The Government That Failed: 1776–1787

- The Articles of Confederation
- The first document to govern the United States, ratified in 1781.
- It created a confederation among 13 states and former colonies.
- Congress had few powers; there was no president or national court system.

Theories of Interest Group Politics

- Pluralism
- Groups provide a link between the people and the government.
- Groups compete and no one group will become too dominant.
- Groups play by “rules the

game.”

- Groups weak in one resource may use another.
