I need a new bum Ballantine Books
 “Filled with diverse characters, from caped crusaders to badly behaving villains . . . Full of action and vibrancy . . . A good way to soothe bad days away.” —School Library Journal
 When Superheroes don’t get their way, when they’re sad, when they’re mad, when they’ve had a bad day . . . they COULD super-tantrum, they COULD but they DON’T, because REAL Superheroes just WOULDN’T—they WON’T! All kids have trouble getting a grip on their emotions, sometimes—even young superheroes! But what do they do when they’re having a bad day? Colorful action-packed illustrations and a dynamite

rhyming text reveal the many ways superheroes (and ordinary children, too) can resist the super-temptation to cause a scene when they’re sad, mad, frustrated, lonely, or afraid. From burning off steam on a bike or a hike, to helping others, this energetic picture book has plenty of fun ideas to help kids cope when they’re feeling overwhelmed. “An action-packed romp.” —Kirkus Reviews “[A] lighthearted exposé on how a group of superheroes deal with their frustrations . . . A spoonful of superheroes certainly helps the message go down.” —Booklist

When her older brother Nick, a British spy, is killed, Lady Harriet Devere is given a new mission by the Ministry of War—to spend Christmas determining if Julius Forsythe, Earl of Marbury, is a double agent for the French.

Christmas Inn Maine Scholastic Inc.
 An extraordinary modern novel in the Victorian tradition, Charles Palliser has created something extraordinary—a plot within a plot within a plot of family secrets, mysterious clues, low-born birth, high-reaching immorality, and, always, always the fog-enshrouded, enigmatic character of 19th century—London itself. “So compulsively absorbing that reality disappears . . . One is swept along by those enduring emotions that defy modern art and a random universe: hunger for revenge, longing for justice and the

fantasy secretly entertained by most people that the bad will be punished and the good rewarded.”—The New York Times “A virtuoso achievement . . . It is an epic, a tour de force, a staggeringly complex and tantalizingly layered tale that will keep readers engrossed in days. . . . The Quincunx will not disappoint you. It is, quite simply, superb.”—Chicago Sun-Times “A bold and vivid tale that invites the reader to get lost in the intoxicating rhythms of another world. And the invitation is irresistible.”—San Francisco Chronicle “A remarkable book . . . In mood, color, atmosphere and characters, this is Charles Dickens reincarnated . . . It is an immersing experience.”—Los Angeles Times Book Review “To read the first pages is to be trapped for seven-hundred odd more: you cannot stop turning them.”—The New Yorker “Few books, at most a dozen or two in a lifetime, affect us this way. . . . For sheer intricacy and ingenuity, for skill and clarity of storytelling, it is the kind of book readers wait for, a book to get lost in.”—The Philadelphia Inquirer

BAH-FREAKING-HUMBUG Adele James’s favorite time of year has always been Christmas, but this year she’s in no mood for the holiday season. Thanks to her famous A-list actor boyfriend cheating on her! Now that her photo is splashed all over TV, the internet, and tabloids her number one goal is to get away. She heads to her family’s cabin to be alone, but there’s another occupant when she arrives: none other than the frustratingly sexy Jace Kilpatrick... the man she’s been avoiding falling in love with for the past six years. Jace Kilpatrick has never been the biggest holiday guy, and after three months of the NHL being on lockout, celebrating is low on his priority list. Getting the keys to his best friend’s family cabin was supposed to be about being alone. But those plans are foiled by Adele James who brings the mother of all snowstorms with her. Adele is gorgeous, funny, and fiery, but she’s also his best friend’s sister, aka, completely off limits.

But when the cabin loses power in the middle of the storm, Jace forgets the rules and spends the Christmas days and nights with Adele wrapped in his arms. Once the snow thaws, they’ll call things off, no harm, no foul... if they can agree to keep their hearts out of the equation.

Now a Netflix Original Film! #1 New York Times bestseller An ill-timed storm on Christmas Eve buries the residents of Gracetown under multiple feet of snow and causes quite a bit of chaos. One brave soul ventures out into the storm from her stranded train, setting off a chain of events that will change quite a few lives. The people of Christmas Valley always celebrate Christmas to the fullest extent. The mayor plays Santa, every business is holiday themed, and there’s a nativity for the kids each Christmas Eve. This town knows Christmas. But this year nothing goes according to plan. Shepherd’s Inn is full of strangers, Mad Myrtle is causing problems, and a young couple with a baby due any minute rolls in to the middle of town in their Partridge Family-style bus. It’s hardly the holiday Christmas Valley wanted—but it may be just what they need. This charming novella is sure to become a new Christmas tradition for readers who love a great holiday story.

