Some answers were humorous, others were heartbreaking-all were profoundly moving and enlightening. The results opened her eyes to the need for educators to understand the unique realities their students face in order to create an open, safe and supportive place in the classroom. including many students' emotional and insightful responses, and ultimately provides an invaluable guide for teachers, parents, and communities.

Journal Buddies ASCD Philadelphia 1777 is no place for the faint of heart. The rumble of war with the British grows louder each day, and spies for and against the

Patriots are everywhere. No one is above suspicion. Still, everyday life must go on and young Maddy Rose must help her mother, especially since her father's death at the Battle of Princeton and now with her beloved brother Jonathan off with Washington's army. But when childhood games become life-and-death actions, Maddy Rose is drawn ever deeper into events that will explode beyond her imagining. As young America stands on the very brink of its fight for freedom, it becomes

clear that even the smallest of citizens can play the largest of parts, and that the role of a patriot has nothing to do with age and everything to do with heart. In *The Scarlet Stockings Spy*, Trinka Hakes Noble melds a suspenseful tale of devotion, sacrifice, and patriotism with the stark realities of our country's birth. Noted picture book author and illustrator Trinka Hakes Noble has pursued the study of children's book writing and illustrating in New York City at Parsons

School of Design, the New School University, Caldecott medalist Uri Shulevitz's Greenwich Village Workshop, and New York University. She has authored and illustrated numerous books including the popular Jimmy's Boa series, which has been translated into six languages. Trinka lives in Bernardsville, New Jersey. The Scarlet Stockings Spy is her first book with Sleeping Bear Press. Because Robert Papp's childhood drawings of his favorite superheros

were such a pleasure, it was only natural that he would wind up an illustrator. Nowadays, his award-winning artwork appears on book covers and in magazines instead of on the refrigerator. He has produced hundreds of cover illustrations for major publishers across the United States. Robert lives in historic Bucks County, Pennsylvania. **Conversations with Myself** Macmillan + ORM Nobel Peace Prize winner and New York Times bestselling author Malala Yousafzai's first picture

book, inspired by her own childhood. Malala's first picture book will inspire young readers everywhere to find the magic all around them. As a child in Pakistan, Malala made a wish for a magic pencil. She would use it to make everyone happy, to erase the smell of garbage from her city, to sleep an extra hour in the morning. But as she grew older, Malala saw that there were more important things to wish for. She saw a world that needed fixing. And even if she never found a magic

pencil, Malala realized that she could still work hard every day to make her wishes come true. This beautifully illustrated volume tells Malala's story for a younger audience and shows them the worldview that allowed Malala to hold on to hope even in the most difficult of times. A magic nostalgia ride

awaits. Life in Fairfield in the decades after World War II was an unparalleled experience. From cruising down Texas Street on weekends to catching a carnival in the Wonder World parking lot, fond memories of long-lost times haven't been forgotten. People flocked to vintage eateries like Joe's Buffet and Smorga Bob's, and played on the rocket ship slide at Allan Witt Park. Roller Rinks like the M&M Skateway hosted not just skaters, but dances featuring Fats Domino and Roy Orbison.

Commuters hopped aboard the FART bus to save on gas, and frequenting Dave's Giant Hamburgers was a rite of passage. Longtime Daily Republic journalist and accidental historian Tony Wade takes a deep dive into the Fairfield of yesteryear.

 In May 1941 Lena Mukhina was an ordinary teenage girl, living in Leningrad, worrying about her homework and whether Vova - the boy she liked - liked her. Like a good Soviet schoolgirl, she was also diligently learning German, the language of Russia's Nazi ally. And she was keeping a diary, in which she recorded her hopes and dreams. Then, on 22 June 1941, Hitler broke his pact

with Stalin and declared war on the Soviet Union. All too soon, Leningrad was besieged and life became a living hell. Lena and her family fought to stay alive; their city was starving and its citizens were dying in their hundreds of thousands. From day to dreadful day, Lena records her experiences: the desperate hunt for food, the bitter cold of the Russian winter and the cruel deaths of those she loved. history, The Diary of Lena Mukhina is the vivid first-hand testimony of a courageous young woman struggling simply to survive.
