ISRAEL GEORGE

Carroll & Graf Publishers
Reveals tales of sex and love from ancient Greece, Rome, and other Mediterranean cultures, offering insight into these civilizations' beliefs about contraception, bisexuality, cross-dressing, nymphomania, and erotic practices.

Plexus Grove/Atlantic, Inc.

Miller's groundbreaking first novel, banned in Britain for almost thirty years.

The Cosmological Eye New Directions Publishing

A Cuban artist finds his options increasing even as he remains holed up in his crumbling Havana abode, pursued by a proud prostitute who seems bent on taming him and offered an opportunity to travel to Sweden to pursue a creative life in Europe. By the author of *Dirty Havana Trilogy*. Reprint.

The Joy of Sexus Penguin Classics

The "uproariously funny" second book in the *Rosy Crucifixion* trilogy, "may be Miller's masterpiece" (Choice). "Plexus is the core volume in *The Rosy Crucifixion*: the volume which has the most complete description of Henry Miller's basic values, beliefs, opinions, judgments, both at the time of his 'Crucifixion' and at the later time when the trilogy was written. Plexus is simply the most marvelous volume of emotion and ideas and visions and nightmares about man and society in the twentieth century—with art as the link perhaps, or as the soul's refuge—that I have read in many a long year. There is absolutely no subject in the world that Henry Miller does not seem to know about, want to talk about, and to evaluate with the

deep authority of wisdom. He is probably the most learned of all our American writers, the most open to ideas and feelings, and yes, the most worshipful of all the aspects of life, as well as the most critical literary spokesman of our time."

—Maxwell Geismar

Plexus New Directions Publishing

In his great triptych "The Millennium," Bosch used oranges and other fruits to symbolize the delights of Paradise.

A Wanderer Plays on Muted Strings Knut Hamsun Related to and sometimes paired with Hamsun's *Under the Autumn Stars*, this beautifully lyric fiction picks up with the same characters as the other book, but is set in time six years later.

The central character of the former novel, Knut Pedersen (Hamsun's real name), is more an observer in this work. His former friend Grindhusen has grown from stubborn independence to a shifty and vacillating man; and his companion Lars Falkenberg has dwindled into a small land-holder with a perpetually pregnant wife from whom he is deeply estranged. These two comedians play out a tragi-comedy that is painful through the very irony and humaneness with which Hamsun paints his figures. We are delighted to publish this classic book as part of our extensive Classic Library collection. Many of the books in our collection have been out of print for decades, and therefore have not been accessible to the general public. The aim of our publishing program is to facilitate rapid access to this vast reservoir of literature, and our view is that this is a significant literary work, which deserves to be brought back into print after many decades. The contents of the vast majority of titles in the Classic Library have been scanned from the original works. To ensure a high quality product,

each title has been meticulously hand curated by our staff. Our philosophy has been guided by a desire to provide the reader with a book that is as close as possible to ownership of the original work. We hope that you will enjoy this wonderful classic work, and that for you it becomes an enriching experience.

The Intimate Henry Miller New Directions Publishing

The Rosy Crucifixionolympiapress.com

Nexus Grove/Atlantic, Inc.

Henry Miller's bold, explicit novels scandalized readers and remade the literature of his day. In this uncompromising literary manifesto he argues that sex is at the heart of his writing because it is at the heart of life - a vital force as essential as bread, money, work or play.

Mickelsson's Ghosts New Directions Publishing

In 1930 Henry Miller moved from New York to Paris, leaving behind — at least temporarily — his tempestuous marriage to June Smith and a novel that had sprung from his anguish over her love affair with a mysterious woman named Jean Kronski. Begun in 1927, *Crazy Cock* is the story of Tony Bring, a struggling writer whose bourgeois inclinations collide with the disordered bohemianism of his much-beloved wife, Hildred, particularly when her lover, Vanya, comes to live with them in their already cramped Greenwich Village apartment. In a world swirling with violence, sex, and passion, the three struggle with their desires, inching ever nearer to insanity, each unable to break away from this dangerous and consuming love triangle.

