What do you want for yourself in the next five, ten years? Do your plans involve marriage, kids, a new job? These are the questions a real estate agent might ask in an attempt to unearth information they can employ to complete a sale, which as Upsold shows, often results in upselling. In this book, sociologist Max Besbris shows how agents successfully upsell, inducing buyers to spend more than their initially stated price ceilings. His research reveals how face-to-face interactions influence buyers' ideas about which neighborhoods are desirable and which are less-

worthy investments and how these preferences ultimately contribute to neighborhood inequality. ? Stratification defines cities in the contemporary United States. In an era marked by increasing income segregation, one of the main sources of this inequality is housing prices. A crucial part of wealth inequality, housing prices are also directly linked to the uneven distribution of resources across neighborhoods and to racial and ethnic segregation. Upsold shows how the interactions between real estate agents and buyers make or break neighborhood reputations and construct neighborhoods by price. Employing revealing ethnographic and quantitative housing data, Besbris outlines precisely how social influences come together during the sales process. In Upsold, we get a deep dive into the role that the interactions with sales agents play in buyers' decision-making

and how neighborhoods are differentiated, valorized, and deemed to be worthy of a certain price.

The purchase of this ebook edition does not entitle you to receive access to the Connected eBook with Study Center on CasebookConnect. You will need to purchase a new print book to get access to the full experience, including: lifetime access to the online ebook with highlight, annotation, and search capabilities; practice questions from your favorite study aids; an outline tool and other helpful resources. Many professional responsibility professors struggle to engage students in a required course, one that students wouldn't otherwise have chosen to take, covering material that simultaneously appears both obvious and intricately technical. *Ethical Lawyering: A Guide for the Well-Intentioned* addresses those concerns with a fresh look at teaching and learning Professional Responsibility. Instead of containing impenetrable cases typical of most professional responsibility casebooks, which force students and teachers to sort out convoluted facts and incomplete or out-of-date analysis, this book "flips the classroom" by providing detailed explanations of the Model Rules, accompanied by problems for class discussion that require students to explore how the Rules apply in real-world situations—a structure which lends itself easily to both in-person and online courses. The book's explanations are focused on building statutory interpretation skills, and then bringing these skills to common practice scenarios. Discussion covers all aspects of the law governing lawyers, from professional discipline to civil liability to court sanctions, as well as informal concerns, such as client relations and the business of law practice. Professors and

students will benefit from: A "flipped classroom" structure in which the book provides detailed explanations of the Model Rules, interspersed with problems for class discussion, that are both drawn from practice and illustrate some of the challenges in applying the rules in real-world situations. MPRE-style multiple-choice review questions at the end of each chapter (or after substantial portions of a chapter) addressing the material. An informal, irreverent, down to earth, and conversational style, meant to be accessible, crafted to engage students without understating the seriousness of the subject matter, and to encourage them to put themselves into the "hot seats" that the problems describe. A statutory construction approach to the Model Rules, designed to build text-interpretation skills. A comprehensive treatment of the law regulating lawyers, considering all of the practical hazards that lawyers face, and illustrating the connections between the Model Rules as a basis for professional discipline and the law of torts (fiduciary duty and malpractice), contracts (scope of the attorney-client relationship and engagement agreements), agency (authority), and procedure (sanctions), as well as informal concerns such as client relations and reputational issues. A digital edition that includes links to all necessary statutory materials. Teaching materials Include: A detailed Teacher's Manual, including: Suggested syllabi for two-hour and three-hour courses. Detailed analyses of all of the problems, including pedagogical suggestions, to stimulate class discussion. Explanatory answers to the MPRE-style multiple-choice review questions. Suggested PowerPoints for class use. Two online-only chapters (The Government Lawyer; Judicial Ethics).

**North Carolina Workers' Compensation Law** Wheatmark, Inc.

This inspiring and educational book presents examples of LGBTQ+ activism throughout Wisconsin's history for young people to explore and discuss. Drawing from a rich collection of primary sources—including diary entries, love letters, zines, advertisements, oral histories, and more—the book provides a jumping-off point for readers who are interested in learning more about LGBTQ+ history and activism, as well as for readers who want to build on the work of earlier activists. *We Will Always Be Here* shines a light on powerful and often untold stories from Wisconsin's history, featuring individuals across a wide spectrum of identities and from all corners of the state. The LGBTQ+ people, allies, and activists in this guide changed the world by taking steps that young people can take today—by educating themselves, telling their own stories, being true to themselves, building communities, and getting active. The aim of this celebratory book is not only to engage young people in Wisconsin's LGBTQ+ history, but also to empower them to make positive change in the world.

*A Practical Guide to Probate in Rhode Island* John Wiley & Sons

The use of testamentary trusts is becoming an important part of estate planning. As a result, students who want to make a living as probate attorneys will need to know how trusts fit into estate planning. In addition, bar examiners realize that it is important for students to have a basic knowledge of trust law. That realization will result in bar examination questions that test that knowledge. This book is designed for use as a supplementary text for a course on wills and trusts and the primary text in a seminar or course exploring the law of trusts.

