From 1942 until 1944, Anne Frank and her family lived secretly in a few small rooms at the back of her father's office in Amsterdam, never leaving the building. Like many other Jewish families at that time, they were hiding from Hitler's Nazis. While she was in hiding, Anne wrote diaries which described her secret life, and the loves, hopes, fears and dreams of a teenage girl in extraordinary times. After the war, the diaries became famous around the world. This is the story of the diaries, of Anne Frank's early years, and of her life during and after the time in hiding.

In the idyllic university town, young women daydreamed as they lay on the grass and gazed up at the clouds. Young men took morning walks at Alfred Park. Hot summer afternoons were for drinking sherbet and eating watermelons, and evenings were meant for reading poetry. It was also a time of stifling social mores, and love was an unattainable ideal seldom realized. Allahabad of the 1940s is the serene backdrop to the turbulence of Chander's love for his professor's daughter Sudha. Driven by his passionate belief in the transcending purity of their love, Chander persuades Sudha to marry another man, to devastating consequences. Unhinged by his separation from Sudha and consumed by a restless desire to make sense of love—Is it really about sex? Is the purity of love a lie?—Chander spirals into a destructive affair with the seductive Pammi. Immensely popular since its publication more half a century ago, Chander & Sudha continues to seduce readers with its potent mix of tender passion and heartbreaking tragedy.

The Story of My Life - Helen Keller's Autobiography by Helen Keller. This book is in three parts. The first two, Miss Keller's story and the extracts from her letters, form a complete account of her life as far as she can give it. Much of her education she cannot explain herself, and since a knowledge of that is necessary to an understanding of what she has written, it was thought best to supplement her autobiography with the reports and letters of her teacher, Miss Anne Mansfield Sullivan. The addition of a further account of Miss Keller's personality and achievements may be unnecessary; yet it will help to make clear some of the traits of her character and the nature of the work which she and her teacher have done. For the third part of the book the Editor is responsible, though all that is valid in it he owes to authentic records and to the advice of Miss Sullivan. The Editor desires to express his gratitude and the gratitude of Miss Keller and Miss Sullivan to *The Ladies' Home Journal* and to its editors, Mr. Edward Bok and Mr. William V. Alexander, who have been unfailingly kind and have given for use in this book all the photographs which were taken expressly for the *Journal*; and the Editor thanks Miss Keller's many friends who have lent him her letters to them and given him valuable information; especially Mrs. Laurence Hutton, who supplied him with her large collection of notes and anecdotes; Mr. John Hitz, Superintendent of the Volta Bureau for the Increase and Diffusion of Knowledge relating to the Deaf; and Mrs. Sophia C. Hopkins, to whom Miss Sullivan wrote those illuminating letters, the extracts from which give a better idea of her methods with her pupil than anything heretofore published.

Hana's Suitcase Harper Collins

Bharat, Gandhi Ke Bad is the Hindi translated edition of *India After Gandhi*, which documents the important events and happenings that occurred after India attained independence from British rule in 1947. Generally most the history textbooks on India cover events that from pre-historic times till the country gained independence from foreign rule, but this one takes the reader into the reality that lies hidden in the recent times. This was the era that has witnessed laying of the foundation of Indian democracy, where the fledging nation has survived several brutal attacks in the name of religion, caste, class and language. Historian Ramachandra Guha digs out a lot of facts and figures to explain the struggle and pain that the world's largest democracy has suffered after independence. He has also mentioned much details about some major protests and conflicts that haunted India after the British administrators left the country. Besides the negative turn of historical events, the book also records many of the accomplishments that the nation has made which does make every Indian proud. Even after having faced numerous terror attacks, conflicts and controversial issues, the republic of India has survived and remains united post-independence. The book presents some famous personalities in a very different light, when describing their personal and their political lives. Moreover, Guha also does mentions some lesser-known personalities from among tribals, workers and peasants who have played a major role in making India what it is today. The book is a result of extensive research and the lucid narration makes it an interesting to read that is easy to understand and relate to. Translator Sushant Jha has maintained the original crux of the text in this translated edition and has not attempted to overshadow what the author has actually explained in the original English version. *India After Gandhi*, the English version was picked as the Book of the Year by Outlook and The Economist and it went onto win the 2011 Sahitya Akademi Award. Following the popularity of this book, the author wrote a second volume, which also has a translated called *Bharat: Nehru Ke Baad*. About the author: Columnist, commentator and writer, Ramachandra Gaa, born in 1958, is one of India's best historians who has documented recent history. Born and brought up in Dehradun, Gaa, a graduate from Delhi University and IIM Calcutta has also taught at Yale, Stanford and University of California. Among the famous books that Gaa has written are: *India after Gandhi*, *The States of Indian Cricket* and *This Fissured Land: An Ecological History of India*.

Conceptualizing Mass Violence draws attention to the conspicuous inability to inhibit mass violence in myriads forms and considers the plausible reasons for doing so. Focusing on a postcolonial perspective, the volume seeks to popularize and institutionalize the study of mass violence in South Asia. The essays explore and deliberate upon the varied aspects of mass violence, namely revisionism, reconstruction, atrocities, trauma, memorialization and literature, the need for Holocaust education, and the criticality of dialogue and reconciliation. The language, content, and characteristics of mass violence/genocide explicitly reinforce its aggressive, transmuting, and multifaceted character and the consequent necessity to understand the same in a nuanced manner. The book is an attempt to do so as it takes episodes of mass violence for case study from all inhabited continents, from the twentieth century to the present. The volume studies 'consciously enforced mass violence' through an interdisciplinary approach and suggests that dialogue aimed at reconciliation is perhaps the singular agency via which a solution could be achieved from mass violence in the global context. The volume is essential reading for postgraduate students and scholars from the interdisciplinary fields of Holocaust and Genocide Studies, History, Political Science, Sociology, World History, Human Rights, and Global Studies.

The child's diary that awakened the conscience of the world When *Zlata's Diary* was first published at the height of the Bosnian conflict, it became an international bestseller and was compared to *The Diary of Anne Frank*, both for the freshness of its voice and the grimness of the world it describes. It begins as the day-to-day record of the life of a typical eleven-year-old girl, preoccupied by piano lessons and birthday parties. But as war engulfs Sarajevo, Zlata Filipovic becomes a witness to food shortages and the deaths of friends and learns to wait out bombardments in a neighbor's cellar. Yet throughout she remains courageous and observant. The result is a book that has the power to move and instruct readers a world away.
