being a day.  
 And so the other days of the week had no choice but to advertise: "WANTED: A NEW DAY. Must be relaxing, tranquil, and replenishing. Serious inquires only." Soon lots of hopefuls arrived with their suggestions, such as Funday, Bunday, Acrobaturday, Superheroday, and even MonstersWhoResembleJellyfishDay! Things quickly got out of hand . . . until one more

candidate showed up: a little girl with a thank-you gift for Sunday. The girl suggested simply a nice day--a day to be kind. And her gratitude made a calendar's worth of difference to Sunday, who decided she didn't need to quit after all. When we appreciate each other a little bit more, all the days of the week can be brand-new days where everything is possible. The Aquanaut: A Graphic Novel Little,

**The Land of Stories: The Enchantress Returns**

Little, Brown Books for Young Readers  
A landmark collection by New York Times journalist Dan Barry,

selected from a decade of his distinctive "This Land" columns and presenting a powerful but rarely seen portrait of America. In the wake of Hurricane Katrina and on the eve of a national recession, New York Times writer Dan Barry launched a column about America: not the one populated only by cable-news pundits, but the America defined and redefined by those who clean the

hotel rooms, tend the beet fields, endure disasters both natural and manmade. As the name of the president changed from Bush to Obama to Trump, Barry was crisscrossing the country, filing deeply moving stories from the tiniest dot on the American map to the city that calls itself the Capital of the World. Complemented by the select images of award-winning Times photographers, these

narrative and visual snapshots of American life create a majestic tapestry of our shared experience, capturing how our nation is at once flawed and exceptional, paralyzed and ascendant, as cruel and violent as it can be gentle and benevolent.
