Upon receiving his execution date, one of the thousands of men living on death row in the United States had an epiphany: "All there ever is, is this moment. You, me, all of us, right here, right now, this minute, that's love." Right Here, Right Now collects the powerful, first-person stories of dozens of men on death rows across the country. From childhood experiences living with poverty, hunger, and violence to mental illness and police misconduct to coming to terms with their executions, these men outline their

struggle to maintain their connection to society and sustain the humanity that incarceration and its daily insults attempt to extinguish. By offering their hopes, dreams, aspirations, fears, failures, and wounds, the men challenge us to reconsider whether our current justice system offers actual justice or simply perpetuates the social injustices that obscure our shared humanity. A Novel Routledge A smart, engaging investigation of the show that brought real teens to TV My So-Called Life lasted only 19 episodes from 1994 to 1995, but in that time it earned many devoted viewers, including the showrunners who would usher in the teen TV boom of the late

1990s and the new millennium. With its focus on 15-year-old Angela Chase's search for her identity, *MSCL's* realistic representation of adolescence on TV was groundbreaking; without her there would be no *Buffy* or *Felicity*, *Rory Gilmore* or *Veronica Mars*. The series' broadcast coincided with the arrival of third-wave feminism, the first feminist movement to make teen voices a priority, and Angela became their small-screen spokesperson. From her perspective, *MSCL* explored gender, identity, sexuality, race, class, body image, and other issues vital to the third wave (and the world). To this day, passionate fans dissect everything from what *Rickie Vasquez* did for gay

representation to what *Jordan Catalano* did for leaning, and *Soraya Roberts* makes an invaluable contribution to that conversation with *In My Humble Opinion*.

A Novel *Macmillan* *Anita Harris* creates a realistic portrait of the "new girl" that has appeared in the twenty-first century--she may still play with *Barbie*, but she is also likely to play soccer or basketball, be assertive and may even be sexually aware, if not active. Building on this new definition, *Harris* explores the many key areas central to the lives of girls from a global perspective, such as girlspace, schools, work, aggression, sexuality and power.

Constructing and

Representing the

Sacred The Rosen Publishing Group, Inc An unprecedented and definitive collection of rabble-rousing writings on women's health, *Voices of the Women's Health Movement* explores a range of provocative topics from reproductive rights to sexuality to motherhood. Trail-blazing advocate Barbara Seaman and health activist Laura Eldridge bring the revolutionary ideas of several generations together in this powerful new book celebrating women's bodies, and women's voices. The more than two hundred contributors include Jennifer Baumgardner, Susan Brownmiller, Phyllis Chesler, Angela Y. Davis, Barbara Ehrenreich, Germaine

Greer, Shulamith Firestone, Charlotte Perkins Gilman, Erica Jong, Molly Haskell, Shere Hite, Susie Orbach, Judith Rossner, Alix Kates Shulman, Gloria Steinem, Sojourner Truth, Rebecca Walker, Naomi Wolf, and many others. With *Voices of the Women's Health Movement*, for the first time, every woman and girl can experience in one place the powerful history of stirring words and strong female perspectives that have inspired countless women to take control of their health and their lives. Volume Two highlights include influential writings on sex, rape and violence against women, body image, informed consent, self-help gynecology, patient advocacy, and

the mind-body connection.

 In this unprecedented, fascinating book which covers women in theatre from the 1910s to the 2010s, author Lynne Greeley notes that, for the purposes of this study, "feminism" is defined as the political impulse toward economic and social empowerment for females or the female-identified, a position perceived by many feminists as oppositional to ideas of femininity that they see as personally and politically constraining and that "femininity" comprises social behaviors and practices that mean as "many different things as there are women," some of which are empowering and others of which are

not. This book illuminates how throughout the twentieth century and into the twenty-first, playwrights and artists in American theatre both embodied and disrupted the feminine of their times. Through approaches as wide ranging as performing their own recipes, energizing silences, raging against war and rape, and inviting the public to inscribe their naked bodies, theatre artists have used performance as a site to insert themselves between the physicality of their female presence and the liminality of their disrupting the role of the feminine. Capturing that place of liminality, a neither-here-nor-there place that is often unsafe, where the established

order is overturned by acts as banal as raising a plant, women have written and performed and disrupted their way through one hundred years of theatre history, even within the constraints of a variably rigid and usually unsympathetic social order. Creating a feminist femininity, they have reinscribed their place in the culture and provided models for their audiences to do the same. This comprehensive tome, part of the Cambria Contemporary Global Performing Arts headed by John Clum (Duke University) is an essential addition for theater studies and women's studies. **How to Hear His Voice** Rutgers University Press Most people retain only

a fraction of what they hear, resulting in miscommunications and lost opportunities. But learning how to actively listen and absorb what a person is saying, thinking, and feeling can set the stage for dramatically improved relationships and increased personal success. In *Listen Up or Lose Out*, communications expert Robert Bolton highlights the underestimated and not well utilized tool of active listening and explains how it can be used to gather perspectives, bridge differences, and resolve problems. By breaking down listening into a set of learnable skills such as avoiding the urge to criticize, question, or advise; focusing on the speaker's point of

view; asking the right questions, in the right order; and learning how to read people's feelings and reflect them back, Bolton explains how one can become a skilled listener who experiences fewer conflicts, makes better decisions, and discovers opportunities that others might miss. Whether personally or in business, could you benefit from better communication? Give listening a try! [Listen to the Voices from the Sea](#) Macmillan Contains nearly two hundred alphabetically arranged entries that provide information on women's autobiography, covering selected authors from throughout history, major works, nationalities or

ethnicities, and related issues, themes, and terms.

Growing Up

Postmodern Routledge

Ebba the bear loves being out in the forest. She adores her silly friend, Daisy, who calls her Buttercup. The two enjoy many adventures together, but Ebba must be extra careful because Ranger Granger is out to capture her. This ranger is determined to have Ebba in his new zoo. Come along on this adventure as Ebba works hard to show Ranger Granger that a gentle bear deserves to be out roaming the woods with the other animals because that is where she belongs.

This collection takes its inspiration from Paul Goodman's *Growing Up Absurd*, a landmark critique of American culture at the end of the 1950s. The contributors to this volume focus on adverse social conditions that confront young people in postmodernity, such as the relentless pressure to consume, social dis-investment in education, harsh responses to youth crime, and the continuing climate of intolerance that falls heavily on the young.

In essays on education, youth crime, counseling, protest movements, fiction, identity-formation and popular culture, the contributors look for moments of resistance to the subsumption of youth culture under the logic of global capitalism.

A Kirkus Reviews Best Teen Book of 2014! In *Dirty Wings* by Sarah McCarry, Maia is a teenage piano prodigy and dutiful daughter, imprisoned in the oppressive silence of her adoptive parents' house like a princess in an ivory tower. Cass is a street rat, witch, and runaway, scraping by with her wits and her knack for a five-fingered discount. When a chance encounter brings the two girls together, an unlikely friendship blossoms that will soon change the course of both their lives. Cass

springs Maia from the jail of the only world she's ever known, and Maia's only too happy to make a break for it. But Cass didn't reckon on Jason, the hypnotic blue-eyed rocker who'd capture Maia's heart as soon as Cass set her free--and Cass isn't the only one who's noticed Maia's extraordinary gifts. Is Cass strong enough to battle the ancient evil she's unwittingly awakened--or has she walked into a trap that will destroy everything she cares about? In this time, like in any time, love is a dangerous game. *All Our Pretty Songs*
