[I Heard the Owl Call My Name](#) Africa Research and Publications

High school senior and football player Keir sets out to enjoy himself on graduation night, but when he attempts to comfort a friend whose date has left her stranded, things go terribly wrong.

Call Me by Your Name Kids Can Press Ltd

This is a book about revolutionary ideas and concepts collected over the years and are geared toward political capital. As our world gets more complex by Amazon's shared economy and the empowerment of LGBT communities, issues of female and male are dominant. My idea is that an Ethiopian female and an Eritrean male will read these articles, discuss the issues raised, and reach at solutions. I am hoping that readers will arrive at their common values and live a better future. My articles are based on intellectual wisdom derived from Ethiopian philosophy and Western psychology.

Call Me by My First Name Henry Holt and Company (BYR)

In the spirit of the author's massively popular Twitter thread, Tucker Shaw's *When You Call My Name* is a heartrending novel about two gay teens coming of age in New York City in 1990 at the height of the HIV/AIDS epidemic, perfect for fans of Adam Silvera and Mary H. K. Choi. Film fanatic Adam is seventeen and being asked out on his first date—and the guy is cute. Heart racing, Adam accepts, quickly falling in love with Callum like the movies always promised. Fashion-obsessed Ben is eighteen and has just left his home upstate after his mother discovers his hidden stash of gay magazines. When he comes to New York City, Ben's sexuality begins to feel less like a secret and more like a badge of honor. Then Callum disappears, leaving Adam heartbroken, and Ben finds out his new world is more closed-minded than he thought. When Adam finally tracks Callum down, he learns the guy he loves is very ill. And in a chance meeting near the hospital where Callum is being treated, Ben and Adam meet, forever changing each other's lives. As both begin to open their eyes to the possibilities of queer love and life, they realize sometimes the only people who can help you are the people who can really see you—in all your messy glory. A love letter to New York and the

liberating power of queer friendship, *When You Call My Name* is a hopeful novel about the pivotal moments of our youth that break our hearts and the people who help us put them back together.

poetry from Kosova Simon Pulse

"A lyrical memoir . . . about his teammates, his coaches, his parents and the magnetic power of football in Louisiana."—NPR "The best sports book of the year."—Sports Illustrated Inspired by a classic essay about a visit to a dying coach, *It Never Rains in Tiger Stadium* explores in gorgeous detail the inescapable pull of college football—the cocky smiles behind the face masks, the two-day drills, the emotionally charged bus rides to the stadium, the curfew checks, the film-study sessions, the locker room antics, and the yawning void left in one's soul the moment the final whistle sounds. To understand why it's so painful to give up the game, you must first understand the intimacy of the huddle. "It ends for everybody," writes John Ed Bradley, "and then it starts all over again, in ways you never anticipated. Marty Dufresne sits in his wheelchair listening to the Tiger fight song . . . Ramsey Darder endures prison by playing the games over in his head . . . Big Ed Stanton never took up the game of golf, and yet he rides the streets of Bayou Vista in a cart

nearly identical to Coach Mac’s, recalling the one time the old man invited him for a ride.” Far more than a memoir, *It Never Rains in Tiger Stadium* is a brutally honest, profoundly moving look at what it means to surrender something you love.

