English Grammar, Adapted to the Different Classes of Learners Forgotten Books

Excerpt from English Grammar: Adapted to the Different Classes of Learners Tue Rules and Observations respecting Perspicuity, die. Con tained in the Appendix, and which are, chiefly, extracted from the writin s of Blair and Campbell, will, it is presumed, form a proper ad ition to the Grammar. The subjects are very nearly related and the study of perspicuity and accuracy in writing, appears

naturally to follow that of Grammar. A competent acquaintance with the principles' of both. Will prepare and qualify the students, for prosecuting those additional improvements in language, to which they may be properly directed. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at www.forgottenbooks.com This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. In rare cases, an imperfection in the

original, such as a blemish or missing page, may be replicated in our edition. We do, however, repair the vast majority of imperfections successfully; any imperfections that remain are intentionally left to preserve the state of such historical works. The Rudiments of English Grammar
Sagwan Press
Excerpt from English Grammar, Adapted to the Different Classes of Learners: With an Appendix, Containing Rules and Observations, for Assisting the More Advanced Students to Write With Perspicuity and Accuracy In books designed for the instruction of youth, there is a medium to be observed, between treating the subject in so extensive M minute a manner, as to embarrass and confuse their minds, by

offering too much at once for their comprehension; and, on the other hand, conducting it by such short and general precepts and observations, as convey to them no clear and precise information. A distribution of the parts, which is either defective or irregular, has also a tendency to perplex the young understanding, and to retard its knowledge of the principles of literature. A distinct general View, or outline, of all the essential parts of the study in which they are engaged a gradual and judicious supply of this outline and a due arrangement of the divisions, according to their natural order and connection, appear to be among the best

means of enlightening the minds of youth, and of facilitating their acquisition of knowledge. The Compiler of this work, at the same time that he has endeavoured to avoid a plan, which may be too concise or too extensive, defective in its parts or irregular in their disposition, has studied to render his subject sufficiently easy, intelligible, and comprehensive. He does not presume to have completely obtained these objects. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. English Grammar, Adapted to the Different Classes of Learners Palala Press
 Excerpt from English Grammar: Adapted to the Different Classes of Learners; With an Appendix, Containing Rules and Observations for Assisting the More Advanced Students to Write Perspicuity and Accuracy From the

preceding representation, it appears to be a point of considerable 'importance, that every learner of the English language should be taught to pronounce perfectly, and with facility every original simple sound that belongs to it. By a timely and judicious care in this respect, the voice will be prepared to utter, with ease and accuracy, every combination of sounds and taught to avoid that confused and imperfect manner of pronouncing words, which accompanies, through] life, many persons who ha've' not, in this respect, been properly instructed at an early period. English Grammar
Рипол Классик

Excerpt from English Grammar, Adapted to the Different Classes of Learners: With an Appendix; Containing Rules and Observations, for Assisting the More Advanced Students to Write With Perspicuity and Accuracy The author conceives that the occasional faults, dispersed through the book, and intended to illustrate and support a number of important grammatical points, will not, to young persons of ingenuity, appear to be dry and unpleasing. He is persuaded that, by such persons, they will be read with attention. And he presumes that these {trifles will gratify their curiosity, {stimulate application; and give solidity and permanence to their

grammatical knowledge. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. English Grammar

Forgotten Books

This is a reproduction of the original artefact. Generally these books

are created from careful scans of the original. This allows us to preserve the book accurately and present it in the way the author intended. Since the original versions are generally quite old, there may occasionally be certain imperfections within these reproductions. We're happy to make these classics available again for future generations to enjoy!
