Rosalind Franklin, James Watson, Francis Crick, and the Discovery of DNA's Double Helix Harper Collins

Cases of responsive xenoglossy thus add to the evidence concerning the survival of human personality after death.

Annelies Gale, Cengage Learning
Photographs, illustrations, and maps accompany historical essays, and diary excerpts, providing an insight to Anne Frank and the massive upheaval which tore apart her world.

Iran's Islamic Republic Routledge
An authoritative history of the race to unravel DNA's structure, by one of our most prominent medical historians. James Watson and Francis Crick's 1953 discovery of the double helix structure of DNA is the foundation of virtually every advance in our modern understanding of genetics and molecular biology. But how did Watson and Crick do it--and why were they the ones who succeeded? In truth, the discovery of DNA's structure is the story of five towering minds in pursuit of the advancement of science, and for almost all of them, the prospect of fame and immortality: Watson, Crick, Rosalind Franklin, Maurice Wilkins, and Linus Pauling. Each was fascinating and brilliant, with strong personalities that often clashed. Howard Markel skillfully re-creates the intense intellectual journey, and fraught personal relationships, that ultimately led to a spectacular breakthrough. But it is Rosalind Franklin--fiercely determined, relentless, and an outsider at Cambridge and the University of London in the

1950s, as the lone Jewish woman among young male scientists--who becomes a focal point for Markel. *The Secret of Life* is a story of genius and perseverance, but also a saga of cronyism, misogyny, anti-Semitism, and misconduct. Drawing on voluminous archival research, including interviews with James Watson and with Franklin's sister, Jennifer Glynn, Markel provides a fascinating look at how science is done, how reputations are undone, and how history is written, and revised. A vibrant evocation of Cambridge in the 1950s, Markel also provides colorful depictions of Watson and Crick--their competitiveness, idiosyncrasies, and youthful immaturity--and compelling portraits of Wilkins, Pauling, and most cogently, Rosalind Franklin. *The Secret of Life* is a lively and sweeping narrative of this landmark discovery, one that finally gives the woman at the center of this drama her due.

Reflections on Her Life and Legacy
Macmillan

The #1 testimony book that every Christian needs to read. Despite the danger and threat of discovery, the ten Boom family courageously offered shelter to persecuted Jews during the Nazi occupation of Holland. Then a trap brought about the family's arrest. Could God's love shine through, even in Ravensbruck?

Salvaged Pages, Multimedia Edition Yale University Press

"Gillham is a powerful storyteller, and *Annelies* is marbled with spare eloquence that captures the absurdity of life after the camps. . . . A novel that reminds the world to remember Anne Frank is most welcome." —USA Today "A haunting what-if." —Georgia Hunter,

New York Times bestselling author of *We Were the Lucky Ones* “Not only a poignant reminder of all that was lost during the war, but a vivid, searching exploration of what it meant to exist in the aftermath.” —Jessica Shattuck, New York Times bestselling author of *The Women in the Castle* From the author of *City of Women*, a powerful new novel that asks the question: What if Anne Frank survived the Holocaust? Anne Frank is a cultural icon whose diary painted a vivid picture of the Holocaust and made her an image of humanity in one of history’s darkest moments. But she was also a person—a precocious young girl with a rich inner life and tremendous skill as a writer. In this masterful new novel, David R. Gillham explores with breathtaking empathy the woman—and the writer—she might have become.

A Novel Dramatists Play Service Inc A “never-before-told true story about Anne Frank” and a “carefully hidden truth” as well as Bep and her fathers “boundless loyalty in life” are important issues. Beautifully written with simplicity. Many facets about the hidiers in the Secret Annex in Amsterdam have been highlighted throughout the years, but, remarkably enough, the role of Otto Frank’s young secretary Bep Voskuil, Elli Vossen in Anne Frank’s Diary, has received very little attention. Belgian journalist Jeroen De Bruyn and Bep’s son Joop van Wijk dove into her past and reconstructed her tragic, but fascinating life. Bep is 23 years old when, in 1942, she is let in on the secret of the eight hidiers on Prinsengracht. During the next 25 months, she becomes a pillar of support for Anne Frank, with whom she builds an intense friendship. Bep buys clothes and food for the hidiers and supplies Anne with paper to write her

