Jill Winger,

creator of the award-winning blog The Prairie Homestead, introduces her debut The Prairie Homestead Cookbook, including 100+ delicious, wholesome recipes made with fresh ingredients to bring the flavors and spirit of homestead cooking to any kitchen table. With a foreword by bestselling author Joel Salatin The Pioneer Woman Cooks meets 100 Days of Real

Food, on the Wyoming prairie. While Jill produces much of her own food on her Wyoming ranch, you don't have to grow all—or even any—of your own food to cook and eat like a homesteader. Jill teaches people how to make delicious traditional American comfort food recipes with whole ingredients and shows that you don't have to use obscure items to enjoy this lifestyle. And as a busy

mother of three, Jill knows how to make recipes easy and delicious for all ages. "Jill takes you on an insightful and delicious journey of becoming a homesteader. This book is packed with so much easy to follow, practical, hands-on information about steps you can take towards integrating homesteading into your life. It is packed full of exciting and mouth-watering recipes and heartwarming

stories of her unique adventure into homesteading . These recipes are ones I know I will be using regularly in my kitchen." - Eve Kilcher
These 109 recipes include her family's favorites, with maple-glazed pork chops, butternut Alfredo pasta, and browned butter skillet corn. Jill also shares 17 bonus recipes for homemade sauces, salt rubs, sour cream, and the like—staples that many

people are surprised to learn you can make yourself. Beyond these recipes, The Prairie Homestead Cookbook shares the tools and tips Jill has learned from life on the homestead, like how to churn your own butter, feed a family on a budget, and experience all the fulfilling satisfaction of a DIY lifestyle.

 "The Minimalists show you how to disconnect from our conditioned material state and reconnect to our true essence: love people and use things. This is not a book about how to live with less, but about how to live more deeply and more fully."
 —Jay Shetty, #1 New York Times bestselling author of Think Like a Monk AS SEEN ON THE NETFLIX DOCUMENTARIES

MINIMALISM & LESS IS NOW
 How might your life be better with less? Imagine a life with less: less stuff, less clutter, less stress and debt and discontent—a life with fewer distractions. Now, imagine a life with more: more time, more meaningful relationships, more growth and contribution and contentment—a life of passion, unencumbered by the trappings of the chaotic world around

you. What you're imagining is an intentional life. And to get there, you'll have to let go of some clutter that's in the way. In Love People, Use Things, Joshua Fields Millburn and Ryan Nicodemus move past simple decluttering to show how minimalism makes room to reevaluate and heal the seven essential relationships in our lives: stuff, truth, self, money, values, creativity, and

people. They use their own experiences—and those of the people they have met along the minimalist journey—to provide a template for how to live a fuller, more meaningful life. Because once you have less, you can make room for the right kind of more.