Big Sur and the Oranges of Hieronymus Bosch New Directions Publishing

'Here, even if I had a thousand dollar in my pocket, I know of no sight which

could arouse in me the feeling of ecstasy' Looking back to Henry Miller's bohemian life in 1930s Paris, when he was an obscure, penniless writer, *Quiet Days in Clichy* is a love letter to a city. As he describes nocturnal wanderings through shabby Montmartre streets, cafés and bars, sexual liaisons and volatile love affairs, Miller brilliantly evokes a period that would shape his entire life and oeuvre. 'His writing is flamboyant, torrential, chaotic, treacherous, and dangerous' Anaïs Nin A Long Time Gone Open Road Media Gardner's final novel: a delicate tapestry of literary genres that create a wonderfully mysterious and ambitious narrative As Peter Mickelsson's brilliant career as a professor at Brown University winds down, he suffers from alcoholism and is on the brink of divorce. Seeking a new start, Mickelsson moves to an old farmhouse in the Pennsylvania countryside to take a position at Bingham University. But when mysterious supernatural events begin to occur, it becomes clear that these new surroundings will not provide a refuge for this troubled man, but rather prompt an introspective look into the ultimate value of his life's work. With distinctive style and linguistic mastery, author John Gardner weaves together a string of extraordinary plots that culminate in an unforgettable conclusion. This ebook features a new illustrated biography of John Gardner, including original letters, rare photos, and never-before-seen documents from the Gardner family and the University of Rochester Archives. The Devil at Large Open Road + Grove/Atlantic From the New York Times bestselling author of the Tradd Street novels comes an enthralling southern gothic saga about one woman's quest for the truth...

When Vivien Walker left her home in the Mississippi Delta, she swore never to go back. But in the spring, nine years to the day since she'd left, Vivien returns, fleeing from a broken marriage and her lost dreams for children. What she hopes to find is solace with her dear grandmother who raised her, a Walker woman with a knack for making everything all right. Instead Vivien is forced into the unexpected role of caretaker, challenging her personal quest to find the girl she once was. But things will change again in ways Vivien cannot imagine. A violent storm has revealed the remains of a long-dead woman buried near the Walker home, not far from the cypress swamp that is soon to give up its ghosts. Vivien knows there is now only one way to rediscover herself—by uncovering the secrets of her family and breaking the cycle of loss that has haunted them for generations.

On Turning Eighty ; Journey to an Antique Land ; Foreword to The Angel is My Watermark Open Road Media

Fearless, iconic poet, novelist, and feminist Erica Jong offers a fascinating in-depth appreciation of the controversial life and work of American literary giant Henry Miller Henry Miller (Tropic of Cancer) and Erica Jong (Fear of Flying) are true literary soul mates. Both authors have been, in equal measure, lauded for their creative genius and maligned for their frank treatment of human sexuality. So who better than Erica Jong to offer an expert appraisal and appreciation of Henry Miller, the

man and his art? At once a critical study, a biography, a memoir of a remarkable friendship, and a celebration of the life and work of the author whom Erica Jong compares to Whitman, *The Devil at Large* explores the peaks and valleys of Miller's storied writing career. It examines his tumultuous relationships—including his doomed marriage to June Mansfield and his lifelong tenuous bond with his mother—and confirms his standing as a creative genius. Jong, a renowned feminist, courageously answers critics who accuse her subject of degrading women in his fiction, suggesting instead that he sought to demystify them by means of the "violent verbal magic of his books." With grace, wit, warmth, and intelligence, Jong brings readers close to the man and his writing. There has never been a more incisive and insightful analysis of this exceptional American master. This ebook features an illustrated biography of Erica Jong including rare photos and never-before-seen documents from the author's personal collection.

