Harper Wilde is sitting on the beach, minding her own business when a huge, muscular Kindred warrior with black hair and blazing white eyes demands that she accompany him into the future. Harper has no

choice--she is dragged against her will into a dystopian nightmare--the world as it might become if something isn't changed. And that something that needs changing is Harper herself. As a ten'sora, she is of special interest to the Hive, an insectile race of beings bent on taking over the Earth. By using her, they can conquer both the Mother Ship and the human race. Unless

she herself is altered so the Hive cannot make use of her, the grim future Harper finds herself in will become reality. Shad is a Shadow Twin--a Kindred male destined always to walk alone with very little chance of forming a bond with a female. Yet, he alone is able to make use of the looper--a time travel device which allows him to move back and forth between the past and the future to try and

save Harper. Falling in love with her isn't part of the plan but the big Kindred can't help himself. But he knows he must put his feelings aside and do what is necessary to change the past...unless he wants the future to Vanish forever.

In the explosive finale to the epic romantic saga,

Bella has one final choice to make. Should she stay mortal and strengthen her connection to the werewolves, or leave it all behind to become a vampire? When you loved the one who was killing you, it left you no options. How could you run, how could you fight, when doing so would hurt that beloved one? If your life was all you had to give, how could you not give it? If it was someone you truly loved? To be irrevocably in love with a vampire is both fantasy and nightmare woven into

a dangerously heightened reality for Bella Swan. Pulled in one direction by her intense passion for Edward Cullen, and in another by her profound connection to werewolf Jacob Black, a tumultuous year of temptation, loss, and strife have led her to the ultimate turning point. Her imminent choice to either join the dark but seductive world of immortals or to pursue a fully human life has become the thread from which the fates of two tribes hangs. This astonishing, breathlessly

anticipated conclusion to the Twilight Saga illuminates the secrets and mysteries of this spellbinding romantic epic. It's here! #1 bestselling author Stephenie Meyer makes a triumphant return to the world of Twilight with the highly anticipated companion, *Midnight Sun*: the iconic love story of Bella and Edward told from the vampire's point of view. "People do not want to just read Meyer's books; they want to climb inside them and live there." -- Time "A literary

phenomenon." -- The New York Times

Barbara Kingsolver's acclaimed international bestseller tells the story of an American missionary family in the Congo during a poignant chapter in African history. It spins the tale of the fierce evangelical Baptist, Nathan Price, who takes his wife and four daughters on a missionary journey into the heart of darkness of the Belgian Congo in 1959. They carry with them to Africa all they believe they will need from home, but soon find that all of it - from garden seeds to the King

James Bible - is calamitously transformed on African soil. Told from the perspective of the five women, this is a compelling exploration of African history, religion, family, and the many paths to redemption. The *Poisonwood Bible* was nominated for the Pulitzer Prize in 1999 and was chosen as the best reading group novel ever at the Penguin/Orange Awards. It continues to be read and adored by millions worldwide.

Chapter I.

CHRISTIE."AUNT BETSEY, there's going to be a new Declaration of Independence." "Bless and save us, what do you mean, child?" And the startled old lady precipitated a pie into the oven with destructive haste. "I mean that, being of age, I'm going to take care of myself, and not be a burden any longer. Uncle wishes me out of the way; thinks I ought to go, and, sooner or later,

will tell me so. I don't intend to wait for that, but, like the people in fairy tales, travel away into the world and seek my fortune. I know I can find it." Christie emphasized her speech by energetic demonstrations in the bread-trough, kneading the dough as if it was her destiny, and she was shaping it to suit herself; while Aunt Betsey stood listening, with uplifted pie-fork, and as much astonishment as her placid face was capable of expressing. As the girl

paused, with a decided thump, the old lady exclaimed: "What crazy idee you got into your head now?" "A very sane and sensible one that's got to be worked out, so please listen to it, ma'am. I've had it a good while, I've thought it over thoroughly, and I'm sure it's the right thing for me to do. I'm old enough to take care of myself; and if I'd been a boy, I should have been told to do it long ago. I hate to be dependent; and now there's no need of it, I can't bear it any longer. If

you were poor, I wouldn't leave you; for I never forget how kind you have been to me. But Uncle doesn't love or understand me; I am a burden to him, and I must go where I can take care of myself. I can't be happy till I do, for there's nothing here for me. I'm sick of this dull town, where the one idea is eat, drink, and get rich; I don't find any friends to help me as I want to be helped, or any work that I can do well; so let me go, Aunty, and find my place, wherever it is."