It Never Rains in Tiger Stadium Xlibris Corporation

Universally acclaimed, rapturously reviewed, winner of the National Book Critics Circle Award for autobiography, and an instant New York Times bestseller, Chanel Miller's breathtaking memoir "gives readers the privilege of knowing her not just as Emily Doe, but as Chanel Miller the writer, the artist, the survivor, the fighter." (The Wrap). "I opened *Know My Name* with the intention to bear witness to the story of a survivor. Instead, I found myself falling into the hands of one of the great writers and thinkers of our time. Chanel Miller is a philosopher, a cultural critic, a deep observer, a writer's writer, a true artist. I could not put this phenomenal book down." --Glennon Doyle, #1 New York Times bestselling author of *Love Warrior* and *Untamed* "*Know My Name* is a gut-punch, and in the end, somehow, also blessedly hopeful." --Washington Post She was known to the world as Emily Doe when she stunned millions with a letter. Brock Turner had been sentenced to just six months in county jail after he was found sexually assaulting her on Stanford's campus. Her victim impact statement was posted on BuzzFeed, where it instantly went viral--viewed by eleven million people within four days, it was translated globally and read on the floor of Congress; it inspired changes in California law and the recall of the judge in the case. Thousands wrote to say that she had given them the courage to share their own experiences of assault for the first time. Now she reclaims her identity to tell her story of trauma, transcendence, and the power of words. It was the perfect case, in many ways--there were eyewitnesses, Turner ran away, physical evidence was immediately secured. But her struggles with isolation and shame during the aftermath and the trial reveal the oppression victims face in even the best-case scenarios. Her story illuminates a culture biased to protect perpetrators, indicts a criminal justice system designed to fail the most vulnerable, and, ultimately, shines with the courage required to move through suffering and live a full and beautiful life. *Know My Name* will forever transform the way we think about sexual assault, challenging our beliefs about what is acceptable and speaking truth to the tumultuous reality of healing. It also introduces readers to an extraordinary writer, one whose words have already changed our world. Entwining pain, resilience, and humor, this memoir will stand as a modern classic. Chosen as a BEST BOOK OF 2019 by The New York Times Book Review, The Washington Post, TIME, Elle, Glamour, Parade, Chicago Tribune, Baltimore Sun, BookRiot

The happily-ever-after of Holly Goldberg Sloan's acclaimed debut, *I'll Be There*, is turned on its head in this riveting, emotional sequel about friends, enemies, and how those roles can shift in a matter of moments. Emily Bell has it all. She's in love with a boy named Sam Border, and his little brother has become part of her family. This summer is destined to be the best time of their lives--until a charismatic new girl in town sets her sights on Sam. Now Emily finds herself questioning the loyalty of the person she thought she could trust most. But the biggest threat to her happiness is someone she never saw coming. Sam's criminally insane father, whom everyone thought they'd finally left behind, is planning a jailbreak. And he knows exactly where to find Emily and his sons when he escapes...and takes his revenge.

The Collected Poems Little, Brown Books for Young Readers

Growing up in Louisiana in the late 1960s, where segregation and prejudice still thrive, two high school football players, one white, one black, become friends, but some changes are too difficult to accept.

Call Me By My Name Simon and Schuster

The Rebel and the Rake Penguin

A New York Times Bestseller In this spellbinding exploration of the varieties of love, the author of the worldwide bestseller *Call Me by Your Name* revisits its complex and beguiling characters decades after their first meeting. No novel in recent memory has spoken more movingly to contemporary readers about the nature of love than André Aciman's haunting *Call Me by Your Name*. First published in 2007, it was hailed as "a love letter, an invocation . . . an exceptionally beautiful book" (Stacey D'Erasmus, The New York Times Book Review). Nearly three quarters of a million copies have been sold, and the book became a much-loved, Academy Award-winning film starring Timothée Chalamet as the young Elio and Armie Hammer as Oliver, the graduate student with whom he falls in love. In *Find Me*, Aciman shows us Elio's father, Samuel, on a trip from

Florence to Rome to visit Elio, who has become a gifted classical pianist. A chance encounter on the train with a beautiful young woman upends Sami's plans and changes his life forever. Elio soon moves to Paris, where he, too, has a consequential affair, while Oliver, now a New England college professor with a family, suddenly finds himself contemplating a return trip across the Atlantic. Aciman is a master of sensibility, of the intimate details and the emotional nuances that are the substance of passion. *Find Me* brings us back inside the magic circle of one of our greatest contemporary romances to ask if, in fact, true love ever dies.

[A Novel](#) Dramatists Play Service, Inc.

A New York Times, USA Today, and Wall Street Journal bestselling book. One of the Top 100

Romance Novels of All time on Goodreads! *Archer's Voice* is a full-length, standalone romance.

