An exploration into the culinary identity of eastern Europe through stunning food and travel photography, interspersed

with stories and memories of tiny buildings called summer kitchens. In this new cookbook from award-winning author Olia Hercules, explore the diversity of Ukraine's cuisine and heritage through the alluring window of summer kitchens—small structures alongside the main house where people cook and preserve summer fruits and vegetables for the winter months. Featuring 100 superb recipes, a gorgeous collection of food and lifestyle images, and evocative personal

narrative, Hercules illustrates how the region's cuisine varies as much as the landscapes, climate, and produce through her travels to the Carpathians, the Black Sea, the shores of the Danube and Dnieper, and her native land.

"Generation after generation, Joy has been a warm, encouraging presence in American kitchens, teaching us to cook with grace and humor. This luminous new edition continues on that

important tradition while seamlessly weaving in modern touches, making it all the more indispensable for generations to come.” —Samin Nosrat, author of *Salt, Fat, Acid, Heat* “Cooking shouldn’t just be about making a delicious dish—owning the process and enjoying the experience ought to be just as important as the meal itself. The new *Joy of Cooking* is a reminder that nothing can compare to gathering around the table for a home cooked meal with the people who

matter most.” —Joanna Gaines, author of *Magnolia Table* In the nearly ninety years since Irma S. Rombauer self-published the first three thousand copies of *Joy of Cooking* in 1931, it has become the kitchen bible, with more than 20 million copies in print. This new edition of *Joy* has been thoroughly revised and expanded by Irma’s great-grandson John Becker and his wife, Megan Scott. John and Megan developed more than six hundred new recipes for this edition, tested and

tweaked thousands of classic recipes, and updated every section of every chapter to reflect the latest ingredients and techniques available to today’s home cooks. Their strategy for revising this edition was the same one Irma and Marion employed: Vet, research, and improve *Joy*’s coverage of legacy recipes while introducing new dishes, modern cooking techniques, and comprehensive information on ingredients now available at farmers’ markets and grocery

stores. You will find tried-and-true favorites like Banana Bread Cockaigne, Chocolate Chip Cookies, and Southern Corn Bread—all retested and faithfully improved—as well as new favorites like Chana Masala, Beef Rendang, Megan’s Seeded Olive Oil Granola, and Smoked Pork Shoulder. In addition to a thoroughly modernized vegetable chapter, there are many more vegan and vegetarian recipes, including Caramelized Tamarind Tempeh, Crispy Pan-Fried Tofu, Spicy

Chickpea Soup, and Roasted Mushroom Burgers. Joy’s baking chapters now include gram weights for accuracy, along with a refreshed lineup of baked goods like Cannelés de Bordeaux, Rustic No-Knead Sourdough, Ciabatta, Chocolate-Walnut Babka, and Chicago-Style Deep-Dish Pizza, as well as gluten-free recipes for pizza dough and yeast breads. A new chapter on streamlined cooking explains how to economize time, money,

and ingredients and avoid waste. You will learn how to use a diverse array of ingredients, from amaranth to za’atar. New techniques include low-temperature and sous vide cooking, fermentation, and cooking with both traditional and electric pressure cookers. Barbecuing, smoking, and other outdoor cooking methods are covered in even greater detail. This new edition of Joy is the perfect combination of classic recipes, new dishes, and indispensable reference information for

today's home cooks. Whether it is the only cookbook on your shelf or one of many, Joy is and has been the essential and trusted guide for home cooks for almost a century. This new edition continues that legacy.

Are you under the impression that vegetarians can't have fast food? On the contrary! This exciting new cookbook offers more than 80 quick and easy veggie recipes - from Manchego quesadillas and

TexMex burgers to tomato-cinnamon fries and No Tuna Sandwich. This is the book of vegetarian food for those in a hurry, and the handy 'vegan traffic light' indicators - red for vegetarian; yellow for vegan adaptation and green for vegan make it easy to find vegan options just as quickly. The authors Clarissa and Florian Sehn, discovered their love of vegetarian and vegan cuisine together. Soon, however, they ran out of creative ideas - they needed a

new recipe book. So they decided to develop recipes themselves and this is the result. Their first cookbook is dedicated to vegetarian fast food, which they consider has always received short shrift - until now.