The Magic Christmas Simon and Schuster Aidan might be a bad elf, but he’s never been naughty. Aidan has always landed on Santa’s nice list, thank you very much. But that doesn’t mean he’s cut out to be a North Pole elf; instead of worrying about the dwindling magic of Christmas, he’d much rather be back in Tir na Nog, calculating where the next end of the rainbow is going to land. Instead he’s freezing his butt off in Santa’s sleigh. His situation seems grim despite all the decking the halls, until on Christmas Eve, during a milk and cookies run, he meets Dexter, an engineering student. They couldn’t be more different, and Dexter couldn’t be more forbidden, but Aidan is

drawn to the handsome human anyway. Over the next year, their emails start out as an entertaining way to pass the time in all his interminable elf meetings, but soon, hearing from Dex becomes the very best part of his day. And when they meet up on the next Christmas Eve? Aidan and Dex discover that their infatuation is so much more than just attraction. If they believe in each other and in the love they share, together their magic might be powerful enough to save Christmas.

Add in a reindeer-ish donkey, a Christmas competition, and a rivalry to end all rivalries and you’re bound to end up in disaster, right? In this gay Christmas romance, a snowstorm traps a gruff military police officer playing Santa gets with an overly enthusiastic do-gooder. Teddy MacNally loves Christmas and everything that goes along with it. When he plays an elf for his charity's events, he never expects to be paired with a Scrooge masquerading as Santa Claus. His new mission: make the holiday-hating soldier believe he was born to say ho-ho-ho. Sergeant Major Nicholas Nowicki doesn't do Santa, but he's army to his blood. When his CO asks an unusual favor, Nick of course obliges. The elf to his Kris Kringle? Tempting. Too tempting—Nick's only in town for another month, and Teddy's too young, too cheerful and too nice for a one-night stand. The slow, sexy make-out sessions while Teddy and Nick are alone and snowbound, though, feel like anything but a quick hookup. As a stress-free holiday fling turns into Christmas all year round, Teddy can't imagine his life without Nick. And Nick's days on the base may be coming to a close, but he doesn't plan on leaving anything, or anyone, behind. Praise for *Better Not Pout* "[A] tender and funny contemporary romance. . . . Their sexual chemistry is explosive. . . . Albert's obvious affection for her characters, particularly Nick, makes this tale a pleasure." —Publishers Weekly "A lovely, feel-good story about two people who are perfect for each other but need just a bit of Christmas magic to help them to see it. . . . I teared up a bit near the end, and then closed the book with a happy sigh and a smile on my face, which is never a bad thing." —All About Romance

All Colden Hayes wanted was to spend Christmas by herself in a cottage by the sea where the cheer of the holiday season couldn't reach her. Everything was going according to plan until the cottage she rented turned out not to exist and she ends up snowed in at a charming inn that happens to be owned by the family of her most-hated coworker, Laura Sterling. Talk about bad luck. Colden ends up saying yes to Laura's mother when she insists on giving her a room. It's only for a night, but she somehow finds herself agreeing to spend Christmas with the Sterlings as well. She blamed the festive atmosphere that she couldn't seem to escape. Maybe there's something in the mistletoe? Against her will, Colden finds herself being sucked into the comfort and joy of the season, even though she can't seem to escape Laura, who is literally everywhere Colden is, like she's doing it on purpose. Things get even worse when they're forced to share a bed when there's a fire at a local farm and the inn offers all the available rooms to the family. Colden finally realizes there's a thin line between annoyance and attraction, and she and Laura definitely crossed it. She's also pretty sure that Laura's mother is shipping them hard and so is the rest of her family, right down to her great-grandmother whose main companion is a two-hundred-pound pig named Minnie. Will the magic of the holiday season melt Colden's heart? Or will she go back to Boston alone, with only the memories to keep her warm?

From award-winning writer David Mitchell comes a

sinewy, meditative novel of boyhood on the cusp of adulthood and the old on the cusp of the new. *Black Swan Green* tracks a single year in what is, for thirteen-year-old Jason Taylor, the sleepiest village in muddiest Worcestershire in a dying Cold War England, 1982. But the thirteen chapters, each a short story in its own right, create an exquisitely observed world that is anything but sleepy. A world of Kissingeresque realpolitik enacted in boys' games on a frozen lake; of "nightcreeping" through the summer backyards of strangers; of the tabloid-fueled thrills of the Falklands War and its human toll; of the cruel, luscious Dawn Madden and her

power-hungry boyfriend, Ross Wilcox; of a certain Madame Eva van Outryve de Crommelynck, an elderly bohemian emigré who is both more and less than she appears; of Jason's search to replace his dead grandfather's irreplaceable smashed watch before the crime is discovered; of first cigarettes, first kisses, first Duran Duran LPs, and first deaths; of Margaret Thatcher's recession; of Gypsies camping in the woods and the hysteria they inspire; and, even closer to home, of a slow-motion divorce in four seasons. Pointed, funny, profound, left-field, elegiac, and painted with the stuff of life,

Black Swan Green is David Mitchell's subtlest and most effective achievement to date. Praise for *Black Swan Green* "[David Mitchell has created] one of the most endearing, smart, and funny young narrators ever to rise up from the pages of a novel. . . . The always fresh and brilliant writing will carry readers back to their own childhoods. . . . This enchanting novel makes us remember exactly what it was like."—The Boston Globe "[David Mitchell is a] prodigiously daring and imaginative young writer. . . . As in the works of Thomas Pynchon and Herman Melville, one feels the roof of the narrative lifted off and oneself in thrall."—Time
