AHMED GABRIELLE

Somebody's Daughter
Henry Holt and Company
This “fiercely written and
endlessly readable” novel
of a teenage girl in thrall
to a magnetic—and
terrifying—preacher who
promises to save her

dying town is “a godsend”
(Entertainment Weekly).
Drought has settled on
the town of Peaches,
California. The area of the
Central Valley where
fourteen-year-old Lacey
May and her alcoholic
mother live was once an
agricultural paradise. Now
it’s an environmental
disaster, a place of
cracked earth and barren

raisin farms. In their
desperation, residents
have turned to a cult
leader named Pastor Vern
for guidance. He
promises, through secret
“assignments,” to bring
the rain everybody is
praying for. Lacey has no
reason to doubt the
pastor. But then her life
explodes in a single
unimaginable act of

abandonment: her mother, exiled from the community for her sins, leaves Lacey and runs off with a man she barely knows. Abandoned and distraught, Lacey May moves in with her widowed grandma, Cherry, who is more concerned with her taxidermy mouse collection than her own granddaughter. As Lacey May endures the increasingly appalling acts of men who want to write all the rules and begins to uncover the full extent of Pastor Vern's shocking

plan to bring fertility back to the land, she decides she must go on a quest to find her mother no matter what it takes. With her only guidance coming from the romance novels she reads and the unlikely companionship of the women who knew her mother, she must find her own way through unthinkable circumstances. Possessed of an unstoppable plot and a brilliantly soulful voice, *Godshot* is a book of grit and humor and heart, a debut novel about female friendship

and resilience, mother-loss and motherhood, and seeking salvation in unexpected places. It introduces a writer who gives Flannery O'Connor's Gothic parables a Californian twist and who emerges with a miracle that is all her own. "[A] haunting debut . . . This is a harrowing tale, which Bieker smartly writes through the lens of a teenager on the cusp of understanding the often fraught relationship between religion and sexuality . . . It's a timely

and disturbing portrait of how easily men can take advantage of vulnerable women—and the consequences sink in more deeply with each page.”—Annabel Gutterman, Time “Drawn in brilliant, bizarre detail—baptism in warm soda, wisdom from romance novels—Lacey’s twin crises of faith and femininity tangle powerfully. Fiercely written and endlessly readable, a novel like this is a godsend. A-.”—Mary Sollosi, Entertainment Weekly “[An] absolute

masterpiece . . . Imagine if Annie Proulx wrote something like *White Oleander* crossed with *Geek Love* or *Cruddy*, and then add cults, God, motherhood, girlhood, class, deserts, witches, the divinity of women . . . Terrifying, resplendent, and profoundly moving, this book will leave you changed.” —T Kira Madden, author of *Long Live the Tribe of Fatherless Girls* *Fire in His Blood* Penguin UK
The flames of rebellion—and

desire—light up Medieval Scotland in this unforgettable romance from “a superlative writer!” (RT Book Reviews) Elizabeth of Rivaux is the most beautiful—and defiant—noblewoman in all of Britain. After a disastrous first marriage left her with a secret shame, she refuses to accept any man. As royal factions war for England’s throne, she and her knights-in-arms go to Harlowe, the border castle that is her birthright. But out of the mists comes an

ambush—and a dark, handsome, broadsword-wielding Scottish lord who saves her life. Giles of Moray is immediately taken by the raven-haired, emerald-eyed beauty at his mercy, and as unbidden passion envelops them, Giles pledges his freedom and fiefdom to win Elizabeth's heart. All he demands in return is for the forcefully independent Elizabeth to surrender—completely—to the power of their love.

