The only thing more flawless than a Saybrook's solitaire is the family behind the diamond empire. Beauties, entrepreneurs, debutantes, and mavens, the Saybrooks are the epitome of high society. Anyone would kill to be one of them. But be careful what you wish for, because if you were a Saybrook, you'd be haunted by secrets and plagued by a dark streak of luck. Tragedy strikes the prominent family yet again on a beautiful morning in May

when thirty-four-year-old Poppy, the most remarkable Saybrook of them all, flings herself from the window of her office. Everyone is shocked that someone so perfect would end her own life—until her cousins receive an ominous warning: One heiress down, four to go. Was it suicide . . . or murder? And who will be next: Aster, the beautiful but reckless girl who's never worked a day in her life—and who's covering up her father's darkest secret? Her older sister, Corrine, whose meticulously planned future is about to come crashing down around her? Perhaps it will be Natasha, the black sheep of the family who suddenly disinherited herself five years ago. Or maybe the perpetually single Rowan, who had the most to gain from her cousin's death. A gripping, edge-of-your-seat thriller about heiresses who must uncover a dark truth about their family before they lose the only thing money can't buy: their lives.

Now seniors in high school, Aria, Spencer, Hanna, and Emily are older, but they're not any wiser. The pretty little liars have more secrets than ever - twisted secrets that could destroy the perfect lives they've worked so hard to rebuild. Aria's jealous of her boyfriend's new exchange student. Spencer's getting a little too cozy with her soon-to-be-stepbrother. Hanna's one scandalous photo away from ruining her dad's Senate campaign. And Emily will do anything to get a swim scholarship. And Hanna's obsession with looking flawless is literally making her sick. But the most horrible secret of all is something so scandalous it could destroy their perfect little lives. And

someone named 'A' is threatening to do just that. At first they thought A was Alison, their friend who vanished three years ago . . . but then Alison turned up dead. So who could A be? Only one thing's for certain: A's got the dirt to bury them all alive, and with every crumpled note and vindictive text message A sends, the girls get a little closer to losing it all.

For years scandal has rocked Rosewood, Pennsylvania—and high school seniors Aria, Emily, Hanna, and Spencer have always been at the center of the drama. They've lost friends, been targeted by a ruthless stalker named A, and narrowly escaped death. And it's not over yet. Aria's love life is on the fritz. Emily's exploring her wild side. Hanna's kissing the enemy. And someone from Spencer's past—someone she never thought she'd see again—is back to haunt her. But none of that compares to what happened last spring break. It's their darkest secret yet and guess who found out? Now A is determined to make them pay for their crime, and the only thing scarier than A is the fear that maybe, just maybe, they deserve what's coming to them.

Pretty Little Liars: Welcome to Rosewood and the pretty little liars who call it home. Flawless Twisted

In picture-perfect Rosewood, Pennsylvania, ash-blond highlights gleam in the winter sun and frozen lakes sparkle like Swarovski crystals. But pictures often lie—and so do Rosewood's four prettiest girls. Hanna, Aria, Spencer, and Emily have been lying ever since they became friends with beautiful Alison DiLaurentis. Ali made them do terrible things—things they had to keep secret for years. And even though Ali was killed at the end of seventh grade, their bad-girl ways didn't die with her. Hanna's on a mission to corrupt Rosewood's youth, starting with a very attractive sophomore. Aria's snooping into her boyfriend's past. Spencer's stealing—from her family. And pure little Emily's abstaining from abstinence. The girls should be careful, though. They thought they were safe when Ali's killer was arrested and A's true identity was finally revealed. But now there's a new A in town turning up the heat. And this time Rosewood is going to burn.

Pretty Little Liars: Ali's Pretty Little Lies HarperCollins

Total control. I need it in every aspect of my life. Some would say that makes me an asshole. A freak. But as long as everything's exactly how I want it, I'm completely flexible. I'm kidding. Okay, I'm not kidding. Lacey needs someone in her life who's bigger and scarier than her demons, and she wants that man to be me. Her boss. The Viking in a suit. I hope she understands what she's getting into. This daddy isn't going to pat her on the head and tell her she's a good girl for nothing. Especially not when she's spinning out of control.

[A Novella](#) Harper Collins

This #1 New York Times bestselling author of the “spine-chilling thriller that blurs the lines of fact and fiction” (Mary Kubica, New York Times bestselling author) *The Elizas* weaves a compelling novel that follows a young woman as she explores how much our genetics influence our future. Summer Davis's deep love for science is the only thing that helps her get through her turbulent journey from adolescent to adulthood. Her mother has abandoned her family, her father's mental illness has overwhelmed him, and her older brother fluctuates between sudden rage and unpredictable tenderness. Summer can't help but question the role of genetics in her life and if she is destined to continue her family's legacy of mental instability. But when she decides to put off a promising science career to take care of her great-aunt Stella—the bedrock of the family and bastion of folksy wisdom, irreverent insight, and Sinatra memorabilia in a less-than-scenic part of the

Pennsylvanian countryside—she begins to learn that maybe her DNA doesn't have to define her and that her future belongs to her alone. From the backwoods of Pennsylvania to the brownstones of Brooklyn Heights, *The Visibles* investigates the secrets of the past, and the hidden corners of our own hearts, to find out whether real happiness is a gift or a choice.
