REINA GALLEGOS

The Bear and the Piano Hal Leonard Corporation

Once upon a time, there was a little old lady who was not afraid of anything! But one autumn night, while walking in the woods, the little old lady heard . . . CLOMP, CLOMP, SHAKE, SHAKE, CLAP, CLAP. And the little old lady who was not afraid of anything had the scare of her life!

Dear County Agent Guy Scholastic Inc.

Mothering is messy. Our joy and hope in raising children doesn't change the reality that being a mom can be frustrating, stressful, and tiring. But just as God is using us to shape our children, God is using our children and motherhood to shape us. In *The Better Mom*, author Ruth Schwenk, herself a mother of four children, encourages us with the good news that there is more to being a mom than the extremes of striving for perfection or simply embracing the mess. We don't need to settle for surviving our kids' childhood. We can grow through it. With refreshing and heartfelt honesty Ruth emboldens moms to: Find freedom and walk confidently in purpose Create a God-honoring home environment Overcome unhealthy and destructive emotions such as anger, anxiety, and more Avoid glorifying the mess of mom-ing or idolizing perfection Cultivate life-giving friendships At the heart of *The Better Mom* is the message that Jesus calls us to live not a weary life, but a worthy life. We don't have to settle for either being apathetic or struggling to be perfect. Both visions of motherhood go too far. Ruth offers a better option. She says, "It's okay to come as we are, but what we're called to do and be is far too important to stay there! The way to becoming a better mom starts not with what we are doing, but with who God is inviting us to become."

Never Let a Unicorn Meet a Reindeer! Alfred Music

Every one of us is made in the image of God. We are unique, we are worthy of love, and we are called to greatness. In this world, though, it can be easy to be distracted from that truth and begin to doubt God's love is real. We live in a world that tells us we are not smart enough, not pretty enough, not sexy enough, not rich enough, not thin enough, and don't have enough friends. It's easy to focus on the ways we fall short of worldly perfection and to forget that we are already made perfect. We are already enough. God has made each of us for a unique purpose, and he calls each of us to know him in unique ways. In a world where everything feels fleeting and temporary, we are made for everlasting life; we are meant to experience God's abiding love. You Are Enough uses the timeless tales of the Bible to clarify that truth for modern women. ● See how God's love for each of us shines forth through the stories of the women of the Old Testament. ● Connect with the hopes, dreams, struggles, and experiences of these remarkable women. ● Learn how the lives of these women contain valuable lessons for our lives today. ● Find hope and encouragement as you

discover that you are enough, you are accepted for who you are as a beloved daughter of God.

A moving holiday story from New York Times bestselling author Andrew Clements. For Hart Evans, being the most popular kid in sixth grade has its advantages. Kids look up to him, and all the teachers let him get away with anything -- all the teachers except the chorus director, Mr. Meinert. When Hart's errant rubber band hits Mr. Meinert on the neck during chorus practice, it's the last straw for the chorus director, who's just learned he's about to lose his job due to budget cuts. So he tells the class they can produce the big holiday concert on their own. Or not. It's all up to them. And who gets elected to run the show? The popular Mr. Hart Evans. Hart soon discovers there's a big difference between popularity and leadership, and to his surprise, discovers something else as well - it's really important to him that this be the best holiday concert ever, and even more important, that it not be the last.

Pull back the curtain of Time and take a peek into heaven as God reveals his plans for the very First Christmas - the angels are in for a surprise or two! An Unexpected Christmas tells the old familiar story from a whole new perspective, with a dash of humor and plenty of warm fuzzies, this story will become a Christmas read-aloud favorite. From the Author, Simone Graham: "I originally wrote this as a Christmas gift for my children; it is illustrated with the children of the world (including my own) as Heaven's angels. I hope you enjoy reading this book as much as I enjoyed imagining it for you."

The story was selected to be made into a short film by St Pauls' in Auckland for their Christmas event, where it was an instant hit on YouTube in Christmas 2012. In the past year, people from all over the world have contacted Simone thanking her for writing this beautiful (funny and touching) story. Now you can take it home and read it to your children this Christmas. "They won't be expecting that!"