Landslide Millbrook Press

™

Winner of the Anisfield-

Wolf Book Award for Fiction Winner of the Gotham Book Prize One of Barack Obama's "Favorite Books of the Year" Oprah's Book Club Pick Named one of the Top Ten Books of the Year by the New York Times, Entertainment Weekly and TIME Magazine A Washington Post Notable Novel From the author of the National Book Award-winning *The Good Lord Bird* and the bestselling modern classic *The Color of Water*, comes one of the most celebrated novels of the

year. In September 1969, a fumbling, cranky old church deacon known as Sportcoat shuffles into the courtyard of the Cause Houses housing project in south Brooklyn, pulls a .38 from his pocket, and, in front of everybody, shoots the project's drug dealer at point-blank range. The reasons for this desperate burst of violence and the consequences that spring from it lie at the heart of Deacon King Kong, James McBride's funny, moving novel and his first since his National Book Award-winning *The Good*

Lord Bird. In Deacon King Kong, McBride brings to vivid life the people affected by the shooting: the victim, the African-American and Latinx residents who witnessed it, the white neighbors, the local cops assigned to investigate, the members of the Five Ends Baptist Church where Sportcoat was deacon, the neighborhood's Italian mobsters, and Sportcoat himself. As the story deepens, it becomes clear that the lives of the characters—caught in the tumultuous swirl of 1960s

New York—overlap in unexpected ways. When the truth does emerge, McBride shows us that not all secrets are meant to be hidden, that the best way to grow is to face change without fear, and that the seeds of love lie in hope and compassion. Bringing to these pages both his masterly storytelling skills and his abiding faith in humanity, James McBride has written a novel every bit as involving as *The Good Lord Bird* and as emotionally honest as *The Color of Water*. Told with

insight and wit, Deacon King Kong demonstrates that love and faith live in all of us.

The Fire and Fury of Soccer's Greatest Moment

Deborah A. Cooke

When you live next door to the big bad wolf . . .

After years in prison, North Callaghan is finally free. But the demons haunting him still make him feel like a caged beast. He loses himself in work and hard living, coming up for air only to bed any willing woman to cross his path. So when his new neighbor snares

his interest, he decides to add another notch to his bedpost. The only problem? Faith Walters is a white picket fence kind of girl. Prepare to be devoured. Faith's new neighbor is the rudest man alive. He'd rather grunt at her than speak and he takes her "welcome-to-the-neighborhood" scones without a thank you. She knows she should run for the hills from the ex-con. If only he weren't so smoldering sexy...if only the sounds of him with other women didn't drift

through their shared wall and fill her with longing...and if only he didn't look at her like they were a collision waiting to happen.

The Man Who Owns the News

Penguin
It's hard to believe that there was a time when the jump shot didn't exist in basketball. When the sport was invented in 1891, players would take set shots with both feet firmly planted on the ground. Defenders controlled the sport, the pace was slower, and games would frequently

end with scores fit for a football field. It took almost forty years before players began shooting jump shots of any kind and sixty-five years before it became a common sight. When the first jump shooting pioneers left the ground, they rose not only above their defenders, but also above the sport's conventions. The jump shot created a soaring offense, infectious excitement, loyal fans, and legends. Basketball would never be the same. Rise and Fire celebrates

this crucial shot while tracing the history of how it revolutionized the game, shedding light on all corners of the basketball world, from NBA arenas to the playgrounds of New York City and the barns of Indiana. Award-winning journalist Shawn Fury obsesses over the jump shot, explores its fundamentals, puzzles over its complexities, marvels at its simplicity, and honors those who created some of basketball's greatest moments. Part history,

part travelogue, and part memoir, *Rise and Fire* bounces from the dirt courts of the 1930s to today's NBA courts and state-of-the-art shooting labs, examining everything from how nets and rims affect a shooter to rivalries between shooting coaches to how the three-pointer came to rule the game. Impeccably researched and engaging, the book features interviews and profiles of legendary figures like Jerry West, Bob McAdoo, Ray Allen, and Denise Long---the

first woman ever drafted by the NBA, plus dozens more, revealing the evolution of the shot over time. Analyzing the techniques and reliving some of the most unforgettable plays from the greats, Fury creates a technical, personal, historical, and even spiritual examination of the shot. This is not a dry how-to textbook of basketball mechanics; it is a lively tour of basketball history and a love letter to the sport and the shot that changed it forever. **Godshot** Little, Brown

Books for Young Readers

A sassy and entertaining illustrated debut from Cathy Brett Pyromania: A mental derangement, excitement or excessive enthusiasm for fire. Having celebrity parents isn't as hot as it sounds. Yes, there's money to burn, fame and some totally smoking guys...But when your dad's more interested in blazing a trail to the top of the charts than why you got kicked out of school, again, it can make you seriously angry. And if there's one thing Ember

knows, it's that the smallest spark of anger can ignite a whole heap of trouble...

