Before Micah came to St Luc's, he knew how to beg, how to steal and how to run from a beating. He didn't know how to comb his hair or wait his turn. Now he was a stranger in a strange land. If it had been me, I would have found a way to disappear inside myself until the strangeness wore off. Micah was not like me. Henri is used to the quiet routines of the abbey. He's shy and solitary, until Micah - a wild troublemaker with the voice of an angel - sweeps into his life like a fresh breeze. Micah stirs up fun and adventure at a time when Henri needs it most. For the Plague is coming. With the tail of a scorpion and breath of fire it will pass through every village and town until nothing can ever be the same. Together, Henry and Micah manage to find fun in the midst of fear. Marching about the countryside with their Company of Fools they revel in the healing power of laughter - at least for a while. In this gripping story, acclaimed author Deborah Ellis celebrates the extraordinary resilience of children, their capacity for caring, and talent for happiness, even in the darkest times.

The Breadwinner Scribner

Afghanistan, 1975: Twelve-year-old Amir is desperate to win the local kite-fighting tournament and his loyal friend Hassan promises to help him. But neither of the boys can foresee what will happen to Hassan that afternoon, an event that is to shatter their lives. After the Russians invade and the

family is forced to flee to America, Amir realises that one day he must return to Afghanistan under Taliban rule to find the one thing that his new world cannot grant him: redemption.

Manhood Impossible W. W. Norton & Company

A special 75th anniversary edition of Richard Wright's powerful and unforgettable memoir, with a new foreword by John Edgar Wideman and an afterword by Malcolm Wright, the author's grandson. When it exploded onto the literary scene in 1945, *Black Boy* was both praised and condemned. Orville Prescott of the *New York Times* wrote that "if enough such books are written, if enough millions of people read them maybe, someday, in the fullness of time, there will be a greater understanding and a more true democracy." Yet from 1975 to 1978, *Black Boy* was banned in schools throughout the United States for "obscenity" and "instigating hatred between the races." Wright's once controversial, now celebrated autobiography measures the raw brutality of the Jim Crow South against the sheer desperate will it took to survive as a Black boy. Enduring poverty, hunger, fear, abuse, and hatred while growing up in the woods of Mississippi, Wright lied, stole, and raged at those around him—whites indifferent, pitying, or cruel and Blacks resentful of anyone trying to rise above their circumstances. Desperate for a different way of life, he headed north, eventually arriving in Chicago, where he forged a new path and began his career as a writer. At the end of *Black Boy*, Wright sits poised with pencil in hand, determined to "hurl words into this darkness and wait for an echo." Seventy-five years later, his words continue to reverberate. "To read *Black Boy* is to stare into the heart of darkness," John Edgar Wideman writes in his foreword. "Not the dark heart Conrad searched for in Congo jungles but the beating heart I bear." One of the great American memoirs, Wright's account is a poignant record of struggle and endurance—a seminal literary work that illuminates

our own time.

Parvana's Journey Houghton Mifflin Harcourt

Because the Taliban rulers of Kabul, Afghanistan impose strict limitations on women's freedom and behavior, eleven-year-old Parvana must disguise herself as a boy so that her family can survive after her father's arrest.

The Feminine Mystique Knopf Books for Young Readers

The third book in the internationally bestselling series that includes *The Breadwinner*, *Parvana's Journey* and *My Name Is Parvana*. Parvana's best friend, Shauzia, has escaped the misery of her life in Kabul, only to end up in a refugee camp in Pakistan. But she still dreams of seeing the ocean and eventually making a new life in France. This is the dream that has sustained her through the terrible years in Kabul. It is the dream for which she has forsaken family and friends. But it is hard to imagine herself in a field of purple lavender when she is living in the Widows' Compound of a muddy, crowded refugee camp outside Peshawar. Even worse, the compound is run by Mrs. Weera, Shauzia's bossy phys ed teacher from Kabul, who insists that Shauzia be useful and make the best of a dismal situation. Shauzia finally decides to leave the camp and try her luck on the streets. She is determined to earn money to buy her passage out of the country. Peshawar is dangerous and full of desperately poor and wandering children like herself, but she has Jasper, the dog who followed her down from a shepherds' camp in the mountains. And she knows how to masquerade as a boy and comb the streets for jobs. She figures she knows how to survive. But life as a street kid is dangerous and terrifying, and even with the advantages of a strong will, brave spirit and good luck, Shauzia soon discovers that the old choices are not so easy any more. This is a powerful and very human story of a feisty, driven girl who tries to take control of her own life. The reissue includes a new cover and map, and an updated author's note and glossary to provide young readers with background and context. Royalties from the sale of this book will go to Street Kids International.

True Blue Penguin

Keeping The Castle Allen & Unwin

When both her parents are unable to find work and pay the bills during the Great Depression, resourceful Sarah Ann Puckett saves the family from the poorhouse by selling her prizewinning homemade bread. Reprint.

