*Book Seven* Harper Collins

In the newest Argeneau novel from New York Times bestselling author Lynsay Sands, an immortal barely escapes a raging fire only to kindle a sizzling passion with his potential life mate. Mac Argeneau knows all too well: immortals can be killed. Not with holy water or silver crosses, but by decapitation or being set on fire. So when Mac's house bursts into flames—with him inside—he's sure it was no accident. But who would want to kill a scientist specializing in hematology? There is a silver lining: a blonde investigator appears on the scene and sparks feelings in him that have been dormant for centuries. CJ Cummings is in town on a special investigation, but she's been waylaid by the local police to deal with this arson case. The biggest mystery is how this sexy scientist with silvery blue eyes has emerged from a blazing inferno without a burn mark on him. He's clearly hiding something. Sure, she'd love to see him without his lab coat, but she's got a job to do—despite his insistence that he needs a bodyguard and...he wants her. But when a second attempt on their lives puts CJ in harm's way, it's Mac who will do anything to safeguard the woman who's destined to be his life mate.

That hot guy tied to Lissianna Argeneau's bed? He's not dessert—he's the main course! Lissianna has been spending her centuries pining for Mr. Right, not just a quick snack, and this sexy guy she finds in her bed looks like he might be a candidate. But there's another, more pressing issue: her tendency to faint at the sight of blood...an especially annoying quirk for a vampire. Of course it doesn't hurt that this man has a delicious-looking neck. What kind of cold-blooded vampire woman could resist a bite of that? Dr. Gregory Hewitt recovers from the shock of waking up in a stranger's bedroom pretty quickly—once he sees a gorgeous woman about to treat him to a wild night of passion. But is it possible for the good doctor to find true love with a vampire vixen, or will he be just a good meal? That's a question Dr. Greg might be willing to sink his teeth into...if he can just get Lissianna to bite.

Rule #1: Never get involved with someone who won't be there for you when the sun comes up. Once bitten, twice shy, and sexy PI Jackie Morrissey wasn't going there again. Vincent Argeneau may be the hottest guy she's ever met, living or dead, but she's here to stop a killer from turning this vampire into dust, not to jump into bed with him. Rule #2: Never kiss a vampire . . . it can be a pain in the neck. Okay, so Vincent's had four hundred years to perfect his kissing skills, and he does look rather tempting when he runs around the house shirtless. He's also charming, protective . . . did we mention he can kiss? Jackie needs to be on her guard, or else she'll have to come up with a new rule: If you're going to fall in love with a vampire, make sure it's a bite to remember.