The Origins, Science, and Evolution of the Jump Shot --- and How It Transformed Basketball
Forever Bloomsbury Publishing USA

Years ago, the skies ripped open and the world was destroyed in fire and ash. Dragons - once creatures of legend - are the enemy. Vicious and unpredictable, they rule the skies of the ruined cities, forcing humanity to huddle behind barricades

for safety. Claudia's a survivor. She scrapes by as best as she can in a hard, dangerous world. When she runs afoul of the law, she's left as bait in dragon territory. She only has one chance to survive - to somehow 'tame' a dragon and get it to obey her. Except the dragon that finds her is as wild and brutal as any other...and he's not interested in obeying. What he is interested in is a mate. *Leopard's Fury* Macmillan Bloodlust and insanity rule my existence. As a fierce

drakoni warrior, this strange new world I find myself in eats at my mind until there is nothing left. There is no light or clarity...until she arrives. I save her life, plucking her from the sky. From that point on, she is mine. But the human I have chosen for my mate - Sasha - is fragile and wounded. She does not trust me and fears my presence. I will not give up, though. I will do anything to give her my fires and bond us both in body and spirit. How can I convince her that I want nothing more than

her happiness if she will not let me touch her? How does a dragon woo a human?
Fire in His Veins: A Post-Apocalyptic Dragon Romance Fire in His Fury A Post-Apocalyptic Dragon Romance Just like Rapunzel from the fairy tales, dreamy, romantic Amy lives a hidden life. She's kept locked away in a tower for her own safety, with her sister as protector. Amy knows it's for her own good. If a dragon catches her scent, she'll be carried away and forced to become a

drakoni's mate. But Amy has a secret - she desperately wants to be stolen. She would love to be rescued from her life of idleness and the thought of a devoted drakoni male charging in and saving her from her boredom sounds perfect to her. Of course, she wants a romantic, loving male who will adore her. What she gets is Rast. He's not kind. Not romantic. Definitely not gentle. But he is utterly and completely obsessed with Amy and he'll stop at nothing to make the delicate female

his. Fire in His Blood Years ago, the skies ripped open and the world was destroyed in fire and ash. Dragons - once creatures of legend - are the enemy. Vicious and unpredictable, they rule the skies of the ruined cities, forcing humanity to huddle behind barricades for safety. Claudia's a survivor. She scrapes by as best as she can in a hard, dangerous world. When she runs afoul of the law, she's left as bait in dragon territory. She only has one chance to survive - to somehow

'tame' a dragon and get it to obey her. Except the dragon that finds her is as wild and brutal as any other...and he's not interested in obeying. What he is interested in is a mate. Fire In His Embrace A Post-Apocalyptic Dragon Romance For months, I've been chased by a red dragon. They're the females of the dragon shifter invaders, fierce and vicious and as ruthless as they are wild. She hunts me wherever I go, and I'm not safe even behind the walls of a fort.

There's only one thing I can do to stop her.....And that's to take her as my mate. But to win the heart of a female dragon, I have to conquer her first. Not so easy for a human man...but Teva's worth the challenge.

 "This is a book people will be talking about forever."
 —Glennon Doyle, #1 New York Times bestselling author of Untamed
 "Ford's wrenchingly

brilliant memoir is truly a classic in the making. The writing is so richly observed and so suffused with love and yearning that I kept forgetting to breathe while reading it.”
—John Green, #1 New York Times bestselling author One of the most prominent voices of her generation debuts with an extraordinarily powerful memoir: the story of a childhood defined by the looming absence of her incarcerated father. Through poverty, adolescence, and a fraught relationship with

her mother, Ashley C. Ford wishes she could turn to her father for hope and encouragement. There are just a few problems: he’s in prison, and she doesn’t know what he did to end up there. She doesn’t know how to deal with the incessant worries that keep her up at night, or how to handle the changes in her body that draw unwanted attention from men. In her search for unconditional love, Ashley begins dating a boy her mother hates. When the relationship

