning of revenge, an elegant aviatrix and addict seeking to be saved, a prostitute shared by both men who may have murdered her way into a brilliant marriage, and the prophet Ezekiel himself. Mixing ancient mythologies

with the sensuousness and avarice and need of the twenty-first century, Destiny and Desire is a monumental achievement from one of the masters of contemporary literature. Tiger Claws Random House Young Jose Francisco grows up in Texas, determined to write about the border world - the immigrants and illegals, Mexican poverty and Yankee prosperity - stories to

break the stand-off silence with a victory shout, to shatter at last the crystal frontier. Holy Place Random House Story of contemporary, tumultuous Mexico City, its oppressed workers, its displaced aristocrats, its decadent international set, and its heritage of rebellion. **The Old Gringo** Farrar, Straus and Giroux A magical short novel that weaves together two stories, two

couples, two different times, and two grand passions In one of the narratives that comprise this superb new novel from Carlos Fuentes, we are introduced to Gabriel Atlan-Ferrara, a fabled orchestral conductor, and his great love Inez Prada, a renowned singer. In the other, Fuentes memorably delineates the very first encounter in human history between a man and a woman. In

one, the intense drama of Berlioz's music for The Damnation of Faust informs the action; in the other, we watch as a slowly emergent love shapes the nature and character of the two protagonists. A beautiful crystal seal -- the meaning of which is a mystery that obsesses Atlan-Ferrara, who owns it -- unites these two narratives; the magical seal allows one to read unknown languages and hear

impossible music, and it is the symbol of a shared love. The duality of Carlos Fuentes's brilliant new novel mirrors two eras, one in the deepest remote time and one in a time to come, but the passions evoked in both, reflected against each other like two sides of a crystal seal, break the limits of time and space and unite in one story. And, like the light refracted through the seal, it begins

in prehistory and spirals out into infinity . . . In Inez, we find Carlos Fuentes at the height of his magical and realist powers. This profound and beautiful work confirms his standing as Mexico's pre-eminent novelist.

The Good
Conscience is
Carlos
Fuentes's
second novel.
The scene is
Guanajuato, a

<p>provincial capital in Central Mexico, once one of the world's richest mining centers. The Ceballos family has been reinstated to power, and adolescent Jaime Ceballos, its only heir, is torn between</p>	<p>the practical reality of his family's life and the idealism of his youth and his Catholic education. His father is a good man but weak; his uncle is powerful, yet his actions are inconsistent with his professed</p>	<p>beliefs. Jaime's struggle to emerge as a man with a "good conscience" forms the theme of the book: can a rebel correct the evils of an established system and at the same time retain the integrity of his principles?</p>
