Not so very long ago, Yuletide was as much a chilling season of ghosts and witches as it was a festival of goodwill. In *The Old Magic of Christmas* you'll find a Christmas bestiary and a White Witch's herbal, as well as tips for delving more deeply into your relationship with the unseen. Bring the festivities into your home with cookie recipes and ornament making while brushing

elbows with veiled spirits and discovering the true perils of elves. Rife with the more frightful characters from folklore and the season's most petulant ghosts, this book takes you on a spooky sleigh ride from the silvered firs of a winter forest to the mirrored halls of the Snow Queen.
