Conveyancing Law and Practice Bloomsbury Publishing
 This book comprises a collection of papers given at the third biennial conference of the Centre for Property Law at the University of Reading held in March 2000, and is the first in the series 'Modern Studies in Property Law'. The Reading conference is becoming well-known as a unique opportunity for property lawyers to meet and confer both formally and informally; this volume marks a new development, being a refereed and revised selection of the papers given there. Speakers from around the world focus on issues of immediate importance ranging from human rights to electronic conveyancing, as well as timeless but ever-relevant subjects such as trusts, mortgages and the numerous clauses of property rights. As ever, a range of international topics are discussed, this time including land registration in the Nordic countries, and the re-privatisation of land in Eastern Europe.
Barnsley's Conveyancing Law and Practice Open Book Publishers
 Property, Trusts and Succession, Fourth Edition provides full coverage of the property, trusts and succession parts of the LLB syllabus in Scotland in one convenient volume. The relevant rules of statute and common law are surveyed and frequent examples used, making this a highly practical and accessible text. The Fourth Edition of this popular text takes account of significant recent developments, including the draft Moveable Transactions (Scotland) Bill and the ongoing land reform agenda. There is a new section on succession to digital assets. The key contents also includes: - Personal and real rights, and types of property - Ownership and how it is transferred - Prescription - Land registration - Possession - Subordinate real rights, including servitudes, real burdens, leases and securities - Proper and improper liferents - Trusts: constitution, administration and termination - Testate succession - Intestate succession - Execution of documents - Human rights - Appendix on the feudal system
 Whilst aimed primarily at undergraduates, this important title is also a useful source of reference for practitioners seeking a modern introduction to this area of law. George L Gretton is Lord President Reid Professor of Law Emeritus at the University of Edinburgh and a former Scottish Law Commissioner. Andrew J M Steven is Professor of Property Law at the University of Edinburgh and a former Scottish Law Commissioner.

Recent years have seen a dramatic increase in the number and range of Scottish legal textbooks, journals and reports, adding to more than three centuries of materials. The arrival of electronic publishing, on the Internet and CD-ROM, has added a further dimension. Along with these developments has come a greater responsibility for everyone involved in the law - students, academics and practitioners - to obtain information which is authoritative, complete and up-to-date, as quickly and cost-effectively as possible. Finding the Law is a practical guide to the leading sources of Scots, English and European law and to the means of accessing them. Notable websites and useful telephone numbers are listed in appendices. Previously a T & T Clarke publication.

The Conveyancing Law Handbook is a first point of reference for legal executives and solicitors in practice to assist in the day-to-day procedures of conveyancing. Easy to read and using examples, charts and tables, this book is also an invaluable resource for law students and all those applying for studying land law. It clearly and concisely combines theory with explanations on the practice of conveyancing. The latest edition has been completely revised to incorporate all relevant provisions of the Property Law Act 2007.

New South Wales Conveyancing Law and Practice: Legislation and index Bloomsbury Publishing

This is one of the books in a series written specially for students studying on the Legal Practice Course at London Guildhall University. The material is also suitable for students studying at other institutions. The pages are laid out so as to enable students to annotate the course notes. Conveyancing process by initially concentrating on a straightforward sale/purchase of a registered freehold title. Only when students have been taken through such a transaction are they introduced to more complex dispositions, such as disposition by personal representatives and by attorney, sales of part and estate conveyancing, and to dispositions of unregistered freehold titles. The chapters on leasehold conveyancing which then follow deal with the grant assignment of leases in both a registered and unregistered context. Conduct and practice are particularly highlighted. The self-assessment questions are designed to ensure that fundamental concepts have been understood before students move on to the next chapter.

Modern Studies in Property Law - Volume 8 Butterworths
 Covering the many changes to property law and conveyancing practice driven by the Scottish Parliament in recent years,

including its land reform agenda, Conveyancing Practice in Scotland, Eighth Edition is an indispensable guide for residential and commercial property lawyers at all levels. Encompassing both commercial and residential conveyancing, the Eighth Edition of this highly regarded text, has been reviewed and updated throughout to take account of: - evolving and settled practice under the Land Registration etc (Scotland) Act 2012 - the practical effects of the community rights to buy - introduction of the Additional Dwelling Supplement on Land and Buildings Transaction Tax - prospective effects of the proposed Register of Controlled Interests in Land - the Scottish Law Commission proposals for changes to the law relating to title conditions, and heritable securities. In addition to the property law aspects, this text also covers the practical and ethical considerations of acting in a conveyancing transaction, such as anti-money laundering procedures and conflicts of interest. Standard missive clauses are examined in detail with reference to their application in practice. Written by practising lawyers with many years of transactional and mentoring experience, this book is the only practical guide to managing conveyancing transactions in Scotland.

Professor Robert Rennie has been one of the most influential voices in Scots private law over the past thirty years. Highly respected as both an academic and a practitioner, his contribution to the development of property law and practice has been substantial and unique. This volume celebrates his

retirement from the Chair of Conveyancing at the University of Glasgow in 2014 with a selection of essays written by his peers and colleagues from the judiciary, academia and legal practice. Each chapter covers a topic of particular interest to Professor Rennie during his career, from the historical development of property law rules through to the latest developments in conveyancing practice and the evolution of the rules of professional negligence. Although primarily Scottish in focus, the contributions will have much of interest to lawyers in any jurisdiction struggling with similar practical problems, particularly those with similar legal roots including the Netherlands and South Africa. As a whole, the collection is highly recommended to students, practitioners and academics.

Conveyancing Law and Practice in Scotland: General principles. Moveable conveyancing T. & T. Clark Publishers

This book contains a collection of peer-reviewed papers presented

at the Tenth Biennial Modern Studies in Property Law Conference held at the University of Liverpool in April 2014. It is the eighth volume to be published under the name of the Conference. The Conference and its published proceedings have become an established forum for property lawyers from around the world to showcase current research in the discipline. This collection reflects the diversity and contemporary relevance of modern research in property law. Incorporating a keynote address by Sir John Mummery, retired Lord Justice of Appeal, on 'Property in the Information Age', a number of chapters consider the contribution of property law to issues central to the human condition; the home, health and death. Other papers illustrate an enduring need to question and explore fundamental concepts of the subject as well as to consider the challenges of reforming the law. Collectively the chapters demonstrate the vibrancy and importance of property law in dealing with modern concerns across the common law world.