diary. Things aren’t easy for Bep: her father, the maker of the famous revolving bookcase, becomes gravely ill in 1943, and her sister collaborates with the Germans. Bep leads a double life, keeping this secret from her boyfriend and family. When the Germans raid the hiding place on August 4, 1944, and arrest the hidiers, Bep escapes in horror. Later, she rescues a large part of Anne’s writings. The news of the deaths of seven out of the eight hidiers - only Otto Frank returns from the concentration camps - leaves deep scars. ANNE FRANK, THE UNTOLD STORY casts a new light on Anne Frank’s short life, by means of previously unknown witnesses and documents. That makes this book a valuable addition to her world-famous Diary. Moreover, it’s a tribute to those brave Dutch people who risked their lives to save Jews. Finally, the book adds a remarkable name to the list of people who could have betrayed the hidiers of the Secret Annex. Jeroen De Bruyn (1993) wrote for various Belgian magazines and for the *Gazet van Antwerpen*, the newspaper for which he is currently editor. Joop van Wijk (1949) is Bep Voskuil’s youngest son. As a marketing manager, he was connected to Dutch newspapers *NRC Handelsblad* and *Algemeen Dagblad* for years.

The Government of God Doubleday Books

This book is a case study into the affective history of Holocaust drama offering a new perspective on the impact of *The Diary of Anne Frank*, the pivotal 1950s play that was a turning point in Holocaust consciousness. Despite its overwhelming success, criticism of the Broadway makeover has been harsh, suggesting that the alleged Americanization would not do justice to the violence of the Holocaust or Anne

Frank's budding Jewishness. This study revisits these issues by focusing on the play's European appropriation delving into the emotional intensity with which the play was produced and received. The core of the exploration is a history of the Dutch staging in ethnographic detail, based on unique archival material such as correspondence with Otto Frank, prompt books, original tapes, blueprints of the set and oral history. The microhistory of the first Dutch performance of the stage adaptation of Anne Frank's diary examines the staging in the context of the postwar hesitant development of publicly voiced Holocaust consciousness. Influenced by memory studies and affect theory, the emphasis is on the emotional impact of the drama on both the members of the cast and the audience and will be of great interest to students and scholars in theater and performance studies, memory studies, cultural history, Jewish studies, Holocaust studies and contemporary European history.

The Graveyard Book The History Press
Abridged version of a Jewish girl's record of how her family hid from Nazi occupiers in World War II Holland.
Glass Ceilings and Bottomless Pits Scholastic Inc.

The Diary of a Young Girl Anchor
CliffsNotes on Frank's The Diary of Anne Frank Bloomsbury Publishing
Provides a glimpse of life during World War II in both the Netherlands and the United States through the correspondence of Anne Frank and her Iowa pen pals.

Anne Frank's Diary--a Hoax Columbia University Press
'Zoë Waxman's Anne Frank is all the more powerful for its unsentimental clarity. A timely reminder of life without human rights.' Shami Chakrabarti

Diary of Anne Frank is one of the most famous – and bestselling – books of all time. Yet the girl who wrote it remains an enigma. The real Anne Frank has been lost, hidden behind the phenomenon that her posthumously published Diary produced. This concise biography will rediscover Anne Frank: telling her story from the beginning to the tragic end. It will place her life within the wider context of the Holocaust itself, and also explore her afterlife: seeking to explain why her Diary still speaks to us today. Zoe Waxman is a senior research fellow at the Oxford Centre for Hebrew and Jewish Studies. She was educated at the universities of York, Warwick, and Oxford and was previously lecturer in history at Mansfield College, Oxford and then lecturer and fellow in Holocaust Studies at Royal Holloway, University of London. She has published widely on gender, genocide, and the history of ideas. Her first book was *Writing the Holocaust: identity, testimony, representation* (OUP, 2006). Her next book, *A Feminist History of the Holocaust* is under contract with OUP

Anne Frank Pan Macmillan
A concise, readable volume of the articles and memoirs most relevant for understanding the life, death, and legacy of Anne Frank.

Anne Frank on the Postwar Dutch Stage HarperCollins

Diary of the adolescent Jewish girl who ultimately perished in the Nazi death camps.

A Collection of Her Short Stories, Fables, and Lesser-Known Writings, Revised Edition Harper Collins

A Study Guide to Anne Frank's "The Diary of a Young Girl," excerpted from Gale's acclaimed *Novels for Students*. This concise study guide includes plot summary; character

analysis; author biography; study questions; historical context; suggestions for further reading; and much more. For any literature project, trust *Novels for Students* for all of your research needs.

