Grade 7 Golden Books

The baby owls came out of their house, and they sat on the tree and waited. A big branch for Sarah, a small branch for Percy, and an old piece of ivy for Bill. When three baby owls awake one night to find their mother gone, they can't help but wonder where she is. Stunning illustrations from unique and striking perspectives capture the owls as they worry about their mother: What is she doing? When will she be back? What scary things move all around them? Not surprisingly, a joyous flapping and dancing and bouncing greets her return, lending a celebratory tone to the ending of this comforting tale. Never has the plight of young ones who miss their mother been so simply told or so beautifully rendered.

The Interactive Reader Plus McDougal Littell/Houghton Mifflin Adapted into a sturdy board book format, a best-selling Sesame Street Little Golden Book classic follows a frantic Grover's efforts to prevent readers from turning the pages and finding the not-so-scary monster at the end of the book. TV tie-in.