turns sour, he assaults her. Still reeling from the rape, which she keeps secret from her family, Ashley desperately searches for meaning in the chaos. Then, her grandmother reveals the truth about her father’s incarceration . . . and Ashley’s entire world is turned upside down. Somebody’s Daughter steps into the world of growing up a poor Black girl in Indiana with a family fragmented by incarceration, exploring how isolating and complex such a childhood

can be. As Ashley battles her body and her environment, she embarks on a powerful journey to find the threads between who she is and what she was born into, and the complicated familial love that often binds them.

Dragon Fury Penguin

The sequence of civil wars that ripped England apart in the seventeenth century was the single most traumatic event in this country between the medieval Black Death and the two world wars. Indeed, it is likely that a

greater percentage of the population were killed in the civil wars than in the First World War. This sense of overwhelming trauma gives this major new history its title: God's Fury, England's Fire. The name of a pamphlet written after the king's surrender, it sums up the widespread feeling within England that the seemingly endless nightmare that had destroyed families, towns and livelihoods was ordained by a vengeful God - that the people of England had sinned and

were now being punished. As with all civil wars, however, 'God's fury' could support or destroy either side in the conflict. Was God angry at Charles I for failing to support the true, protestant, religion and refusing to work with Parliament? Or was God angry with those who had dared challenge His anointed Sovereign? Michael Braddick's remarkable book gives the reader a vivid and enduring sense both of what it was like to live through events of uncontrollable violence

and what really animated the different sides. The killing of Charles I and the declaration of a republic – events which even now seem in an English context utterly astounding – were by no means the only outcomes, and Braddick brilliantly describes the twists and turns that led to the most radical solutions of all to the country's political implosion. He also describes very effectively the influence of events in Scotland, Ireland and the European mainland on the conflict in England. God's

Fury, England's Fire allows readers to understand once more the events that have so fundamentally marked this country and which still resonate centuries after their bloody ending. *Fire in His Kiss* Penguin When Detective Constable Connie Childs is dragged from her bed to the fire-wrecked property on Cross Farm Lane she knows as she steps from the car that this house contains death. Three bodies discovered - a family obliterated - their deaths all seem to point

to one conclusion: One mother, one murderer. But D.C. Childs, determined as ever to discover the truth behind the tragedy, realises it is the fourth body - the one they cannot find - that holds the key to the mystery at Cross Farm Lane. What Connie Childs fails to spot is that her determination to unmask the real murderer might cost her more than her health - this time she could lose the thing she cares about most: her career. **A Memoir** Independently

Published

Ten years after Alex and Aaron Stowe brought peace to Quill and Artimé, their younger twin sisters journey beyond Artimé in the sixth novel in the New York Times bestselling sequel series to *The Unwanteds*, which Kirkus Reviews called “The Hunger Games meets Harry Potter.” As the greatest army ever assembled in the seven islands flies to the land of the dragons, everyone’s mind is haunted by the same thought: Thisbe Stowe betrayed them all.

Thisbe struggles to regain the trust of her brother Aaron and the people of Artimé after one crucial mistake forces her to abandon her intricate plan against the Revinir. Aaron is devastated by Thisbe’s actions and refuses to hear her explanation, feeling a sense of responsibility for the wrong she’s done mixed with his own deep regret and fears over his dark history. Complicating things are Thisbe’s conflicted feelings about the Revinir, leaving her wondering if she allowed

herself to get too close to the dragon-woman...and if she really is more evil than good after all.

Risking everything they’d fought for since first being declared Unwanted, the people, creatures, and statues of Artimé and their allies make a final desperate attempt to take down the Revinir and bring peace to their world.

But is the Revinir too powerful to defeat? And will the Artiméans ever find out what’s behind that last secret door?