W. W. Norton

Hiding from the Nazis in the "Secret Annex" of an old office building in Amsterdam, a thirteen-year-old girl named Anne Frank became a writer. The now famous diary of her private life and thoughts reveals only part of Anne's story, however. This book completes the portrait of this remarkable and talented young author. *Tales from the Secret Annex* is a complete collection of Anne Frank's lesser-known writings: short stories, fables, personal reminiscences, and an unfinished novel. Here, too, are portions of the diary originally withheld from publication by her father. By turns fantastical, rebellious, touching, funny, and heartbreaking, these writings reveal the astonishing range of Anne Frank's wisdom and imagination--as well as her indomitable love of life. *Anne Frank's Tales from the Secret Annex* is a testament to this determined young woman's extraordinary genius and to the persistent strength of the creative spirit.

Media, Imagination, Memory Courier Corporation

'This extraordinarily lucid book demonstrates that women from all walks of life get the short end of the stick because of their gender. From welfare mothers to corporate executives, Albelda and Tilly show and why the powers-that-be benefit from scapegoating and marginalizing women.' Professor Mimi Abramowitz, author, *Regulating the Lives of Women* A cogent analysis of the economic and social realities for women in the United States, across class lines. In an age when the right wing

manipulates the dialogue around women's issues to separate middle- and upper-class women from their poorer sisters this book's facts, figures, and analysis provide a much needed antidote.

Hidden Like Anne Frank: 14 True Stories of Survival South End Press

Tracing Anne Frank's life from an early childhood in an assimilated family to her adolescence in German-occupied Amsterdam, Melissa Müller's biography, originally published in 1998, follows her life right up until her desperate end in Bergen Belsen. This updated edition includes the five missing pages from Anne Frank's diary, a number of new photographs, and brings to light many fascinating facts surrounding the Franks. As well as an epilogue from Miep Gies, who hid them for two years, it features new theories surrounding their betrayal, revelations about the pressure put on their helpers by the Nazi party and the startling discovery that the family applied for visas to the US. This authoritative account of Anne Frank's short but extraordinary life has been meticulously revised over seven years.

Anne Frank, the untold story

Catapult

"A definitive, deeply moving inquiry into the life of the young, imperiled artist, and a masterful exegesis of *Diary of a Young Girl*...Extraordinary testimony to the power of literature and compassion" -Booklist (starred review) In *Anne Frank: The Book, the Life, the Afterlife*, Francine Prose, author of *Reading Like a Writer*, deftly parses the artistry, ambition, and enduring influence of Anne Frank's beloved classic, *The Diary of a Young Girl*. Approved by both the Anne Frank House Foundation in Amsterdam and the Anne Frank-Fonds in Basel, run by the Frank family, this work of literary

criticism unravels the complex, fascinating story of the diary and effectively makes the case for it being a work of art from a precociously gifted writer.

The Hidden Life of Otto Frank Penguin
 Discovered in the attic in which she spent the last years of her life, Anne Frank's remarkable diary has since become a world classic—a powerful reminder of the horrors of war and an eloquent testament to the human spirit. "The single most compelling personal account of the Holocaust ... remains astonishing and excruciating."—The New York Times Book Review
 In 1942, with Nazis occupying Holland, a thirteen-year-old Jewish girl and her family fled their home in Amsterdam and went into hiding. For the next two years, until their whereabouts were betrayed to the Gestapo, they and another family lived cloistered in the "Secret Annex" of an old office building. Cut off from the outside world, they faced hunger, boredom, the constant cruelties of living in confined quarters, and the ever-present threat of discovery and death. In her diary Anne Frank recorded vivid

impressions of her experiences during this period. By turns thoughtful, moving, and amusing, her account offers a fascinating commentary on human courage and frailty and a compelling self-portrait of a sensitive and spirited young woman whose promise was tragically cut short.

Anne Frank Simon and Schuster
 For the millions moved by Anne Frank: The Diary of a Young Girl, here at last is Miep Geis's own astonishing story. For more than two years, Miep Gies and her husband helped hide the Franks from the Nazis. Like thousands of unsung heroes of the Holocaust, they risked their lives each day to bring food, news, and emotional support to the victims. She found the diary and brought the world a message of love and hope. It seems as if we are never far from Miep's thoughts....Yours, Anne
 From her own remarkable childhood as a World War I refugee to the moment she places a small, red-orange, checkered diary -- Anne's legacy -- in Otto Frank's hands, Miep Gies remembers her days with simple honesty and shattering clarity. Each page rings with courage and heartbreaking beauty.
