Teaching Writing is Lucy Calkins at her best—a distillation of the work that's placed Lucy and her colleagues at the forefront of the teaching of writing for over thirty years. This book promises to inspire teachers to teach with renewed passion and power and to invigorate the entire school day.

Those first few days of writing we talked a lot about how important our writer's workshop time is, the expectations, and exactly how a mini lesson would look and I explained to the students how I would do the first part of talking and then the kids would have a chance to try it out too.