A Dragonfire Novel
HarperCollins

The instant #1 New York Times bestseller. From the reporter who was there at the very beginning comes the revealing inside story of the partnership between Steve Bannon and Donald Trump—the key to understanding the rise of the alt-right, the fall of Hillary Clinton, and the hidden forces that drove the greatest upset in American political history. Based on dozens of interviews conducted over six years, Green spins the master narrative of the 2016 campaign from its

origins in the far fringes of right-wing politics and reality television to its culmination inside Trump’s penthouse on election night. The shocking elevation of Bannon to head Trump’s flagging presidential campaign on August 17, 2016, hit political Washington like a thunderclap and seemed to signal the meltdown of the Republican Party. Bannon was a bomb-throwing pugilist who’d never run a campaign and was despised by Democrats and

Republicans alike. Yet Bannon’s hard-edged ethno-nationalism and his elaborate, years-long plot to destroy Hillary Clinton paved the way for Trump’s unlikely victory. Trump became the avatar of a dark but powerful worldview that dominated the airwaves and spoke to voters whom others couldn’t see. Trump’s campaign was the final phase of a populist insurgency that had been building up in America for years, and Bannon, its inscrutable mastermind, believed it was the

culmination of a hard-right global uprising that would change the world. Any study of Trump's rise to the presidency is unavoidably a study of Bannon. Devil's Bargain is a tour-de-force telling of the remarkable confluence of circumstances that decided the election, many of them orchestrated by Bannon and his allies, who really did plot a vast, right-wing conspiracy to stop Clinton. To understand Trump's extraordinary rise and Clinton's fall, you have to

weave Trump's story together with Bannon's, or else it doesn't make sense. *The Rich, the Powerful, the Wishful, the Notorious, the Damned* Henry Holt and Company Liam has wanted Andrea ever since the moment he saw her, but she's human and he is drakoni. He must keep his mental walls strong by giving up everything that makes him a dragon. That means no telepathy, no fire breathing and no battle form, and he certainly can't take a mate. When

Andrea's brother escapes the fort, though, she needs help tracking him down. That means Liam will be alone with her, breathing in her scent, and it may be too much for him to control. [Steve Bannon, Donald Trump, and the Nationalist Uprising](#) Hachette UK There's only one way to tame a dragon. Emma Arroyo knows this. She also knows that the big golden dragon captured by her brother's biker gang is in trouble, and it's all her fault. He followed

her scent, and now his life is in danger. She has to fix this, somehow. If she could talk to the dragon, they could form a plan to escape, both of them. But the dragon's mind is wild and full of uncontrollable, killing rage. There's no reasoning with him. There's certainly no freeing him, not when he's like this. But Emma can't leave without him. There's only one way to solve this problem - a mating. When Emma approaches Zohr to claim him as hers, she realizes just what it means to be a

dragon's mate, and how much she's in over her head... And she learns how fiercely possessive a drakoni male can be.

Fire In Her Eyes

Fireblood Dragons
A military alpha hero. A flirtatious vixen. A crazed game of seduction. One pair of panties changed his life. "I'm putting my panties in your back pocket. You have until two am to get them back to me. If you do, you will be rewarded. Handsomely." Those were the words Victoria Johnson whispered to Scott Harris

after she stuffed a pair of lacy red panties into his back pocket. That was Tori's favorite game: No strings attached sex. But he'd have to chase her first. Years later, when Scott returns from Afghanistan minus one leg, he thinks the sexual games are over. His military career is over. Hell, his life is over. But then Tori shows up in his hospital room as fiery and flirtatious as the day he left. It turns out she's more than just a beautiful disaster with sexy red panties. Much more. She

may be trouble but she's everything he's ever wanted. Except for Tori, things are never that simple. Because Tori faces a tragedy of her own. An accident that rips her life apart, leaving her without sight and struggling to recover the woman she once was. For Scott, Tori's still the one he's waited his whole life for. He's done letting fate tear them apart. It will be a challenge to win her shattered heart once and for all. Lucky thing Scott Harris never backs away from a challenge. Chasing

Fire is a full length romance with LOTS of steam and a HEA. Featuring a hot-as-hell alpha and a sexy artist who both have filthy mouths. Intended for a mature audience.