The Yellow Wall-Paper Ballantine Books

From the creator of the popular website Ask a Manager and New York's work-advice columnist comes a witty, practical guide to 200 difficult professional conversations—featuring all-new advice! There's a reason Alison Green has been called “the Dear Abby of the work world.” Ten years as a workplace-advice columnist have taught her that people avoid awkward conversations in the office because they simply don't know what to say. Thankfully, Green does—and in this incredibly helpful book, she tackles the tough discussions you may need to have during your career. You'll learn what to say when • coworkers push their work on you—then take credit for it • you accidentally trash-talk someone in an email then hit “reply all” • you're being micromanaged—or not being managed at all • you catch a colleague in a lie • your boss seems unhappy with your work • your cubemate's loud speakerphone is making you homicidal • you got drunk at the holiday party Praise for Ask a Manager “A must-read for anyone who works . . . [Alison Green's] advice boils down to the idea that you should be professional (even when others are not) and that communicating in a straightforward manner with candor and kindness will get you far, no matter where you work.”—Booklist (starred review) “The author's friendly, warm, no-nonsense writing is a pleasure to read, and her advice can be widely applied to relationships in all areas of readers' lives. Ideal for anyone new to the job market or new to management, or anyone hoping to improve their work experience.”—Library Journal (starred review) “I am a huge fan of Alison Green's Ask a Manager column. This book is even better. It teaches us how to deal with many of the most vexing big and little problems in our workplaces—and to do so with grace,

confidence, and a sense of humor.”—Robert Sutton, Stanford professor and author of *The No Asshole Rule* and *The Asshole Survival Guide* “Ask a Manager is the ultimate playbook for navigating the traditional workforce in a diplomatic but firm way.”—Erin Lowry, author of *Broke Millennial: Stop Scraping By and Get Your Financial Life Together*

*Upsold* Penguin

Make Your Own Living Trust can help you make an individual or shared living trust that's valid in your state, saving your family time, money, and headaches. You can use a living trust to name beneficiaries for property and set up property management for young people. In this way, a living trust is like a will. However, unlike a will, a living trust lets your family bypass probate court—which saves everyone money, delay, and hassle. Make Your Own Living Trust provides all of the plain English instructions, worksheets, and forms you need to create an individual or shared living trust and a basic will (for yourself and your family), without the need for a lawyer. Whether you are single or part of a couple, you can use this book to: decide whether a living trust is right for your family keep control over trust property while you live appoint someone to manage trust property, if needed name beneficiaries to inherit your assets set up property management for young beneficiaries, and learn how to transfer all types of assets to your trust, including real estate, stocks, jewelry, art, or business assets. Even if you prefer to hire a lawyer to draw up your trust, you can use this book to learn about living trusts

before you go to the lawyer. Using the book to learn about living trusts will save you a considerable amount of money, compared to paying a lawyer to explain it to you. All of the explanations, instructions, and examples are in the book, and the forms are available for download details inside the book. The legal forms in this book are not valid in Louisiana, Canada, or the U.S. Territories.

### **Civil Practice and Remedies Code** MICHIE

This single-volume desktop resource analyzes the principal statutory provisions affecting probate practice in Maine & examines the leading cases arising under each section of the Probate Code. The book begins with a general discussion of the jurisdiction & venue of the Probate Court as specified in Title 4. Part One discusses child custody & support proceedings, adoptions, & change of name procedures within the Probate Court's jurisdiction. Part Two offers a section-by-section commentary on the Maine Probate Code & includes the full text of each provision. Part Three is a rule-by-rule commentary on the Rules of Probate Procedure pointing out the similarities & differences between probate & civil proceedings.

**The Executor's Guide** Simon and Schuster

She has just given birth to their child. He labels her postpartum depression as »hysteria.« He rents the attic in an old country house. Here, she is to rest alone - forbidden to leave her room. Instead of improving, she starts hallucinating, imagining herself crawling with other women behind the room's yellow wallpaper. And secretly, she records her experiences. The Yellow Wall-Paper [1892] is the short but intense, Gothic horror story, written as a diary, about a woman in an attic - imprisoned in her gender; by the story. Charlotte Perkins Gilman's feminist novella was long overlooked in American literary history. Nowadays, it is counted among the classics. CHARLOTTE PERKINS GILMAN (1860-1935), born in Hartford, Connecticut, was an American feminist theorist, sociologist, novelist, short story writer, poet, and playwright. Her writings are precursors to many later feminist theories. With her radical life attitude, Perkins Gilman has been an inspiration for many generations of feminists in the USA. Her most famous work is the short story The Yellow Wall-Paper [1892], written when she suffered from postpartum psychosis.
