It's not easy being Apollo, especially when you've been turned into a human and banished from Olympus. On his path to restoring five ancient oracles and reclaiming his godly powers, Apollo (aka Lester Papadopoulos) has faced both triumphs and tragedies. Now his journey takes him to Camp Jupiter in the San Francisco Bay Area, where the Roman demigods are preparing for a desperate last stand against the evil Triumvirate of Roman emperors. Hazel, Reyna, Frank, Tyson, Ella, and many other old friends will need Apollo's aid to survive the onslaught. Unfortunately, the answer to their salvation lies in the forgotten tomb of a Roman ruler . . . someone even worse than the emperors Apollo has already faced.

Join Rafe as he survives white-water rafting, camp counselors, and rock climbing in this hilarious New York Times bestseller from the Middle School series. After a rough summer, Rafe is heading back to the dreaded Hills Village Middle School, the site of the very worst years of his life. And as if that's not bad enough, he's learned that he's going to be held back a year unless he can prove himself on an outdoor survival excursion—complete with dangerous white-water rafting, dizzying rock climbing, and fanatical counselors. Rafe and the rest of the pack of "delinquent" trainees are forced to cooperate as they prepare for the final test: a solo excursion in the deep woods. Can Rafe come out of the experience in one piece? And if he does, will he go home as the same insecure kid? Both heartwarming and hilarious, Save Rafe! is a story of perseverance and courage as only James Patterson could tell it.

For those foolish enough to have read "The Name of this Book is Secret" and too foolhardy to have turned away from "If You're Reading This, It's Too Late", the third book in the series is best avoided. This book contains none of the following: A cursed Aztec artefact, an evil and deranged chef, a secret jungle lair inhabited by cocoa-crazed monkeys, the most dangerous chocolate ever created. Never visit www.keepthesecret.co.uk if you know what's good for you. "What child could resist it? A deliciously dark and chocolatey book full of big chunks of crazy humour and a cast of mouth-watering characters... "This Book is Not Good for You" is actually very good for you...the teasing, topsy-turvy world created by the scrumptious Mr Bosch is guaranteed to have you laughing all the way to the next instalment." - Lancashire Evening Post [Pirates](#) Penguin UK

Che Guevara's widow remembers a great revolutionary romance tragically cut short by Che's assassination in Bolivia. When Aleida March first met Che Guevara, she was a twenty-year-old combatant from the provinces of Cuba, he an already legendary

revolutionary and larger-than-life leader. And yet there was another, more human side to Che, one Aleida was given special access to, first as his trusted compañera and later as the love of his life. With great immediacy and poignancy, Aleida recounts the story of their epic romance—their fitful courtship against the backdrop of the Cuban revolutionary war, their marriage at the war's end and the birth of their four children, up through Che's tragic assassination in Bolivia less than ten years later. Featuring excerpts from their letters, nearly one hundred never-before-seen photographs from their private collection, and a moving short story Che wrote for Aleida, here is an intimate look at the man behind the legend and the tenacious, courageous woman who knew him best—a story of passionate love, wrenching sacrifice, and unwavering heroism.

A companion guide to THE TRIALS OF APOLLO series, set in the world of PERCY JACKSON. Camp Half-Blood FYI is the funny insider's guide to the demigod training camp in Long Island, narrated by none other than Percy Jackson himself, and other favourite characters will be heard from, too. In response to an awful camp orientation video created by the god Apollo, Percy Jackson and other residents of Camp Half-Blood answer such questions as "What is this place?" and "Do I get to keep the T-shirt?" Newbies can check out the section on the Divine Cabins, read up on Magical Landmarks, and consult the chapter of Training Arenas. But Camp Half-Blood Confidential explores much more than just the buildings and grounds. It includes info that can only be learned from those who live there. For instance, campers do not always co-exist in peace and harmony. The camp is not run with superior efficiency. Prophecies do not flow forth with great regularity. Sprinkled throughout are stories from heroes who have called Camp Half-Blood home or just passed through on their way to places unknown. Chiron himself introduces the book with a brief history of training based on his millennia of experience. And, of course, divine words of wisdom from the god Apollo himself are included, because the demigod authors would prefer not to be struck down by him, thank you very much.
