Be sure to check out IRON AMBITION: My Life with Cus D'Amato by Mike Tyson
“Raw, powerful and disturbing—a head-spinning take on Mr. Tyson's life.”—Wall Street Journal
Philosopher, Broadway headliner, fighter, felon—Mike Tyson has defied stereotypes, expectations, and a lot of conventional wisdom during his three decades in the public eye. Bullied as a boy in the toughest, poorest neighborhood in Brooklyn, Tyson grew

up to become one of the most ferocious boxers of all time—and the youngest heavyweight champion ever. But his brilliance in the ring was often compromised by reckless behavior. Yet—even after hitting rock bottom—the man who once admitted being addicted “to everything” fought his way back, achieving triumphant success as an actor and newfound happiness and stability as a father and husband. Brutal, honest, raw, and often hilarious, *Undisputed Truth* is the singular journey of an inspiring American original. [The Electrifying Story of Multiple Sclerosis](#) Harper Collins

Virginia Woolf introduced us to the “Angel in the House”, now prepare to meet... The Bitch In the House. This e-book includes an exclusive excerpt from The Bitch is Back: Older, Wiser, and Getting Happier, a second collection of essays from nine of the contributors featured in The Bitch in the House and from sixteen captivating new voices. Women today have more choices than at any time in history, yet many smart, ambitious, contemporary women are finding themselves angry, dissatisfied, stressed out. Why are they dissatisfied? And what do they really want? These questions form the premise of this passionate, provocative, funny, searingly honest collection of original essays in which twenty-six women writers—ranging in age from twenty-four

to sixty-five, single and childless or married with children or four times divorced—invite readers into their lives, minds, and bedrooms to talk about the choices they’ve made, what’s working, and what’s not. With wit and humor, in prose as poetic and powerful as it is blunt and dead-on, these intriguing women offer details of their lives that they’ve never publicly revealed before, candidly sounding off on:

- The difficult decisions and compromises of living with lovers, marrying, staying single and having children
- The perpetual tug of war between love and work, family and career
- The struggle to simultaneously care for ailing parents and a young family
- The myth of co-parenting
- Dealing with helpless mates and needy toddlers
- The constrictions of traditional

women's roles as well as the cliches of feminism • Anger at laid-back live-in lovers content to live off a hardworking woman's checkbook • Anger at being criticized for one's weight • Anger directed at their mothers, right and wrong • And—well—more anger... "This book was born out of anger," begins Cathi Hanauer, but the end result is an intimate sharing of experience that will move, amuse, and enlighten. The Bitch in the House is a perfect companion for your students as they plot a course through the many voices of modern feminism. This is the sound of the collective voice of successful women today—in all their anger, grace, and glory. From *The Bitch In the House*: "I believed myself to be a feminist, and I vowed never to fall into the same trap of

domestic boredom and servitude that I saw my mother as being fully entrenched in; never to settle for a life that was, as I saw it, lacking independence, authority, and respect." —E.S. Maduro, page 5 "Here are a few things people have said about me at the office: 'You're unflappable.' 'Are you ever in a bad mood?' Here are things people—okay, the members of my family—have said about me at home: "Mommy is always grumpy.' 'Why are you so tense?' 'You're too mean to live in this house and I want you to go back to work for the rest of your life!'" —Kristin van Ogtrop, page 161 "I didn't want to be a bad mother I wanted to be my mother-safe, protective, rational, calm-without giving up all my anger, because my anger fueled me." — Elissa

Schappell, page 195

The Bitch in the House Penguin

A memoir and manifesto from the comedian, hit podcast host, and star of United Shades of America You may know W. Kamau Bell from his critically acclaimed hit show on CNN United Shades of America. Or maybe you've read about him in the New York Times, which called him "the most promising new talent in political comedy in many years." Or maybe in the New Yorker, fawning over his brand of humor, writing, "Bell's gimmick is intersectional progressivism: he treats racial, gay, and women's issues as inseparable." The Awkward Thoughts of W. Kamau Bell is a humorous, well-informed take on the world today, tackling a wide range of current and evergreen issues such as

the 2016 election, race relations, fatherhood, the state of law enforcement today, comedians and superheroes, right-wing politics, failure, his interracial marriage, his upbringing by divorced and very strong-willed, race-conscious parents, his early days struggling to find his comedic voice, why he never felt at home in Black comedy circles, what it means to be a Black nerd, the balance between racism and feminism, and much, much more.

