FIRE IN THE STRAW is the witty and deeply felt memoir of Nick Lyons, a man with an intrepid desire to reinvent himself—which he does, over and over. Nick Lyons shape shifts from reluctant student and graduate of the Wharton School, to English Professor, to husband of a fiercely committed painter, to ghost writer, to famous fly fisherman and award-winning author, to father and then grandfather, to Executive Editor at a large book publishing company, and finally to founder and publisher of his

own successful independent press.. Written with the same warm and earthy voice that has enthralled tens of thousands of fly-fishing readers, Nick weaves the disparate chapters of his life: from the moment his widowed mother drops him off at a grim boarding school at the age of five, where he spends three lonely and confusing years; to his love of basketball and pride playing for Penn; to the tumultuous period, in the army and after, when he found and was transformed by literature; to his marriage to Mari, his great love and anchor of his life. Suddenly, with a PhD in hand and four children, Nick embarks on a complex and thrilling ride, juggling family, fishing, teaching, writing, and publishing, the wolf always at his door. Against all odds, The Lyons Press survives, his children prosper, his wife's art flourishes, and his books and articles make him a household name. *Fire in the Straw* is a love story, a confessional, and a beautiful big-hearted memoir.

Anne leaves Green Gables and her work as a teacher in Avonlea to pursue her original dream (which she gave up in *Anne of Green Gables*) of taking further education at Redmond College in Kingsport, Nova Scotia. Gilbert Blythe and Charlie Sloane enroll as well, as does Anne's friend from Queen's Academy, Priscilla Grant. During her first week of school, Anne befriends Philippa Gordon, a beautiful girl whose frivolous ways charm her. Philippa (Phil for short) also happens to be from Anne's birthplace in Bolingbroke, Nova Scotia. The girls spend their first year in boardinghouses and decide to set up house thereafter in a lovely cottage called Patty's Place, near campus. Meanwhile, Anne's childhood friend Ruby Gillis dies of consumption (tuberculosis)

very soon after finding her own true love. The girls enter their second year at Redmond happily ensconced at Patty's Place, along with Queen's classmate Stella Maynard and her "Aunt Jimsie" (their chaperone), while life continues in Avonlea. Diana Barry marries Fred Wright and Davy and Dora continue to keep Marilla busy. Midway through their college years, Gilbert Blythe, who has always loved Anne, proposes to her but Anne rejects him; although she and Gilbert are very close, she holds sentimental fantasies about true love (all featuring a tall, dark, handsome, inscrutable hero) and does not recognize her true feelings for Gilbert. Gilbert leaves, his heart broken, and the two drift apart. Anne later welcomes the courtship of Roy Gardner, a darkly handsome Redmond student who showers her with attention and poetic gestures. However, when he proposes after two years, Anne abruptly realizes that Roy does not really belong in her life, and that she had only been in love with the idea of him as the embodiment of her childhood ideal.

A rich and revelatory memoir of a young woman reclaiming her courage in the stark landscapes of the north. By the time Blair Braverman was eighteen, she had left her home in California, moved to arctic Norway to learn to drive sled dogs, and found work as a tour guide on a glacier in Alaska. Determined to carve out a life as a "tough girl"—a young woman who confronts danger without apology—she slowly developed the strength and resilience the landscape demanded of her. By turns funny and sobering, bold and tender, *Welcome to the Goddamn Ice Cube* brilliantly recounts Braverman's adventures in Norway and Alaska. Settling into her new surroundings, Braverman was often terrified that she would lose control of her dog team and crash her sled, or be attacked by a polar bear, or get lost on the tundra. Above all, she worried that, unlike the other, gutsier people

alongside her, she wasn't cut out for life on the frontier. But no matter how out of place she felt, one thing was clear: she was hooked on the North. On the brink of adulthood, Braverman was determined to prove that her fears did not define her—and so she resolved to embrace the wilderness and make it her own. Assured, honest, and lyrical, *Welcome to the Goddamn Ice Cube* paints a powerful portrait of self-reliance in the face of extraordinary circumstance. Braverman endures physical exhaustion, survives being buried alive in an ice cave, and drives her dogs through a whiteout blizzard to escape crooked police. Through it all, she grapples with love and violence—navigating a grievous relationship with a fellow musher, and adapting to the expectations of her Norwegian neighbors—as she negotiates the complex demands of being a young woman in a man's land. Weaving fast-paced adventure writing and ethnographic journalism with elegantly wrought reflections on identity, *Welcome to the Goddamn Ice Cube* captures the triumphs and the perils of Braverman's journey to self-discovery and independence in a landscape that is as beautiful as it is unforgiving.