A New History of the English Civil Wars

Simon and Schuster
One act of passion can save the world... Scientist Alexandra Madison was on the verge of unveiling an invention that would change the world. Then her partner was murdered, their lab was burned, and their

prototype was destroyed. While Alex is in the hospital recovering from burns suffered in the fire, recurring dragon-haunted nightmares threaten to land her in the psychiatric ward, but she knows she has to escape to her lab to rebuild the Green Machine. Handsome, daring, and impulsive, Donovan Shea is more than willing to do his part in the Pyr/Slayer war. Assigned to protect Alex, Donovan is shocked when her presence ignites his firestorm. He has no desire for a destined

mate, but Alex's intelligence and determination inspire him to join the fight to save her invention. With the Slayers closing in, Donovan knows he would surrender his life for Alex...and lose his heart to possess her. "Epic battles, suspense, ecological concerns, humor, and romance are highlights that readers can expect in this tale. Excellent writing, a smart story, and exceptional characters earn this novel the RRT Perfect 10 Rating. Don't miss the very highly

recommended KISS OF FURY."—Romance Reviews Today *** The Dragonfire Series of Paranormal Romances Each Dragonfire Novel is a complete romance, but you would probably prefer to read them in order to follow the story of the Dragon's Tail Wars, the final battle for supremacy between the Pyr and the evil Slayers. The series is complete with fourteen stories. 1. Kiss of Fire (Quinn and Sara) 2. Kiss of Fury (Donovan and Alex) 3. Kiss of Fate (Erik and Eileen) 4. Winter Kiss

(Delaney and Ginger) 5. Harmonia's Kiss (a short story about the Dragon's Tooth Warriors) 6. Whisper Kiss (Niall and Rox) 7. Darkfire Kiss (Rafferty and Melissa) 8. Flashfire (Lorenzo and Cassie) 9. Ember's Kiss (Brandon and Liz) 10. Kiss of Danger (a Dragon Legion novella featuring Alexander and Katina) 11. Kiss of Darkness (a Dragon Legion novella featuring Damien and Petra) 12. Kiss of Destiny (a Dragon Legion novella featuring Thad and Aura) 13. Serpent's Kiss (Thorolf

and Chandra) 14. Firestorm Forever (Sloane and Sam, plus Drake and Veronica, and Marcus and Jac. Yes, this book has THREE firestorms and is the big finish.) The three Dragon Legion novellas are also available in a bundle called The Dragon Legion Collection. There is a world guide in the works called Here Be Dragons: A Dragonfire Companion.
 *** Keywords: dragon, dragon shifter romance, destined mate, action adventure, urban fantasy romance, dragonfire, romantic comedy, friends

to lovers, warrior, scientist, Sherrilyn Kenyon, Donna Grant, Thea Harrison, Jennifer Ashley, Christine Feehan, Lara Adrian, G. A. Aiken *Transforming India's Strategic Identity* Penguin #1 New York Times Bestseller With extraordinary access to the West Wing, Michael Wolff reveals what happened behind-the-scenes in the first nine months of the most controversial presidency of our time in *Fire and Fury: Inside the Trump White House*. Since

Donald Trump was sworn in as the 45th President of the United States, the country—and the world—has witnessed a stormy, outrageous, and absolutely mesmerizing presidential term that reflects the volatility and fierceness of the man elected Commander-in-Chief. This riveting and explosive account of Trump's administration provides a wealth of new details about the chaos in the Oval Office, including:
 -- What President Trump's staff really thinks of him --
 What inspired Trump to

claim he was wire-tapped by President Obama -- Why FBI director James Comey was really fired -- Why chief strategist Steve Bannon and Trump's son-in-law Jared Kushner couldn't be in the same room -- Who is really directing the Trump administration's strategy in the wake of Bannon's firing -- What the secret to communicating with Trump is -- What the Trump administration has

in common with the movie The Producers Never before in history has a presidency so divided the American people. Brilliantly reported and astoundingly fresh, Fire and Fury shows us how and why Donald Trump has become the king of discord and disunion. "Essential reading."—Michael D'Antonio, author of Never Enough: Donald

Trump and the Pursuit of Success, CNN.com "Not since Harry Potter has a new book caught fire in this way...[Fire and Fury] is indeed a significant achievement, which deserves much of the attention it has received."—The Economist
