An original interpretation of the timelessly fascinating vampire myth, and a story of father and son, by award-winning author Marcus Sedgwick. Winner of the Booktrust Teenage Prize and shortlisted for the Carnegie Medal. In the bitter cold of an unrelenting winter, Tomas and his son, Peter, arrive in Chust. Despite the villagers' lack of hospitality, they settle there as woodcutters. But there are many things Peter does not understand. Why does Tomas dig a channel of fast-flowing waters around their hut so they live on an isolated island? Why does Tomas carry a long battered box everywhere they go - and refuse to tell Peter of its contents? When a band of gypsies comes to the village, Peter's drab existence is turned upside down. He is infatuated by the beautiful gypsy princess, Sofia, and intoxicated by her community's love of life. He even becomes drawn into their deadly quest - for these travellers are Vampire Slayers, and Chust is a community to which the dead return to wreak revenge on the living. Stylishly written and set in the forbidding and remote landscapes of the 17th century, this is a story of a father and his son, of loss, redemption and resolution.

Three adolescent boys with a single goal: see a real live naked girl. The result? Razor-sharp, rapid-fire, and raunchy, of course. And beyond hilarious. Fifteen-year-old Matt Gratton and his two best friends, Coop and Sean, always set themselves a summertime goal. This year's? To see a real-live naked girl for the first time -- quite a challenge, given that none of the guys has the

nerve to even ask a girl out on a date. But catching a girl in the buff starts to look easy compared to Matt's other summertime aspiration: to swim the 100-yard butterfly (the hardest stroke known to God or man) as a way to impress Kelly West, the sizzling new star of the swim team. In the spirit of Hollywood's blockbuster comedies, screenwriter-turned-YA-novelist Don Calame unleashes a true ode to the adolescent male: characters who are side-splittingly funny, sometimes crude, yet always full of heart.

'Spectacularly worth reading' The Times Longlisted for the Orange Prize A fast-paced literary thriller in which ex-belly dancer Evangeline's fight to protect three-year-old Lily draws her into the seedy underworld of her past - the first book in Louisa Young's celebrated Angeline Gower trilogy. Angeline Gower had no choice, and now she's very glad she didn't. Angeline is reformed. She's thrown off the bike, the travel, the dancing, and taken on the care

of her late sister's baby, Lily. Domestic bliss has trumped wild adventure. At least - until a misdemeanour leaves her owing a crooked cop a favour (and what a favour) re-treading her old life, befriending her old boyfriend and oh, getting in with a drug cartel. Never confounded by the intricate web of lies and deceit that lead her away from Lily, Angeline is a heroine of the new guard in this deliciously funny and razor-sharp tale.

*A Great Task of Happiness: The Life of Kathleen Scott* Penguin Group Australia

The sparky, funny sequel to Louisa Young's acclaimed first novel of belly-dancing, motorbikes and single-parenthood, *Baby Love*, reissued here with a funky new design. Angeline Gower, ex-bellydancer, ex-biker, single mother of a little girl who is not actually her child, is mired in problems again in this wonderful sequel. Her relationship with Harry, the lover turned cop, remains fraught, the lure of the glamorous but no good Eddie hasn't gone away. And there is yet another element complicating things know -- the seductive and mysterious Sa'id. With Angeline older and a little wiser, Louisa Young weaves a tale that is richer, sexier and more moving than *Baby Love*, while remaining just as exciting. Shifting between Shepherd's Bush and Cairo, full of the contrasts between the West and the Middle East, *Desiring Cairo* thrills and enthralls while at the same time making us think and feel deeply about the love between mother and child, man and woman, friend and friend. Louisa Young has skilfully written this so that it is equally enjoyable read on its own, or as part of the trilogy that starts with *Baby Love* and ends with *Tree of Pearls*.