Liberty's Dawn Houghton Mifflin Harcourt

On a military base in post-Taliban Afghanistan, American authorities have just imprisoned a teenaged girl found in a bombed-out school. The army major thinks she may be a terrorist working with the Taliban. The girl does not respond to questions in any language and remains silent, even when she is threatened, harassed and mistreated over several days. The only clue to her identity is a tattered shoulder bag containing papers that refer to people named Shauzia, Nooria, Leila, Asif, Hassan - and Parvana. In this long-awaited sequel to *The Breadwinner Trilogy*, Parvana is now fifteen years old. As she waits for foreign military forces to determine her fate, she remembers the past four years of her life. Reunited with her mother and sisters, she has been living in a village where her mother has finally managed to open a school for girls. But even though the Taliban has been driven from the government, the country is still at war, and many continue to view the education and freedom of girls and women with suspicion and fear. As her family settles into the routine of running the school, Parvana, a bit to her surprise, finds herself restless and bored. She even thinks of running away. But when local men threaten the school and her family, she must draw on every ounce of bravery and resilience she possesses to survive the disaster that kills her mother, destroys the school, and puts her own life in jeopardy.

Seeing Red Groundwood Books Ltd

When her best friend Casey is accused of murdering an eight-year-old girl at summer camp, Jess must find the courage to stand by her friend while the pressure from the case begins to grow.

Behind the Beautiful Forevers Yale University Press

Winner of the PEN/Jerard Award Chicago Tribune Best Book of the Year Kiriyama Notable Book "[A] perfectly pitched and prodigiously detailed memoir." - Boston Globe As a Vietnamese girl coming of age in Grand Rapids, Michigan, Nguyen is filled with a rapacious hunger for American identity, and in the pre-PC-era Midwest (where the Jennifers and Tiffanys reign supreme), the desire to belong transmutes into a passion for American food. More exotic- seeming than her Buddhist grandmother's traditional specialties, the campy, preservative-filled "delicacies" of mainstream America capture her imagination. In *Stealing Buddha's Dinner*, the glossy branded allure of Pringles, Kit Kats, and Toll House Cookies becomes an ingenious metaphor for Nguyen's struggle to become a "real" American, a distinction that brings with it the dream of the perfect school lunch, burgers and Jell-O for dinner, and a visit from the Kool-Aid man. Vivid and viscerally powerful, this remarkable memoir about growing up in the 1980s introduces an original new literary voice and an entirely new spin on the classic assimilation story.

Stealing Buddha's Dinner Houghton Mifflin Harcourt

A revolution is under way. Within a generation, more households will be supported by women than by men. Journalist Liza Mundy takes us to the frontier of this new economic order: she shows us why this flip is inevitable, what painful adjustments will have to be made along the way, and how both men and women will feel surprisingly liberated in the end. Couples today are debating who must assume the responsibility of primary earner and who gets the freedom of being the slow track partner. With more men choosing to stay home, Mundy shows how that lifestyle has achieved a higher status, and the ways males have found to recover their masculinity. And the revolution is global: Mundy takes us from Japan to Denmark to show how both sexes are adapting as the marriage market has turned into a giant free-for-all, with men and women at different stages of this transformation finding partners who match their expectations.--From publisher description.

Picturing Will Anchor

NEW YORK TIMES BESTSELLER • "As sweet and funny and sad and true and heartfelt a memoir as one could find." —from the foreword by Augusten Burroughs Ever since he was young, John Robison longed to connect with other people, but by the time he was a teenager, his odd habits—an inclination to blurt out non sequiturs, avoid eye contact, dismantle radios, and dig five-foot holes (and stick his younger brother, Augusten Burroughs, in them)—had earned him the label "social deviant." It was not until he was forty that he was diagnosed with a form of autism called Asperger's syndrome. That understanding transformed the way he saw himself—and the world. A born storyteller, Robison has written a moving, darkly funny memoir about a life that has taken him from developing exploding guitars for KISS to building a family of his own. It's a strange, sly, indelible account—sometimes alien yet always deeply human.

We Want You to Know HarperCollins

A new kind of manifesto for the working woman, with tips on building wealth and finding balance, as well as inspiration for harnessing the freedom and power that comes from a breadwinning mindset. Nearly half of working women in the United States are now their household's main breadwinner. And yet, the majority of women still aren't being brought up to think like breadwinners. In fact, they're actually discouraged--by institutional bias and subconscious beliefs--from building their own wealth, pursuing their full earning potential, and providing for themselves and others financially. The result is that women earn less, owe more, and have significantly less money saved and invested for the future than men do. And if women do end up the main breadwinners, they've been conditioned to feel reluctant and unprepared to manage the role. In *Think Like a Breadwinner*, financial expert Jennifer Barrett reframes what it really means to be a breadwinner. By dismantling the narrative that women don't--and shouldn't--take full financial responsibility to create the lives they want, she reveals not only the importance of women building their own wealth, but also the freedom and power that comes with it. With concrete practical tools, as well as examples from her own journey, Barrett encourages women to reclaim, rejoice in, and aspire to the role of breadwinner like never before.
