Literary analysis for English Literature for the IB Diploma Cambridge University Press

From the author of the international best seller *An Instance of the Fingerpost*, Arcadia is an astonishing work of imagination. In Cold War England, Professor Henry Lytten, having renounced a career in espionage, is writing a fantasy novel that dares to imagine a world less fraught than his own. He finds an unlikely confidante in Rosie, an inquisitive young neighbor who, while chasing after Lytten's cat one day, stumbles through a doorway in his cellar and into a stunning and unfamiliar bucolic landscape—remarkably like the fantasy world Lytten is writing about. There she meets a young boy named Jay who is about to embark on a journey that will change both their lives. Elsewhere, in a dystopian society where progress is controlled by a corrupt ruling elite, the brilliant scientist Angela Meerson has discovered the potential of a powerful new machine. When the

authorities come knocking, she will make an important decision—one that will reverberate through all these different lives and worlds.

A concept-based approach Cambridge University Press

A Gentleman's Guide to Vice and Virtue meets *Miss Fisher's Murder Mystery* in this rollicking romp of truth, lies, and troubled pasts. New Year's Eve, 1929. Millie is running the show at the Cloak & Dagger, a swinging speakeasy in the French Quarter, while her aunt is out of town. The new year is just around the corner, and all of New Orleans is out to celebrate, but even wealthy partiers' diamond earrings can't outshine the real star of the night: the boy in the red dress. Marion is the club's star performer and his fans are legion—if mostly underground. When a young socialite wielding a photograph of Marion starts asking questions, Millie wonders if she's just another fan. But then her body is found crumpled in the courtyard, dead from an apparent fall off the club's balcony, and all signs point to Marion as the murderer. Millie knows he's innocent, but local detectives aren't so easily convinced. As she chases clues that lead to cemeteries and dead ends, Millie's attention is divided between the wry and beautiful Olive, a waitress at the Cloak & Dagger, and Bennie, the charming bootlegger who's offered to help her solve the case. The clock is ticking for the fugitive Marion, but the truth of who the killer is might be closer than Millie thinks.

A novel Oxford University Press - Children

Packed full of support straight from the IB, this comprehensive text was written by authors of the 2011 syllabus and most accurately matches the 2011 specification. Containing unrivalled assessment preparation, the challenging and engaging approach will ensure learners excel.

Skills for Success Oxford University Press, USA

Skills for Success OUP Oxford

Wise, often funny, sometimes heartbreaking, *Persepolis* tells the story of Marjane Satrapi's life in Tehran from the ages of six to fourteen, years that saw the overthrow of the Shah's regime, the triumph of the Islamic Revolution and the devastating effects of war with Iraq. The intelligent and outspoken child of radical Marxists, and the great-granddaughter of Iran's last emperor, Satrapi bears witness to a childhood uniquely entwined with the history of her country. *Persepolis* paints an unforgettable portrait of daily life in Iran and of the bewildering contradictions between home life

and public life. Amidst the tragedy, Marjane's child's eye view adds immediacy and humour, and her story of a childhood at once outrageous and ordinary, beset by the unthinkable and yet buffered by an extraordinary and loving family, is immensely moving. It is also very beautiful; Satrapi's drawings have the power of the very best woodcuts.

English Language and Literature for the IB Diploma Vintage

English B for the IB Diploma Coursebook OUP Oxford

BOOKER PRIZE WINNER • From the winner of the Nobel Prize in Literature, here is “an intricate and dazzling novel” (The New York Times) about the perfect butler and his fading, insular world in post-World War II England. This is Kazuo Ishiguro's profoundly compelling portrait of a butler named Stevens. Stevens, at the end of three decades of service at Darlington Hall, spending a day on a country drive, embarks as well on a journey through the past in an effort to reassure himself that he has served humanity by serving the “great gentleman,” Lord Darlington. But lurking in his memory are doubts about the true nature of Lord Darlington's “greatness,” and much graver doubts about the nature of his own life.
