TIANA DOMINIQUE

Master the New SAT 2016 Oxford University Press, USA
 New in this edition is a 20 page section on the use of ICT resources in teaching and learning about statistics. The book also includes over 300 worked examples and advice on how to break down calculations into easy stages.
Economics for Cambridge IGCSE First Edition Cie a Level
 Ensure full coverage of the latest syllabus for examination from 2018 with a full-colour textbook written especially for the international student and endorsed by Cambridge Assessment International Education. - Engage students with a wide range of extracts featuring different types of text from around the world - Develop writing and reading skills with tips on how to approach different types of writing and plenty of practice exercises in each unit - Prepare your students for their examination with practice questions and exam preparation advice
Cambridge IGCSE® Combined and Co-ordinated Sciences Biology Workbook Farrar, Straus and Giroux
 This series has been developed specifically for the Cambridge International AS & A Level Mathematics (9709) syllabus to be examined from 2020. Cambridge International AS & A Level Mathematics: Pure Mathematics 2 & 3 matches the corresponding units of the syllabus. It clearly indicates materials required for P3 study only, and contains materials on topics such as logarithmic and exponential functions, trigonometry, differentiation, integration, numerical solutions of equations, vectors and complex numbers. This coursebook contains a variety of features including recap sections for students to check their prior knowledge, detailed explanations and worked examples, end-of-chapter and cross-topic review exercises and 'Explore' tasks to encourage deeper thinking around mathematical concepts. Answers to coursebook questions are at the back of the book.
Cambridge International AS & A Level Mathematics Mechanics Cambridge University Press
 This revised set of resources for Cambridge IGCSE Business Studies syllabus 0450 (and Cambridge O Level Business Studies syllabus 7115) is thoroughly updated for the latest syllabus for first examinations from 2015. Written by experienced teachers, the Coursebook provides comprehensive coverage of the syllabus. Accessible language combined with the clear, visually-stimulating layout makes this an ideal resource for the course. Questions and explanation of key terms reinforce knowledge; different kinds of activities build application, analytical and evaluation skills; case studies contextualise the content making it relevant to the international learner. It provides thorough examination support for both papers with questions at the end of each chapter and an extensive case study at the end of each unit. The CD-ROM contains revision aids, further questions and activities. A Teachers CD-ROM is also available.
Cambridge IGCSE® and O Level Economics Coursebook Cambridge University Press
 Endorsed by Cambridge International Examinations, Economics for Cambridge IGCSE First Edition completely matches specification 0455. Created by a team of experienced Economics authors and examiners, the course is written in a clear and direct manner, and is ideal for international school students. With an exam focus, the text prepares students for Papers 1, 2 and 3, exam-style questions providing relevant practice. Each section of the text opens with a single introductory page, setting out the Learning Objectives from the syllabus. Case studies throughout the book have an international flavour and are directly linked to the topic material. Exam-style summary questions are used to recap the Student Book material, increasing students' confidence in applying theory.
501 GMAT Questions Cambridge University Press
 This product is most effective when used in conjunction with the corresponding audio support. - You

can purchase the book and double CD as a pack (ISBN: 9781444106879) - The double CD is also sold separately (ISBN: 9781444106978) (copy and paste the ISBN number into the search bar to find these products) Are you looking for a complete course in Urdu which takes you effortlessly from beginner to confident speaker?