Features a bonus scene from Archer's POV. I wanted to lose myself in the small town of Pelion, Maine. To forget everything I had left behind. The sound of rain. The blood. The coldness of a gun against my skin. For six months, each breath has been a reminder that I survived--and my dad didn't. I'm almost safe again. But the moment I meet Archer Hale, my entire world tilts on its axis . . . and never rights itself again. Until I trespass into his strange, silent, and isolated world, Archer communicates with no one. Yet in his whiskey-colored eyes, something intangible happens between us. There's so much more to him than just his beauty, his presence, or the ways his hands communicate with me. On me. But this town is mired in secrets and betrayals, and Archer is the explosive center of it all. So much passion. And so much hurt. But it's only in Archer's silence that we might just find what we need to heal . . . and live.

[When You Call My Name](#) Simon & Schuster

A young African American falls into periodic spasms and chants a text that nobody understands. His troubled family seeks help. The text, recorded by a psychiatrist and deciphered by linguists, is found to be a corrupted family chant from the Yoruba of Nigeria. The doctor advises a trip to that ethnic region. The spiritual voices that have been summoning Otis finally bring him to the spot where his ancestor was enslaved over a century before. Two years on, armed with a recovered identity and a chastened wisdom, Otis returns to the U.S. to join the 1960s civil rights struggle.

Ask a Manager Farrar, Straus and Giroux

Call Me by Your Name is the story of a sudden and powerful romance that blossoms between an adolescent boy and a summer guest at his parents' cliff-side mansion on the Italian Riviera. Unprepared for the consequences of their attraction, at first each feigns indifference. But during the restless summer weeks that follow, unrelenting buried currents of obsession and fear, fascination and desire, intensify their passion as they test the charged ground between them. What grows from the depths of their spirits is a romance of scarcely six weeks' duration and an experience that marks them for a lifetime. For what the two discover on the Riviera and during a sultry evening in Rome is the one thing both already fear they may never truly find again: total intimacy. The psychological maneuvers that accompany attraction have seldom been more shrewdly captured than in André Aciman's frank, unsentimental, heartrending elegy to human passion. *Call Me by Your Name* is clear-eyed, bare-knuckled, and ultimately unforgettable.

Call Me by Your Name Simon and Schuster

A collection of poetry by the renowned Zen meditation teacher, peace activist, and author of *The Miracle of Mindfulness* Though he is best known for his groundbreaking and accessible works on applying mindfulness to everyday life, Thich Nhat Hanh is also a distinguished poet and Nobel Peace Prize nominee. This stunning poetry collection explores these lesser-known facets of Nhat Hanh's life, revealing not only his path to becoming a Zen meditation teacher but his skill as a poet, his achievements as a peace activist, and his experiences as a young refugee. Through over fifty poems, Nhat Hanh reveals the stories of his past—from his childhood in war-torn Vietnam to the beginnings of his own spiritual journey—and shares his ideas on how we can come together to create a more peaceful, mindful world. Uplifting, insightful, and profound, *Call Me By My True Names* is at once an exquisite work of poetry and a portrait of one of the world's greatest Zen masters and peacemakers. "The clear, still mind of this meditation teacher gives rise to piercing images time and time again. Nhat Hanh seems an inherently skilled poet. It is these poetic works, more than his essays or lectures, that show Thich Nhat Hanh clearly to be a Zen mystic." —San Francisco Chronicle "Thich Nhat Hanh's poems have an almost uncanny power to disarm delusion, awaken compassion, and carry the mind into the immediate presence of meditation. Thich Nhat Hanh writes with the voice of the Buddha". - Sogyal Rinpoche.