A Field Guide to Awkward Silences

Flatiron Books

Talking about money sucks; but so does

being broke. Do your eyes glaze over just thinking about the mumbo-jumbo of finance? Do you break out into hives at the thought of money? Well, sister, you are not alone. In RICH BITCH, money expert and financial journalist Nicole Lapin lays out a 12-Step Plan in which she shares her experiences, mistakes and all, of getting her own finances in order. No lecturing, just help from a friend. And even though money is typically an off-limits conversation, nothing is off-limits here. Lapin rethinks every piece of financial wisdom you've ever heard and puts her own fresh, modern, sassy spin on it. Sure, there are some hard-and-fast rules about finance, but when it comes to your money, the only person who can spend it is you. Should you invest in a 401(k)? Maybe

not. Should you splurge on that morning latte? Likely yes. Instead of nickel-and-diming yourself, Nicole's advice focuses on investing in yourself so you don't have to stress over the little things. But in order to do that, you have to be able to speak the language of money. After all, money is a language like anything else, and the sooner you can join the conversation, the sooner you can live the life you want, RICH BITCH rehabs whatever bad habits you might have and provides a plan you can not only sustain, but thrive with. It's time to go after the rich life you deserve, and confident enough to call yourself a RICH BITCH. [Multiple Sclerosis For Dummies](#)

A Simple 12-Step Plan to Take Charge of Your Career Vanita Books

Winner of the 2003 Pulitzer Prize for Drama, this lush romantic drama depicts a family of cigar makers whose loves and lives are played out against the backdrop of America in the midst of the Depression. Set in Ybor City (Tampa) in 1930, Cruz imagines the catalytic effect the arrival of a new "lector (who reads Tolstoy's *Anna Karenina* to the workers as they toil in the cigar factory) has on a Cuban-American family. Cruz celebrates the search for identity in a new land.

Being diagnosed with multiple sclerosis

(MS) doesn't have to mean your life is over. Everyone's MS is different and no one can predict exactly what yours will be like. The fact is, lots of people live their lives with MS without making a full-time job of it. *MS for Dummies* gives you easy to access, easy to understand information about what happens with MS—what kinds of symptoms it can cause, how it can affect your life at home and at work, what you can do to feel and function up to snuff, and how you can protect yourself and your family against the long-term unpredictability of the disease. You'll learn: Why some people get MS and others don't How to make treatment and lifestyle choices that work for you What qualities to look for in a neurologist and in the rest of your healthcare team How to manage

fatigue, walking problems, and visual changes Why the road to diagnosis can be full of twists and turns How to understand the pros and cons of alternative medicine Why and how to talk to your kids about MS How to find stress management strategies that work for you Your rights under the Americans with Disabilities Act Complete with listings of valuable resources such as other books, Web sites, and community agencies and organizations that you can tap for information or assistance, MS for Dummies will tell you everything you need to know in order to make educated choices and comfortable decisions about life with MS.

Vintage Wisdom for a Modern Geek

Columbia University Press

Journalist Walls grew up with parents

whose ideals and stubborn nonconformity were their curse and their salvation. Rex and Rose Mary and their four children lived like nomads, moving among Southwest desert towns, camping in the mountains. Rex was a charismatic, brilliant man who, when sober, captured his children's imagination, teaching them how to embrace life fearlessly. Rose Mary painted and wrote and couldn't stand the responsibility of providing for her family. When the money ran out, the Walls retreated to the dismal West Virginia mining town Rex had tried to escape. As the dysfunction escalated, the children had to fend for themselves, supporting one another as they found the resources and will to leave home. Yet Walls describes her parents with deep

affection in this tale of unconditional love in a family that, despite its profound flaws, gave her the fiery determination to carve out a successful life. -- From publisher description.

