It's the most adorable apocalypse ever! Based on the popular webcomic, this all-new stand-alone comics collection artfully blends post-apocalyptic sci fi, dry humor, and utter adorability. The human race has vanished replaced by innocent, playful, creatures called the Puramus. In this hilarious and epic graphic novel, short interlocking stories follow the purple pals as they explore their new home, form a mini-monarchy, and develop a modern society on par with 21st-century humans. A final act pulls us across time and space in the search for clues to the origins of the Puramus. Along the way, humor and intrigue abound: Can King defend his village when nobody understands what war is? Will Jingle work up the nerve to read her poetry at open mic night? Will Puffpuff ever stop floating? Based on the webcomic, *We Are Here Forever* is for fans of post-apocalyptic sci fi blended with dry humor and undeniable adorableness. Colorful and cartoony art will have you rooting for these cute critters through their absurd adventures...but are they really as harmless as they seem?

Abstract: Scientific and practical aspects of the role of social support in reducing work stress and improving health are presented for social scientists, social workers, and managers. The material is organized into 3 major sections: theoretical foundations; empirical evidence concerning human and animal data and various work settings; and the application of social support, its sources and their potential, for stress reduction and concomitant mental and physical health improvement. A theoretical treatment of buffering vs the main effects of social support (elaborated in the first 2 sections), and a discussion of problems associated with the detection of conditioning or buffering effects in cross-sectional studies, are appended. This book covers the complete development history of those variants of the Focke-Wulf Fw 190 powered by inline engines. The first Fw 190 equipped with a Daimler Benz liquid-cooled engine took to the air in early 1942, followed six months later by another powered by a Jumo 213. Production of the Fw 190 C, Fw 190 D and Ta 153 was delayed by the German air ministry. Not until 1944, by which time Germany had lost control of the air, did the Fw 190 D-9, an interim fighter powered by the Jumo 213 A, enter production. The Fw 190 D-9 proved an immediate success, largely due to an excellent prototype test program under Dipl.Ing. Hans Sander. The type quickly entered service with the Luftwaffe and more than 1,700 examples were completed by the end of the war. The Fw 190 D-9 gave rise to a number of improved variants with the more powerful Jumo 213 F engine and a heavier armament, however only a handful of the D-11 and D-13 versions were completed. With a maximum speed of 750 km/h, the Fw 190 D-12 powered by the new Jumo 213 EB would have represented the apex of Fw 190 development. The proposed Fw 190 D-14 and D-15, both powered by improved versions of the dive-bombers 603, came too late to see service with the Luftwaffe.

Somehow the Devil Got Me! The filthiest fruit of Robert Crumb's fertile imagination From the very beginning, even before the sexual revolution made Robert Crumb the world's most celebrated underground cartoonist, he felt compelled to commit his sexual fantasies to paper. Once upon a time, he'd destroy them, fearful of others discovering his quirky tastes. Then he found that baring his soul provided a sort of therapy, and he has memorialized his every desire since. Crumb's personal selection of these works first appeared in 2007 in a gorgeous, but pricey, TASCHEN Collector's Edition, complete with slipcase, lithographic print, and many strips hand-colored by Crumb himself. Now, this compact edition is offering the same high-quality obsession at a bargain price! This compendium includes the strips My Troubles With Women, If I Were a King, A Bitchin' Bod, and How To Have Fun With a Strong Girl, as well as 60 single page drawings. Recurring motifs include big strong girls, artistic wimps triumphantly subduing said girls, cavewomen, Yetis, vulture demonesses, bitter little guys, and did we mention big strong girls?
