Deep inside the Vatican library, a priest discovers the rarest and most valuable art object ever found: the manuscript of *The Divine Comedy*, written in Dante's own hand. Via Sicily, the manuscript makes its way from the priest to a mob boss in New York City, where a writer named Nick Tosches is called to authenticate the prize. For this writer, the temptation is too great: he steals the manuscript in a last-chance bid to have it all. Some will find it offensive; others will declare it transcendent; it is certain to be the most ragingly debated novel of the decade.

 A crash is generally defined as two objects colliding with enough force to cause damage, but Lindsey and Garnet effect damage by walking away from one another. When they meet again, seven years later, they must deal with their past in the middle of industrial

sabotage and terrorist threats. In this story, love might not get a chance to find a way.

**A Plane Proposal** Alfred Music Publishing  
 Hank Rudzinski always wanted to be a hero. He finds Amy, a partner in his quest, and joins the Army. From Pennsylvania to West Germany; from a Georgia Army Post to a Mississippi Air Force Base; from an Infantry Division in Missouri to the deserts of Iraq in 1991 they realize that heroes are made of something different than rank or medals. They also discover that great causes bring out the best but also the very worst of people. This novel pulls aside the curtain to reveal the grandeur and grittiness of such pursuits. It is also a novel of love and hate; highlighting the lifelong permanence of soul searing choices. This book is part of the Good Fight Series and overlaps times and characters of Marx & Ford and the upcoming Fear & Hope.

in these loud and frantic times; where we start again after personal and public devastation; how we recapture wholeness after loss; and how we locate our true identities in this frazzled age. We begin, Lamott says, by collecting the ripped shreds of our emotional and spiritual fabric and sewing them back together, one stitch at a time. It's in these stitches that the quilt of life begins, and embedded in them are strength, warmth, humor, and humanity.

Harper Collins

The life of blues legend Robert Johnson becomes the centerpiece for this innovative look at what many consider to be America's deepest and most influential music genre. Pivotal are the questions surrounding why Johnson was ignored by the core black audience of his time yet now celebrated as the greatest figure in blues

history. Trying to separate myth from reality, biographer Elijah Wald studies the blues from the inside -- not only examining recordings but also the recollections of the musicians themselves, the African-American press, as well as examining original research. What emerges is a new appreciation for the blues and the movement of its artists from the shadows of the 1930s Mississippi Delta to the mainstream venues frequented by today's loyal blues fans.

Romiette and Julio Hal Leonard Corporation  
Do you feel the soul of another calling to you? Do you know in your heart that your destiny and his were meant to merge in the cosmos? We can help you find him. When Romiette Cappelle and her best friend, Destiny, decide to order The Scientific Soul Mate System from the back of Heavy Hunks magazine, they're not sure what they're getting into. But Destiny, a self-proclaimed psychic, assures Romi that for \$44.99 plus shipping and handling, it's

the only way they're ever going to find out who their soul mates really are. If nothing else, maybe Romi will get some insight into that recurring dream she's been having about fire and water. But they never expect that the scented candle and tube of dream ointment will live up to their promises and merge Romiette's destiny with that of Julio Montague, a boy she's just met in the "cosmos" of an Internet chat room. It turns out they go to the same high school, not to mention having almost the same names as Shakespeare's famous lovers! Sweet-scented dreams of Julio have almost overtaken Romi's nightmares... ..when suddenly they return, but this time in real life. It seems the Devildogs, a local gang, violently oppose the relationship of Romiette and Julio. Soon they find themselves haunted by the purple-clad shadows of the gang, and the fire and water of Romiette's dream merge in ways more terrifying -- and ultimately more affirming -- than even Destiny could have foreseen.