My Life with MS Hunter House

Recent rapid changes in the field of multiple sclerosis management have made the task of staying well-informed a challenge for neurologists, and even more so for other healthcare practitioners who are involved in symptom evaluation and treatment.

Multiple Sclerosis for the Non-Neurologist is an up-to-date resource for physicians, residents, fellows, and others who care for patients with MS. It contains authoritative information on all aspects of this complex disease, including monitoring requirements for

patients with MS, potential risks and adverse events of disease modifying or symptomatic therapies, and possible drug interactions and contraindications of medications.

Boss Bitch Penguin

#1 New York Times bestselling author Robyn Carr examines the lives of three sisters as they step beyond the roles of wife, mother, daughter and discover the importance of being a woman first Clare Wilson is starting over. She's had it with her marriage to a charming serial cheater. Even her own son thinks she's given his father too many chances. With the support of her sisters, Maggie and Sarah, she's ready to move on. Facing her fortieth birthday, Clare is finally feeling the rush of unadulterated freedom. But when a near-fatal car

accident lands Clare in the hospital, her life takes another detour. While recovering, Clare realizes she has the power to choose her life's path. The wonderful younger police officer who witnessed her crash is over the moon for her. A man from her past stirs up long-buried feelings. Even her ex is pining for her. With enthusiasm and a little envy, her sisters watch her bloom. Together, the sisters encourage each other to seek what they need to be happy. Along the way they all learn that it's never too late to begin again.

A Memoir Awkward Bitch My Life with MS Awkward Bitch My Life with MS Multiple Sclerosis is a devastating, incurable disease that afflicts about one in a thousand North Americans. Striking in the prime of life, it is the most

common debilitating neurological disorder of people between the ages of 20 and 40. Eighty percent of patients suffer from cognitive impairments, seventy percent from sexual dysfunction, and fifty percent from depression. Few people are prepared for the emotional impact of this unpredictable, disabling chronic condition.

Taking Control is an inspiring journey through the lives of 15 people living with MS. Read how they were diagnosed & address their greatest fears to go on & create a new life. Practical advice and over 100 tips to help you put

your life back together.

MS Made Simple MIRA

The #1 New York Times bestselling (mostly true) memoir from the hilarious author of *Furiously Happy*. “Gaspingly funny and wonderfully inappropriate.”—O, The Oprah Magazine When Jenny Lawson was little, all she ever wanted was to fit in. That dream was cut short by her fantastically unbalanced father and a morbidly eccentric childhood. It did, however, open up an opportunity for Lawson to find the humor in the strange shame-spiral that is her life, and we are all the better for it. In the irreverent *Let’s Pretend This Never Happened*, Lawson’s long-suffering husband and sweet daughter help her uncover the surprising discovery that the most terribly human

moments—the ones we want to pretend never happened—are the very same moments that make us the people we are today. For every intellectual misfit who thought they were the only ones to think the things that Lawson dares to say out loud, this is a poignant and hysterical look at the dark, disturbing, yet wonderful moments of our lives.

Readers Guide Inside

A Tale of Love, Ice Cream, and My Mom's Chronic Illness Hunter House
Because Multiple Sclerosis is a disease that someone will live with for years, or even decades, it is important for family

and friends to understand what the person is going through and learn how to give support. Multiple Sclerosis used to be feared because it was so unpredictable and doctors knew very little in how to treat it. Thanks to good research and great doctors, people can live with MS even though there is not a cure yet. The Electrifying Story of Multiple Sclerosis is written to help people understand what it feels like to have the disease, how to help, and what symptoms people feel.