Under the Roofs of Paris HarperCollins UK

Nexus is the third volume of the scandalous trilogy *The Rosy Crucifixion*, Henry Miller's major life work *The exhilarating final volume of Henry Miller's semi-autobiographical trilogy, Nexus follows his last months in New York. Trapped in a bizarre ménage-à-trois with his fiery wife Mona and her lover Stasia, he finds his life descending into chaos. Finally, betrayed and exhausted, he decides to leave America and sail for Paris, to discover his true vocation as a writer.*

Stand Still Like the Hummingbird Penguin Classics

In 1941, Henry Miller, the author of

Tropic of Cancer, was commissioned by a Los Angeles bookseller to write an erotic novel for a dollar a page. Under the Roofs of Paris (originally published as Opus Pistorum) is that book. Here one finds Miller's characteristic candor, wit, self-mockery, and celebration of the good life. From Marcelle to Tania, to Alexandra, to Anna, and from the Left Bank to Pigalle, Miller sweeps us up in his odyssey in search of the perfect job, the perfect woman, and the perfect experience.

A Devil in Paradise Read Books Ltd

"I always carry over 40,000 gold francs about with me in my belt. They weight about 40 pounds, and I am beginning to get dysentery from the load." A collection of stories and excerpts from longer works.

Black Spring Grove/Atlantic, Inc.

Henry Miller's Rosy Crucifixion, his second major trilogy, took more than 10 years for the author to complete. Beginning in 1949 with Sexus, a work so controversial all of Paris was abuzz with L'Affaire Miller, (and publisher Maurice Girodias saw himself threatened with jail), following in 1952 with Plexus, and finally concluding with 1959's Nexus, the three works are a dazzling array of scenes, sexual encounters and ideas, covering Miller's final days in NY, his relationship with June Miller and her lover, his take on the arts, his favorite writers, his thoughts, his insights, his days and his nights, finally ending with a glorious farewell to the life he'd known and an anticipation of the life he would lead.

The Rosy Crucifixion New Directions Publishing

Originally published in 1886, 'Albertine' tells the story of an underprivileged seamstress in Norway's capital, Christiana. It is about the character's

hopes and dreams, her relationship with a police officer and the unfortunate circumstances that force her to turn to prostitution. Due to the nature of its content, the book was confiscated shortly after publication. Christian Krohg (1852-1925) was a Norwegian painter and writer, and painted several works based on the 'Albertine' story. This classic and rare text is being republished in a modern and affordable format, complete with a new, specially written biography and featuring the original text and artwork.

The Rosy Crucifixion: Sexus.- book 2. Plexus.- book 3. Nexus Penguin Classics

A collection of works spanning the entire career of great 20th-century American writer Henry Miller, edited and introduced by Lawrence Durrell. In 1958, when Henry Miller was elected to membership in the American Institute of Arts and Letters, the citation described him as: "The veteran author of many books whose originality and richness of technique are matched by the variety and daring of his subject matter. His boldness of approach and intense curiosity concerning man and nature are unequalled in the prose literature of our times." It is most fitting that this anthology of "the best" of Henry Miller should have been assembled by one of the first among Miller's contemporaries to recognize his genius, the eminent British writer Lawrence Durrell. Drawing material from a dozen different books Durrell has traced the main line and principal themes of the "single, endless autobiography" which is Henry Miller's life work. "I suspect," writes Durrell in his Introduction, "that Miller's final place will be among those towering anomalies of authorship like Whitman or Blake who have left us, not simply works of art, but

a corpus of ideas which motivate and influence a whole cultural pattern." Earlier, H. L. Mencken had said, "his is one of the most beautiful prose styles today," and the late Sir Herbert Read had written that "what makes Miller distinctive among modern writers is his ability to combine, without confusion, the aesthetic and prophetic functions." Included are stories, "portraits" of persons and places, philosophical

essays, and aphorisms. For each selection Miller himself prepared a brief commentary which fits the piece into its place in his life story. This framework is supplemented by a chronology from Miller's birth in 1891 up to the spring of 1959, a bibliography, and, as an appendix, an open letter to the Supreme Court of Norway written in protest of the ban on Sexus, a part of which appears in this volume.