How a Little Film Touched So Many Lives Sibling Rivalry Press, LLC

This book challenges the unwritten laws that dominate U.S. society, creating great wealth and

even greater poverty. Social (Structural) Analysis uncovers the hidden agenda behind this system of political economy that exploit the majority while enriching the few. Modern liberal economics holds the proverbial carrot in front of the world's population while the real winners, the multi-national banks and corporations, reap scandalous profits. This political/economic monopoly treats the living earth as if it was a disposable resource and turns the majority of the world's population into mere cogs in its machinery. Like a cancer, if untreated it will destroy its host. Social analysis cannot cure this cancer, but it can remove the rose-colored glasses from people's eyes so that they can understand it. Free Market Capitalism has undoubted benefits. It becomes evil when it is a law unto itself. A system of political economy, endowed with a wider vision and a more just definition of profits, might evolve out of the dialogue between the mechanisms of Capitalism and the priorities of socialism. Such a system would allow all peoples to enjoy a decent life while preserving the integrity of the earth. Utopia, the perfect society, may never become a reality, but we should never stop trying to implement it. Social analysis is a necessary first step towards a more just world.

"Calling My Name is a treasure."—Nic Stone, New York Times–bestselling author of *Dear Martin*

Calling My Name is a striking, luminous, and literary exploration of family, spirituality, and self—ideal for readers of Jacqueline Woodson, Jandy Nelson, Naomi Shihab Nye, and Sandra Cisneros. This unforgettable novel tells a universal coming-of-age story about Taja Brown, a young African American girl growing up in Houston, Texas, and deftly and beautifully explores the universal struggles of growing up, battling family expectations, discovering a sense of self, and finding a unique voice and purpose. Told in fifty-three short, episodic, moving, and iridescent chapters, *Calling My Name* follows Taja on her journey from middle school to high school. Literary and noteworthy, this is a beauty of a novel that captures the multifaceted struggle of finding where you belong and why you matter.

Call Me Max (Max and Friends Book 1) Call Me By My Name

Elizabeth is tired of everyone shortening her first name and calling her Lizzie, Liz, or Beth, but suffers in silence, until one autumn day when her impatience gets the best of her and she learns an important lesson about tact and grace.

Seize the Time University of Iowa Press

Meet Ari, a young person who doesn't like to be called by their birth name Edward: "When I think of the name Edward, I imagine old kings who snore a lot." Throughout this beautiful and engaging picture book, we watch Ari grow up before our very eyes as they navigate the ins and outs of their gender identity; we see how, as a child, they prefer dolls and princess movies, and want to grow out their hair, though their father insists on cutting it short, "because that's what boys look like." At nine, they play hockey but wish they could try on their mother's dresses; at fifteen, they shave their face, hoping to have smooth skin like girls. At sixteen, they want to run away, especially from their father who insists, "You're a boy, so you have to act like one." Who will Ari become? Moving from age six to adolescence, *The Name I Call Myself* touchingly depicts Edward's tender, solitary gender journey to Ari: a new life distinguished and made meaningful by self-acceptance and unconditional love. Ages 5 to 12.

[Documenting the Black Experience in an American University](#) Community Vintage

First published in 1947, this acknowledged classic of American literary criticism explores the influences—especially Shakespearean ones—on Melville's writing of *Moby-Dick*. One of the first Melvilleans to advance what has since become known as the "theory of the two *Moby-Dicks*," Olson argues that there were two versions of *Moby-Dick*, and that Melville's reading *King Lear* for the first time in between the first and second versions of the book had a profound impact on his conception of the saga: "the first book did not contain Ahab," writes Olson, and "it may not, except incidentally, have contained *Moby-Dick*." If literary critics and reviewers at the time responded with varying degrees of skepticism to the "theory of the two *Moby-Dicks*," it was the experimental style and organization of the book that generated the most controversy. Passionate in his poetry, Olson was no less passionate in his reading of Melville. Impatient with what he regarded as traditional forms of literary criticism, Olson engaged his own creativity to write a book as robust,

original, and compelling as Melville's masterpiece. "Not only important, but apocalyptic."—New York Herald Tribune "One of the most stimulating essays ever written on Moby-Dick, and for that matter on any piece of literature, and the forces behind it."—San Francisco Chronicle "Olson has been a tireless student of Melville and every Melville lover owes him a debt for his Scotland Yard pertinacity in getting on the trail of Melville's dispersed library."—Lewis Mumford, New York Times
